Snyder about gay dads with young children who want a fresh start ... and maybe a new relationship. But emotions Jamie thought long buried are stirred up again when Derek's mother passes away and Derek returns. Recipe for Romance: Preston put aside his dreams of becoming a chef to raise his daughter. When Abby tries to wear a pair of wings for her school pictures, Preston meets Cam, a handsome photographer. Gay Dads David Strah,Susanna Margolis,2004-06-03 Inspiring portraits of gay men and their families from all across America. An evolution has quietly been occurring in the world of parenting. Recent surveys reveal that millions of children have found loving homes either by being born to, or adopted by, gay men. This book is a celebration of these remarkable new families. Gay Dads includes twenty-five personal accounts from men describing their unique journeys to fatherhood and the struggles and successes they have experienced as they raise their children. This is the first book to provide such an expansive exploration of this extraordinary new family unit. With beautiful black-and-white photographs of each of the families, Gay Dads is a moving tribute to familial love.

Daddy & Boy Axel Neustädter,2019-12 The acronym DILF stands for Daddy, I'd like to fuck, and represents a gay subculture with more than a few online adherents. In his new guidebook, Axel Neustädter takes a closer look at all the silver, muscle and sugar daddies: what are they like; where can they be found; will you also become one? And what about the young men who like daddies: what makes them tick? Neustädter shows how the daddy ideal is both part of and at odds with the prevailing gay culture. Where ageism ends, daddy love begins. This book shines a light on a flourishing, if partially hidden, subculture and shows the way to overcoming prejudices. Neustädter charts the colorful cosmos of confident daddies and twinks, wolves and otters, chicken queens and sons.
