

# Gay Old Men

## Tim Bergling

Gay and Gray Raymond Mark Berger, 1996 In the absence of accurate information, American culture has upheld a distorted view of what it means to be an older gay man. *Gay and Gray* is the first and only scholarly full-length treatment of older gay men in America today. It breaks the stereotype that older gay men are strange, lonely creatures and reveals that most older gay men are well-adjusted to their homosexuality and the aging process. This second edition contains four new chapters that present additional perspectives on the reality of gay aging. Dr. Minnigerode's study shows that older gay men do not perceive themselves as growing old faster than their heterosexual counterparts, and that forty is the age at which most gay men believe that the label "young" no longer applies--this finding led Berger and other researchers to define "older" gay men as those over forty. Pope and Schulz confirm Berger's finding that for most older gay men a continuation of sexual activity and sexual enjoyment is the norm. John Grube's paper on the interaction of older gay men with younger gay liberationists explores the cultural divide between today's older gay man and his younger counterpart, filling a gap left in the first edition. And a concluding chapter by Richard Friend on a theory of successful gay aging summarizes much of the current thinking about this topic. The true situation of the older homosexual male presented in *Gay and Gray* challenges preconceptions about what it means to be old and gay. It asserts that in most ways, older gay men are indistinguishable from other older people. Because the book portrays older gay men in a realistic and sympathetic light, it is therapeutic for the many gay men who have been burdened with society's negative and distorted views about them. These men may compare their own lives to those of the respondents described in the book. *Gay and Gray* offers younger gay men a rare glimpse into their futures and enlightens and comforts those who count older gay men among their family and friends. The conclusions drawn in the book will change people's perspectives and offer new ways of thinking for and about older gay men. *Gay and Gray* is filled with rich case histories and treats its subject with dignity and compassion. Topics of focus include: love relationships social and psychological adjustment gay community self-acceptance being "in the closet" and "coming out" as a gay person intergenerational attitudes popular stereotypes As the first intensive interview and questionnaire study of gay men aged 40 and older in America, *Gay and Gray* examines the lives of these men in light of cultural stereotypes. Author Berger asks about the social lives of these men, their involvement in both the heterosexual and homosexual communities, their "coming out" experiences, their attitudes about younger gays, their experiences in growing older, and their strategies

for adapting to life's challenges. In the study, Berger reveals that, contrary to stereotypic views, most older gay men are well-integrated into social networks and lead active and generally satisfying lives. He found that few live alone; most scored as well as younger gays on measures of psychological adjustment, such as self-acceptance; many are open about their homosexuality with family, friends, and colleagues; and the most well-adjusted older gay men were integrated into a homosexual community, associated with younger gay men, and were unwilling to change their sexual orientation.

Gay and Gray Raymond Berger, 2013-04-03 In the absence of accurate information, American culture has upheld a distorted view of what it means to be an older gay man. *Gay and Gray* is the first and only scholarly full-length treatment of older gay men in America today. It breaks the stereotype that older gay men are strange, lonely creatures and reveals that most older gay men are well-adjusted to their homosexuality and the aging process. This second edition contains four new chapters that present additional perspectives on the reality of gay aging. Dr. Minnigerode's study shows that older gay men do not perceive themselves as growing old faster than their heterosexual counterparts, and that forty is the age at which most gay men believe that the label "young" no longer applies--this finding led Berger and other researchers to define "older" gay men as those over forty. Pope and Schulz confirm Berger's finding that for most older gay men a continuation of sexual activity and sexual enjoyment is the norm. John Grube's paper on the interaction of older gay men with younger gay liberationists explores the cultural divide between today's older gay man and his younger counterpart, filling a gap left in the first edition. And a concluding chapter by Richard Friend on a theory of successful gay aging summarizes much of the current thinking about this topic. The true situation of the older homosexual male presented in *Gay and Gray* challenges preconceptions about what it means to be old and gay. It asserts that in most ways, older gay men are indistinguishable from other older people. Because the book portrays older gay men in a realistic and sympathetic light, it is therapeutic for the many gay men who have been burdened with society's negative and distorted views about them. These men may compare their own lives to those of the respondents described in the book. *Gay and Gray* offers younger gay men a rare glimpse into their futures and enlightens and comforts those who count older gay men among their family and friends. The conclusions drawn in the book will change people's perspectives and offer new ways of thinking for and about older gay men. *Gay and Gray* is filled with rich case histories and treats its subject with dignity and compassion. Topics of focus include: love relationships social and psychological adjustment gay community self-acceptance being "in the closet" and "coming out" as a gay person intergenerational attitudes popular stereotypes As the first intensive interview and questionnaire study of gay men aged 40 and older in America, *Gay and Gray* examines the lives of these men in light of cultural stereotypes. Author Berger asks about the social lives of these men, their involvement in both the heterosexual and homosexual communities, their "coming out" experiences, their attitudes about younger gays, their experiences in growing older, and their strategies for adapting to life's challenges. In the study, Berger reveals that, contrary to stereotypic views, most older gay men are well-

integrated into social networks and lead active and generally satisfying lives. He found that few live alone; most scored as well as younger gays on measures of psychological adjustment, such as self-acceptance; many are open about their homosexuality with family, friends, and colleagues; and the most well-adjusted older gay men were integrated into a homosexual community, associated with younger gay men, and were unwilling to change their sexual orientation.

*Gay & Gray* Raymond Mark Berger, 1982 In the absence of accurate information, American culture has upheld a distorted view of what it means to be an older gay man. *Gay and Gray* is the first and only scholarly full-length treatment of older gay men in America today. It breaks the stereotype that older gay men are strange, lonely creatures and reveals that most older gay men are well-adjusted to their homosexuality and the aging process.

**Gay Men and Aging** Lester B. Brown, Terry Cook, J. Geramy Quarto, Steven Sarosy, 2021-12-12 First published in 1997 this study presents the results of three recent studies on aging in homosexual men, focusing on their lives, relationships, hopes and fears, and attitudes about AIDS. Topics include challenges to stereotypes of the older gay male, ageism and heterosexism, social life, and sexual behavior.

**Finally Out** Loren A. Olson, 2017-04 Dr. Loren A. Olson has frequently been asked two questions: How could you not know that you were gay until the age of forty? Wasn't your marriage just a sham to protect yourself at your wife's expense? In *Finally Out*, Dr. Olson answers these questions by telling the inspiring story of his evolving sexuality, into which he intelligently weaves psychological concepts and gay history. This book is a powerful exploration of human sexuality, particularly the sexuality of mature men who, like Dr. Olson, lived a large part of their lives as straight men--sometimes long after becoming aware of their same-sex attractions. Readers will come to understand: - That there is no universal model for coming out - Why many older LGBTQ men came out late, do not come out at all, or come out to varying degrees in different environments - How stigma has created mental health problems for isolated and closeted men who have sex with men, particularly in geographical areas and cultures where there is little or no acceptance of homosexuality - How sexual function changes but perhaps even improves for older men - That aging creates opportunities that one has never had and may never have again, e.g., freedom from the tyranny of ambition - That some people consistently prefer an older sexual partner and this can lead to stable, intergenerational relationships - How same-sex sexual activity was considered prior to the Stonewall uprising in 1969 contrasted with the way it is perceived after Stonewall - How age, culture, geographical location, heterosexual marriage, and children impact a person's decision to come out - Why conversion therapy does not work and may be harmful - The difference between homophobia and homonaïveté - The archetypes of self-identified straight men who seek occasional or regular sex with other men - How to overcome the shame and guilt experienced by men who are sexually attracted to other men

Oral Histories of Older Gay Men in Hong Kong Travis S. K. Kong, 2019-08-15 "This is very personal and private, but I've

told you everything.” Old Chan thus gives voice to the attitude expressed in all thirteen stories told in this intimate oral history of life at the margins of Hong Kong society, stories punctuated by laughter, joy, happiness, and pride, as well as tears, anger, remorse, shame, and guilt. Illustrated with photos, letters, and other images, *Oral Histories of Older Gay Men in Hong Kong: Unspoken but Unforgotten* gives voice to the complexities of a “secretive” past with unique hardships as these men came to terms with their sexuality, adulthood, and a colonial society. The men talk with equal candour about how their sexuality remains a complication as they negotiate failing health, ageing, and their current role in society. While fascinating as life histories, these stories also add insight to the theoretical debates surrounding identity and masculinity, coming out, ageing and sexuality, and power and resistance. Confined within the heteronormative culture prescribed by government, family, and religion, these men have lived the whole of their lives struggling to find their social role, challenging the distinction between public and private, and longing for a stable homosexual relationship and a liberating homosexual space in the face of deteriorating health and a youth-obsessed gay community. ‘This book makes an original contribution. Very few scholars, anywhere, have recorded the lives of older gay men. The stories of the men in this collection are intrinsically interesting, often poignant, and make for a compelling read. These life narratives really need to be preserved and made available to a wide audience—they are valuable historical documents.’ —Stevi Jackson, The University of York ‘Kong’s work demonstrates the potential and power of research to not only understand and describe phenomena, but to effect change—to make a difference. Clearly, this book has made a difference—not only in the lives of the interviewees, but much more broadly as through the book in its original language and the hopeful, inclusive message the group epitomizes and shares.’ —Brian de Vries, San Francisco State University

**Social Services for Senior Gay Men and Lesbians** Jean K Quam, 2014-02-25 *Social Services for Senior Gay Men and Lesbians* is an important new reference that provides those in the helping professions with practical information on how to work with the older gay and lesbian population. Although older gays and lesbians are the same in many ways as their heterosexual counterparts, they have an extra “layer” of concerns that are unique to their sexual orientation, including “coming out” to family and medical professionals, fear of discrimination, isolation, and loneliness. This new book helps social service providers address these and other concerns of the aging homosexual. *Social Services for Senior Gay Men and Lesbians* examines the history of homosexuality and how practitioners have developed ways to better serve this population. The book features case studies of topics that face practitioners and their older gay clients, including: housing needs of older gay and lesbian adults group therapy for older gay males long-term care dilemmas for older lesbians counseling an older gay male who is “coming out” staff development for non-gay social service providers historical review of gay and lesbian issues Because so little information exists in these and other areas, *Social Services for Older Gay Men and Lesbians* is an excellent resource for social workers, psychologists, nurses, counselors, and physicians.

*Reeling in the Years* Tim Bergling, 2004 The book explores the gay experience through young, middle-aged, and elderly viewpoints, including relationships, dating younger guys, dating older guys, the Internet, sex, drugs, alcohol, HIV/AIDS, fitness, plastic surgery, retirement, harassment, and discrimination.

*Middle-Aged Gay Men, Ageing and Ageism* Paul Simpson, 2016-04-29 Is midlife for gay men the start of a slide towards the rejection, exclusion and misery associated with the spectre of the lonely old queen? Whilst exclusion is possible as gay men age, *Middle Aged Gay Men, Ageing and Ageism* offers a more nuanced view of gay ageing, using sociological tools to advance understanding beyond stereotypes.

**The Gay Man's Guide to Growing Older** John Lockhart, 2002 One in five gay men is over the age of 60, but the gay population has virtually nothing in the way of older role models. In the first book to address this issue, John Lockhart offers a series of interviews with ageing gay men crossing regional, financial and ethnic boundaries, and reflecting on issues such as sex, spirituality, self-image, finances, health and retirement living, that will give gay men a touchstone for planning their years as vital, productive and passionate seniors.

Good Men for Men Kyle Phoenix, 2014-01-02 Everyone says they want a Good Man...and quite a few say they are Good Men. Whether you're same gender loving, bisexual, straight, homosexual, omnisexual or transsexual, this book will teach you what to measure manhood and masculinity by. Author, TV host and teacher, Kyle Phoenix has brought together all of the information, tips, strategies, action plans and identifiers that thousands of men around the world have taken advantage of to find a Good Man. Including: How to identify Good Men; How to date them---where to go, what to do, what not to do; What Good Men are looking for What Good Men avoid and why Who a Good Man is willing to be in your life and not. BONUS Chapters from Special Reports on Monogamy/Cheating in a Relationship and Dealing With it; Developing Intimacy (Skills and Exercises); and Communication (Skills and Exercises) Real life couples who've struggled with how to maintain a relationship with the challenges of life dreams, work, school, family, finances and sex then give you a peek into their unique solutions. You'll learn how to negotiate what works for you and what doesn't and more importantly how not to break up when the going gets rough in the first few weeks or few years. But what if you meet (or are) a Good Man on the cusp, how to enhance and improve to become a sensational, accountable and responsible Good Man. There's a detailed guide in here on not only things to work on in life but also the resources to make them happen. From work to starting a business to managing finances to understanding home buying to school navigation, proper sex safe sex techniques, including lubes and condoms, and much more. Then as an added BONUS for FREE the book also contains links to dozens of articles, agencies and informational sources around the world that will help you improve every area of your life. Also you'll have access to all of the Kyle Phoenix television shows, online video classes, blogs and Special Reports. This one has it all! Why do you need this book? Because you're worth it. Your sexuality is good and natural and should be shared and loved. All you need are the skills, the tips and

strategies and you're sure to discover the Good Man within yourself. And you know what other Good Men are looking for? You guessed it! Good Men!

Gay Men's Working Lives, Retirement and Old Age Peter Robinson, 2017-07-20 This book examines the working lives, retirement plans, and old age experiences of three generations of gay men born 1924–86. It draws on data collected from interviews with 82 men in Australia, England, New Zealand, and USA. The first half of the book concentrates on the men's working lives, while the second half of the book explores the interviewees' concerns about old age and retirement. The author analyses the men's contrasting stories, highlighting key generational differences in their experience of being 'out' in the workplace and the dominant work narratives which emerge in each age group. This important work will have cross-disciplinary appeal to scholars of sociology, gerontology, health sciences, gender, queer, and gay and lesbian studies, as well as practitioners.

**Gay and Lesbian Aging** Gilbert Herdt, PhD, Brian De Vries, PhD, 2003-11-17 The year 2003 marks the 30th anniversary of the landmark declassification of homosexuality as a disease by the American Psychiatric Association--a watershed in the lives of gays and lesbians in the United States. For the first time in history, a generation of self-identified lesbians, gay men, bisexuals, and transgender individuals are approaching retirement. This volume brings to the forefront important issues concerning the health, mental health, and concomitant special social service needs of this population and emphasizes the need for more research on aging sexual minorities. Based on empirical and qualitative research methods, chapters focus on the myriad issues of aging for lesbians and gay men including: Social and Cultural Considerations about HIV Among Midlife and Older Gay Men Psychological Well-Being in Midlife Older Gay Men Well-Being Among Middle-Aged and Older Single Gay Men Lesbian Friendships at and Beyond Midlife Contributors include Judith Barker, Jacqueline Weinstock, Bertram Cohler, and Doug Kimmel, among others.

**Sociological Analysis of Aging** Joe Michael Cruz, 2013-11-12 Sociological Analysis of Aging: The Gay Male Perspective is an exploratory study of the life changes homosexual and bisexual men experience as they age. This unique book presents in-depth, qualitative interviews with gay men, aged 55 and older, focusing on their physical, mental, and social needs. More than one hundred men offer first-hand perceptions on the unique problems they face with regards to employment/retirement, housing, health and well-being, and relationships, and how they function within (or without) a social support system. Sociological Analysis of Aging fills in the gaps in the existing social science literature on homosexuals and aging, updating findings that were inconclusive when first published and/or based on case studies or limited samples. While standard books on aging typically deal with the impact of life events such as child rearing, the empty nest syndrome, and grandparenting, Sociological Analysis of Aging deals with the unique realities that gay men face in addition to the universal concerns of the elderly: affordable health care, affordable housing, and adequate coverage for medication costs. The study examines what

can be done to assist “successful” aging for sexual minorities, particularly in the areas of social policy, service delivery, and public tolerance. *Sociological Analysis of Aging* focuses on specific research questions: Do aging gay men consider themselves to be physically healthy? Do aging gay men suffer from depression? Do aging gay men have access to social support networks? What are the housing needs of the aging gay community—present and future? How involved are aging gay men with family, friends, church, and community? In addition, the men interviewed were asked what, if anything, was left on a “to-do” list; what the best and worst aspects of aging are; and what, if anything, they would change about the course their lives had taken. Their answers make *Sociological Analysis of Aging: The Gay Male Perspective* an essential resource for therapists, counselors, and social workers, and for academics working in sociology, psychology, gerontology, and gay studies.

*Gay Midlife and Maturity* John Alan Lee, 1991 Aging is stressful for anyone in youth-oriented Western societies. Elderly people encounter difficulties and discrimination, sometimes because of reduced income, transportation and housing problems, and failing health, but often due to the persistent negative stereotypes that color others’ attitudes and behavior toward old people. Gay men and lesbians experience these stresses, as well as the numerous additional problems associated with their sexual orientation. *Gay Midlife and Maturity* is a dynamic and positive volume that challenges the long-held stereotype of the sad and lonely old homosexual. A growing body of international literature, much of which is featured in this book, rejects this myth and illustrates that older gay men and lesbians cope well with the aging process and are comparable to younger homosexuals in social and psychological adjustment. A much-needed and major contribution, *Gay Midlife and Maturity* contains an enormous amount of information for readers interested in gerontology and homosexuality. Experts, for the first time, examine the relationship between the adjustment of gay people to later life and the age and sequence of the resolution of these typically early developmental processes, raising many questions about traditional theories of gay development. The existing contradictions and debates about gay men and accelerated aging are addressed. Other valuable chapters focus on a theory of successful aging, a comparison of the traditional gay community (pre-Stonewall) versus the organized gay community, the vital role of communication in gay relationships, the sexual attitudes and behaviors of older gay men, and much more. Additional interesting and worthwhile chapters of this thought-provoking new book include an in-depth interview with Don Bachardy about his 33-year relationship Christopher Isherwood, a renowned English writer who was 30 years his senior, and a review of the growing literature on gay aging.

*The Gay Old Man*, 1820

***The Changing World of Gay Men*** P. Robinson, 2008-10-31 This ground-breaking book explores the experiences of gay men and their understanding of what it meant to be gay in the 20th Century: from when homosexuality was illegal though the less repressed but no less difficult eras of gay liberation and the HIV-AIDS epidemic.

*Older Man Younger Man* Joseph Dispenza, 2011-08-30 *Older Man/Younger Man* is a memoir of the relationship between a

middle-aged man and a man thirty years his junior, from their first meeting, through the challenges of living together across a wide age-gap, to a climactic confession of shame and regret, the terror of loss from a life-threatening disease - and, ultimately, the triumph of love. This is a passionate, bittersweet story of a powerful love that transcends gender, bridges generations, defies convention, and brings to the partners the richness of spiritual fulfillment. The relationship between an older man and a younger man is one of the last taboos left in our culture's sexual closet. Older Man/Younger Man is the first book to address an inter-generational gay male relationship as a path of spiritual redemption. What makes this book unique and special is its presentation of the pairing between an older man and a much younger man as a healthy, successful relationship and as a spiritual journey. Winner of the 2012 Readers View Award.

**Middle-Aged Gay Men, Ageing and Ageism** Paul Simpson, 2016-04-29 Is midlife for gay men the start of a slide towards the rejection, exclusion and misery associated with the spectre of the lonely old queen? Whilst exclusion is possible as gay men age, Middle Aged Gay Men, Ageing and Ageism offers a more nuanced view of gay ageing, using sociological tools to advance understanding beyond stereotypes.

## Gay Old Men Introduction

Gay Old Men Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Gay Old Men

Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Gay Old Men : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Gay Old Men : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Gay Old Men Offers a diverse range of free eBooks across various genres. Gay Old Men Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Gay Old Men Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Gay Old Men, especially related to Gay Old Men, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Gay Old Men, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Gay Old Men books or magazines might include. Look for these in online stores or libraries. Remember that while Gay Old Men, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can

borrow Gay Old Men eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Gay Old Men full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gay Old Men eBooks, including some popular titles.

## FAQs About Gay Old Men Books

**What is a Gay Old Men PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gay Old Men PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gay Old Men PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing

of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gay Old Men PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gay Old Men PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions.

Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
