Carnal Spellbound Gideon Elliot,2014-04 WARNING! This story contains Light Bondage, Hypnotism and Slavery. If these things offend you, DO NOT read. Otherwise, enjoy! Hypnotism and sex slavery. These are the unifying themes of the five stories in this compilation. Meet five men who become willing slaves, each to his own master, and how the masters introduce hypnotism to own their slaves. For some, hypnotism both excites and frightens them. The stories in this compilation include: Now The Half-life of Loss Then There Were None Repetitions Entirely Jason SAMPLE 1: Clay smiled and nodded. Take your shorts off, he said, and the briefs. Ben stood before him erect. It won't work if you're erect, he laughed, and gently began to rub Ben's cock until a frenzy of energy rippled through him and he came. Clay eased one testicle from inside Ben's scrotum through the circle of the cock ring and then helped the one behind it through too. No hard-on, he said, and licked Ben's cock so it was slippery enough to worm through into the circle. He had to be quick because it was beginning to stiffen again, anyhow. Once the ring was secured at its base, a tight cap around cock and balls, the cock stood hard as steel and sharp as a blade. SAMPLE 2: I want to fuck you, he whispered. I want you to fuck me, I answered. I'm going control of you, he said. I want to surrender to you, I said. You have no other choice, he said. I know, I said. On my knees, bowed low before him, very slowly and with great devotion I took his ankle in my palms, put my lips to his instep and began poring myself out to him. I tongued his foot and became hard like iron. A feeling of worshipfulness, of gratitude flooded through me, gratitude that he was there and allowing me to worship him.

Hypnotizing His Sissy Boy: The Complete Series James Hardick,2014-06-19 Hypnotizing His Sissy Boy: The Complete

Series is 20,100 words. Hypnotizing His Sissy Boy 1 Ben's roommate refuses to clean, and Ben has had enough. His parents are coming tomorrow and he needs to make sure everything is ready. Then he gets the idea that maybe he can control his roommate's mind and make him do all the cleaning. It's a silly idea, but he has to try something. When he finally gets control, though, he finds that his roommate is more arousing than he initially thought. He has to have him. Hypnotizing His Sissy Boy 2 Ben is worried that Carter is going to catch on as to what's going on, and needs for everyone to just forget. Unfortunately, the store he bought the original potion from is now non-existent. When Carter comes to, Ben has to take desperate measures to keep his sissy boy under control. He needs for Carter to continue pleasing him. Hypnotizing His Sissy Boy 3 Carter still doesn't know that Ben has been taking over his mind with the help of a potion, and turning him into his sissy boy. The two roommates go out to relax and get some beers. Ben figures it's a good backstory for Carter's oncoming blackout. This time he uses less potion, though, and the consequences are dire. Hypnotizing His Sissy Boy 4 The secret is out. Carter knows that Ben has been taking advantage of him, but he can't quite place how it's happening. Ben has to make up an excuse in hopes that Carter will buy it. Otherwise, he'll have to take over his mind again in hopes that it'll last a bit longer. Either way, he needs to keep Carter as his sissy boy. It's the only thing he desires. Hypnotizing His Sissy Boy 5 Ben needs to find a way to keep his sissy boy under his control. With all of the mind control potion gone, he makes one last ditch effort to see if there is anything left at the abandoned magic shop. He just has to hope that his sissy doesn't regain control, and that they don't get caught. Hypnotizing His Sissy Boy 6 In the final installment of the series, Ben has to give his sissy one last dose of the mind control potion to make it permanent, but Carter's friend is ruining everything. There's too much at stake, and if Ben is delayed any longer then Carter might regain control of his mind, which would spell disaster for Ben.

Dirty Poole Wakefield Poole,2000 From child prodigy to the most notorious director of gay adult films, Wakefield Poole wrote the rules for living on the edge with no safety limits and no apologies. How a former singer and ballet dancer went from Broadway to behind the camera as the world's most beautiful men bared all for him is just part of a fascinating story of the early days of the sexual revolution when 'anything goes' was more than a phrase, it was a religion. And while rubbing shoulders with Andy Warhol, Stephen Sondheim, and Bob Fosse, Poole created 'Boys in the Sand' - the gay porn film extraordinaire.

Mike Donner's How to be a Gay Porn Star Mike Donner,2008

Bigger Than Life Jeffrey Escoffier,2009-05-26 Hardcore porn -- both the straight and gay varieties -- entered mainstream American culture in the 1970s as the sexual revolution swept away many of the cultural inhibitions and legal restraints on explicit sexual expression. The first porn movie ever to be reviewed by *Variety*, the entertainment industry's leading trade journal, was Wakefield Poole's *Boys in the Sand* (1971), a sexually-explicit gay movie shot on Fire Island with a budget of 4000. Moviegoers, celebrities and critics -- both gay and straight -- flocked to see *Boys in the Sand* when it opened in mainstream movie theaters in New York, Los Angeles and San Francisco. Within a year, *Deep Throat*, a heterosexual hardcore feature opened to rave reviews and a huge box office -- exceeding that of many mainstream Hollywood features. Almost all of those involved in making commercial gay pornographic movies began as amateurs in a field that had virtually never existed before, either as art or commerce. Many of their underground predecessors had repeatedly suffered arrest and other forms of legal harassment. There was no developed gay market and any films made commercially were shown in adult x-rated theaters. After the Stonewall riots and the emergence of the gay liberation movement in 1969, a number of entrepreneurs began to make gay adult movies for the new mail order market. The gay porn film industry grew dramatically during the next thirty years and transformed the way men -- gay men in particular -- conceived of masculinity and their sexuality. *Bigger Than Life* tells that story.

Gay Pornography John Mercer,2017-03-30 Gay pornography, online and onscreen, is a controversial and significantly under-researched area of cultural production. In the first book of its kind, *Gay Pornography: Representations of Sexuality and Masculinity* explores the iconography, themes and ideals that the genre presents. Indeed, John Mercer argues that gay pornography cannot be regarded as one-dimensional, but that it offers its audience a vision of plural masculinities that are more nuanced and ambiguous than they might seem. Mercer examines how the internet has generated an exponential growth in the sheer volume and variety of this material, and facilitated far greater access to it. He uses both professional and amateur examples to explore how gay pornography has become part of a wider cultural context in which modern masculinities have become 'saturated' by their constantly evolving status and function in popular culture.

Bound by the Mechanic (Gay Pup Play Erotica) Archer Vale,2023-09-10 The mechanics have a secret hidden deep in the junkyard. I'll never tell anyone... I'm a private equity investor. I buy struggling companies and gut them. People think I'm evil, but it's just business. My latest employees refuse to be laid off though. Now I'm chained to a desk in a dark, lonely room. I struggle to remember what life was like before this. I've become a pet—a toy for the men I was supposed to fire. They've fastened a collar around my neck and named me "Shadow". They've trained me for obedience. With each passing day, it grows harder to remember my past. I'm sinking deep into this new life. I'm loyal now. I'm a good, obedient boy. The Occult Sylvia Plath Julia Gordon-Bramer, 2024-05-07 • Decodes the alchemical, Qabalistic, hermetic, spiritual, and Tarot-related references in many of Plath's poems • Based on more than 15 years of research, including analysis of Plath's unpublished personal writings from the Plath archives at Indiana University • Examines the influences of Plath's parents, her early interests in Hermeticism, and her and husband Ted Hughes's explorations in the supernatural and the occult Sharing her more than 15 years of compelling research—including analysis of Sylvia Plath's unpublished calendars, notebooks, scrapbooks, book annotations, and underlinings, as well as published memoirs, biographies, letters, journals, and interviews with Plath and her husband, friends, and family—Plath scholar Julia Gordon-Bramer reveals Sylvia Plath's enduring interest and active practice in mysticism and the occult from childhood until her tragic death in 1963. She examines Plath's early years growing up in a transcendentalist Unitarian church under a brilliant, if stern, Freemason father and a mother who wrote her master's dissertation on the famous alchemist Paracelsus. She reveals Plath's early knowledge of Hermeticism, how she devoured books on the occult throughout her life, and how, since adolescence, Plath regularly wrote of premonitory dreams. Examining Plath's tumultuous marriage with poet Ted Hughes, she looks at their explorations in the supernatural and Hughes's mentoring of Plath in meditation, crystal-gazing, astrology, Qabalah, Tarot, automatic writing, magical workings, and use of the Ouija board. She also reveals how, at the end of her marriage, Plath used her husband's hair and fingernails in rituals. Looking at Plath's writing and her evolution as a person through mystical, political, personal, and historical lenses, Gordon-Bramer shows how her poems take on radically new, surprising, and universal meanings—explaining why Hughes perpetually denied that Plath was “a confessional poet.” Contrasting the versions in *Letters Home* with those held in the Plath archives at Indiana University, the author also shows how all occult influences have been rigorously excised from the letters approved for publication by the Plath and Hughes Estate. Revealing significant, previously undiscovered meanings in Sylvia Plath's works, much broader than the narrow lens of her tragic autobiography, the author shows how Plath's writings are deeply rooted in her mystical and occult endeavors.

The School of Greatness Lewis Howes, 2015-10-27 When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the

better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In *The School of Greatness*, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, *The School of Greatness* gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

Yeah, I Said It Wanda Sykes, 2004-09-21 Wanda Sykes reduces people to tears -- tears of laughter. She's done so as a stand-up comic, a sitcom star, and a sports commentator for years now, and in the process she's gained a huge fan base nationwide. Now that she's conquered television, she's applying her genius to her first book, *Yeah, I Said It*. Here, Wanda presents hilarious and uncensored commentary on sex, family, politics, celebrities, and much more than she could ever say in a sound bite. But then again, she's a genius with a sound bite too. Here's what she says about men and football. I used to think that football took place in this overbearing male-only environment that bled masculine domination. But the more I attend, the more I realize these football fans could actually be experiencing the straight man's gay pride parade. You see men painting each other's faces in bright colors. You see men proud to wear another man's last name on their shirt. You see some men wear no shirt at all....Hot wieners on every corner as you walk up to the main competition. Men open the back of their trunks for a little tailgating. Here's what she says about women: Women are taking stripper classes in hopes their men will stop going to strip clubs....You can't compete with those strippers....You gotta have...the stripper mentality. In other words, the ability to lie like a dog for a measly buck. A stripper will tell your man anything for a dollar. 'Oow, I thought you were Brad Pitt.' An uproarious and irreverent collection from one of today's foremost comedic talents, *Yeah, I Said It* is Wanda Sykes at her uncensored best. Here, she channels her sharp wit into funny bits on the truth as she sees it from the halls of government in Washington, D.C., to the red carpets and boardrooms of Hollywood. Imbued with her razor-sharp voice, these essays showcase Sykes's sidesplitting candor and her trademark brand of comedy.

A Supposedly Fun Thing I'll Never Do Again David Foster Wallace,2009-11-23 These widely acclaimed essays from the author of *Infinite Jest* -- on television, tennis, cruise ships, and more -- established David Foster Wallace as one of the preeminent essayists of his generation. In this exuberantly praised book -- a collection of seven pieces on subjects ranging from television to tennis, from the Illinois State Fair to the films of David Lynch, from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruiseliner -- David Foster Wallace brings to nonfiction the same curiosity, hilarity, and exhilarating verbal facility that has delighted readers of his fiction, including the bestselling *Infinite Jest*.
