Eclectic Views on Gay Male Pornography Todd G. Morrison, 2004 Open any gay lifestyle magazine (even the serious ones) or go to any gay bar, and you're likely to encounter something related to pornography, be it an image of a porn superstar or advertisements for pornographic magazines, DVDs, calendars, etc. Given that it is an omnipresent feature of gay male culture, one might assume that gay pornography has received considerable attention from academics. Yet, surprisingly, even those with a professed interest in gay studies have neglected this medium. This book addresses that omission with a series of provocative essays devoted to the topic. Contributors from the fields of history, law, media studies, psychology, and more explore the complex world of male pornography and the various ways in which it permeates gay culture.

Finding Freddie Venus Neil S. Plakcy, 2018-05-08 Can an ex-porn star and his stalker find true love? Or will Aidan and Liam be forced to keep them apart to maintain their client's security? Newt Camilleri is a sad, overweight fifty-year-old who writes gay unicorn porn but has no romantic life. He has fled his dead-end job and old life to start again on the Riviera. A chance encounter with his porn idol turns him into a stalker. Former gay porn star Freddie Venus has survived an epic slide and now lives a solitary life in a restored farmhouse outside Nice. When he believes he is being stalked, he hires Aidan and Liam to protect him. But Newt isn't the only one looking for Freddie, and the tattooed ex-star's past is about to come back to haunt him. Will Aidan and Liam be able to save Freddie, and help him and Newt start a new story together?

Girls Who Like Boys Who Like Boys Lucy Neville, 2018-03-19 This book investigates what women enjoy about consuming, and in some cases producing, gay male erotic media—from slashfic, to pornographic texts, to visual pornography—and how this sits within their consumption of erotica and pornography more generally. In addition, it will examine how women's use of gay male erotic media fits in with their perceptions of gender and sexuality. By drawing on a piece of wide-scale mixed methods research that examines these motivations, an original and important volume is presented that serves to explore and contribute to this under-researched area.

Dirty Young Men, and Other Gay Stories Joseph Itiel, 2004 Israeli-born traveler Itiel tells stories based on his experiences as an older man finding younger men interested in him in such places as Toronto, Israel, Bangkok and Portugal.

Gay Pornography John Mercer, 2017-03-30 Gay pornography, online and onscreen, is a controversial and significantly

under-researched area of cultural production. In the first book of its kind, *Gay Pornography: Representations of Sexuality and Masculinity* explores the iconography, themes and ideals that the genre presents. Indeed, John Mercer argues that gay pornography cannot be regarded as one-dimensional, but that it offers its audience a vision of plural masculinities that are more nuanced and ambiguous than they might seem. Mercer examines how the internet has generated an exponential growth in the sheer volume and variety of this material, and facilitated far greater access to it. He uses both professional and amateur examples to explore how gay pornography has become part of a wider cultural context in which modern masculinities have become 'saturated' by their constantly evolving status and function in popular culture.
