Gays in Uniform Kate Dyer,1990 When two studies by a Pentagon research group found that there was no justification for keeping gay people out of the military, the generals deep-sixed the reports. Congressman Gerry S. Studds and his legislative assistant, Kate Dyer, acting on a tip, uncovered the documents and forced the Pentagon to release them. The complete reports are in this book. There reports contain a rigorous investigation of the homosexual's place in society and in the military. But they go beyond that. Young people just coming out, as well as their parents, will find that the reports provide a valuable and unbiased perspective on what it means to be a lesbian or gay man today.--Publisher's description.

**Uniform Fantasies** Jeffrey Schneider,2023-07-26 Starting in the nineteenth century in Germany, colourful military uniforms became a locus for various queer male fantasies, fostering an underground sexual economy of male prostitution as well as a political project to exploit the army's prestige for queer emancipation. In the first decade of the twentieth century, however, a series of scandals derailed this emancipatory project. Simultaneously, public debates began to invoke homosexuality, sadism, transvestism, and other sexological concepts to criticize military policies and practices. In pursuing the threads with which queer authors and activists stitched their fantasies about uniforms, Jeffrey Schneider offers fresh perspectives on key debates over military secrecy, disciplinary abuses in the army, and German militarism. Drawing on a vast trove of materials ranging from sexological case studies, trial transcripts, and parliamentary debates to queer activist tracts, autobiographies, and literary texts, *Uniform Fantasies* uncovers a particularly modern set of concerns about such topics as outing closeted homosexuals, the presence of gay men in the military, and whether men in uniform are more masculine or more insecure about their sexual identity.

*Being Gay and Lesbian in a Catholic High School* Michael Joseph S. Maher,2001 Recognize the homophobia and anti-gay violence in a respected institution! The only study of its kind, *Being Gay and Lesbian in a Catholic High School: Beyond the Uniform* offers compelling evidence to Catholic educators, clergy, and laypeople that their superb academic institutions are not fulfilling the clear mandate of the Church on inclusive loving behavior toward sexual minorities. Yet the facts presented in *Being Gay and Lesbian in a Catholic High School* prove that too often they encourage or allow stereotyping, homophobia, and anti-gay violence. The experiences recounted in this disturbing book range from feeling different and being pressured to date the opposite sex to suffering life-changing violence. Virtually all the students, even the most deeply closeted, felt the

negative effects of anti-gay jokes and verbal harassment. The most tragic experience in *Being Gay and Lesbian in a Catholic High School* is the story of a boy who was called Sodomy by his classmates. In his affluent suburban Catholic high school, he was routinely mocked, tormented, and physically assaulted--all with the knowledge of the teachers and administration. Driven to several suicide attempts, he was hospitalized for depression and finally dropped out. This powerful and moving book presents detailed information on the problem of homophobia in Catholic education, including: personal testimonies of gay and lesbian former Catholic high school students an original study of attitudes found among Catholic high school students on the topic of homosexuality an extensive summary of official Catholic teaching on homosexuality and homosexuals an analysis of the discrepancies between the prevailing attitudes and actions and the Church's official teaching solid theoretical background information on the psychology of gay teenagers discussions of experiences in same-sex, mixed-gender, and minor seminary high schools memories of sexual relationships with classmates and priests These painful tales from Catholic school alumni will disturb, enrage, and sadden you. With this poignant and insightful book, educators in public, private, and parochial schools can explore new ways to change anti-gay attitudes and prevent anti-gay violence.

*Gay Skins* Murray Healy, 1996 Inarticulate, aggro-loving and hard as fuck, the mythical figure of the skinhead has embodied fears and fantasies about straight, white working-class masculinity for nearly thirty years. Dressed in standard issue flying jacket, crotch-clutching Levis and shiny DM boots, he was destined for homoeroticism. Through accounts from straight skinhead subculture, contemporary news coverage, subcultural theories and the memories of gay skins in the 1960s, 1970s and 1980s, Healy puts the boot into those myths of masculinity and challenges assumptions about class, queerness and real men. Tracing the historical development of the gay skin from 1968, he assesses what gay men have done to the hardest cult of them all -- and how it has transformed the gay scene.

*Men in Uniform* Romeo Alexander, 2019-05-27 Aside from dealing with the occasional wayward donkey or lawn-mowing dispute, being a policeman in Higbee, Maine had never been very exciting. Still, Simon was content with his simple life, close to his family and the good people he wanted to protect. His sister could tease him about his humdrum ways, but Simon felt his life was pretty much where it should be. That is, until the skies chose his small town as the scene for the most extraordinary show of northern lights in the country for decades. It brought hundreds of tourists and parking infractions to Higbee. But most of all, it brought Elijah. Blazing beams of light, the deafening rumble of a gigantic machine... Elijah was sure twenty years ago, he had witnessed the abduction of his parents by a UFO, and it had happened here, in this town lost in the middle of the pines. Others may call him crazy, that great bully of a policeman with the impossibly sexy eyes may intimidate him all he wanted, but Elijah wouldn't let anything get in his way of solving the mystery of a lifetime. Subzero temperatures and sizzling, reluctant attraction brings these two together as Simon, the ever clear-headed and responsible officer, gets sucked into outlandish fantasies. Full of aliens and intergalactic adventures, Elijah's world is more thrilling than

anything he has ever known, but as he weasels his way into his heart, Simon fears he may lose him in his starry-eyed dreams of outer space forever.

*In Full Uniform* Bo Starsky,2021-06-01 Four tales about falling for a man in uniform. Huan is a hopeless romantic living in Seattle. Arthur's a soldier shipping out to Iraq. Something sparks when their paths cross... Being a British police officer is all Eli's ever known, then he meets Gloria Hole, a drag queen who's an expert at turning heads and causing trouble... There's not much night life in Ezra's quaint hometown, there is the prim bookstore owner Vincent, who Ezra's determined to woo with book titles... It's 1976 and Dov indulges once a year behind a gay bar across town. Then Detective Charles Blasted Coleman catches him in the act... For four men and the men in uniform with whom they fall in love, what may seem the end of everything, turns out to be only the beginning.

**Caribbean Pleasure Industry** Mark Padilla,2008-11-15 In recent years, the economy of the Caribbean has become almost completely dependent on international tourism. And today one of the chief ways that foreign visitors there seek pleasure is through prostitution. While much has been written on the female sex workers who service these tourists, Caribbean Pleasure Industry shifts the focus onto the men. Drawing on his groundbreaking ethnographic research in the Dominican Republic, Mark Padilla discovers a complex world where the global political and economic impact of tourism has led to shifting sexual identities, growing economic pressures, and new challenges for HIV prevention. In fluid prose, Padilla analyzes men who have sex with male tourists, yet identify themselves as “normal” heterosexual men and struggle to maintain this status within their relationships with wives and girlfriends. Padilla’s exceptional ability to describe the experiences of these men will interest anthropologists, but his examination of bisexuality and tourism as much-neglected factors in the HIV/AIDS epidemic makes this book essential to anyone concerned with health and sexuality in the Caribbean or beyond.

**Religion in Uniform** Edward Waggoner,2019-10-03 The first scholarly evaluation of the contemporary US military chaplain corps, and the first to offer not only political and military but also theological analysis, Religion in Uniform shows why the military’s chaplaincy is a failing public project, and what Americans can do about it.

Forbidden in Uniform Box Set W.S. Long,2019-03-06 Two of W.S. Long’s best-selling gay romance stories are now available in a box set! Fall in love with Pad and RJ’s love story. Contains the stories: Ask and I’ll Tell: Raised by his aunt, after his mother died, Pad McLaughlin enlisted in the Air Force to see the world, and save money for college, but he didn’t expect to fall in love with his supervisor, RJ Davis, a handsome, dashing officer. Rather than return home right away after his tour of duty in Saudi Arabia, Pad gambles on love by joining RJ in Bangkok, despite the government’s policy of “Don’t Ask, Don’t

Tell.” When Pad realizes RJ doesn’t love him, he returns home broken-hearted only to be distracted by Wayne, another hunky airman, who keeps secrets from Pad. When RJ finally realizes after Pad’s gone what Pad means to him, is he too late? Will Pad choose the officer or the airman? Set in 2008, this love story takes place before the end of “Don’t Ask, Don’t Tell,” when gay men who loved each other were forced to remain in the closet and deny themselves happiness. Splendidly Ever After: Seven years after they meet, and more than four years since RJ initially proposes, RJ and Pad are back. The wedding invitations have been sent again and the date is set. This time, both men are more committed than ever to each other and willing to make their relationship work. But old issues surface that cause conflict before their big day. Will RJ’s recent diagnosis of sexual addiction disorder tear them apart? Can they weather the growing disapproval from their families over same-sex marriage before they walk down the aisle? Will RJ and Pad finally tie the knot?
