He is aware of his affiliation with both Teague and Chris, and Chris is also aware of this fact. However, they will have to employ a certain form of enchantment to persuade the asexual gargoyle that there are aspects of love beyond sexual desire. The anticipated journey, characterized by brief and uncomfortable conversation, takes an unexpected turn as the aircraft experiences engine failure, necessitating an emergency landing in a remote location. Following a series of unfortunate circumstances, we are compelled to cohabit at a bed and breakfast-establishment with only a single bed. Confined within a room with someone whom I have concealed my emotions from for an extended period... What is the most catastrophic outcome that could occur? Reluctant Mate: Gay Werewolf Romance Eden Cole, When Gray's father informs him he needs to take a mate, he has no problem with it. He'd been thinking it was time to find a permanent partner. An alliance with one of the most influential wolf shifter families in New Orleans was a good move to protect his people, and would help keep their existence secret from the human world. When his father told him he would have to mate with the head of the Cain family, Gray drew the line. He would not under any circumstances mate with a man! gay romance, lgbt, m/m, werewolf romance, shifter romance

Mated to the Alpha [Full Collection] Rosa Swann,Wolf Specter, There are normal random life events, like falling in love with a stranger, and then there is "having your first gay experience with an (admittedly very sexy) Alpha werewolf and ending up pregnant" kind of random. Ethan feels like he is a plain guy, until he is hired to entertain the werewolves during the annual Mating Ball. He goes in expecting to have a good night and make some extra money on the side. What he doesn't expect is for one of the Alpha wolves to show an interest in him. Max, a successful entrepreneur and one of the top Alpha's in

the city, has been getting pressure from all sides to find a mate, settle down and prove his Alpha genes. Only, he has no interest in doing any of those things, until he meets Ethan. He wants nothing else than to take Ethan as his mate, even if the man insists that he is straight. After a whirlwind night, Ethan wakes up pregnant. Something neither of them realised was possible. Now the two men need to navigate the next steps of their relationship, living together, getting married and all the while trying to keep the pregnancy out of the media. It isn't easy, not on either of them, but they are hellbent on making it work, for the baby, for their families and for each other. Mated to the Alpha takes place in a paranormal Omegaverse world where shifters and humans live side by side. This serial has mpreg (male-pregnancy), steamy scenes and cliffhangers. This collection consists of the FULL Mated to the Alpha serial, this includes: Omega's Fate, Omega's Home, Omega's Pack, Omega's Bond, Omega's Love, Omega's Wedding, Omega's Baby and Omega's Future. All eight books in one handy collection!

The Gay Guy's Guide to Werewolves and Other Man Beasts: Mel Mystery, 2016-05-08 This is a book about werewolves and other shapeshifters written from the perspective of a gay, Pagan male. This first book in an anticipated trilogy of gay werewolf books starts with an overview of werewolf lore and then traces the histories, folklore, and mythologies of werewolves and shapeshifters through a number of cultures. Wherever possible links between werewolves and homosexuality are made. Themes include gender variant deities and heroes with wolf/werewolf associations; homosexual initiations and shapeshifting practices among ancient all-male warrior bands; gender-shifting shapeshifters; shamans who changed both shape and gender; animal-human hybrids; and related gay and bi positive myths. While most of the book focuses on male werewolves, information related to lesbians and transgender folks are scattered throughout the book. Additional chapters are devoted to she-wolves, gender-shifting, human-animal hybrids, werebears and bear worship, other were-creatures, and even Christian werewolves.

Scent Of A Werewolf (Gay Werewolf Romance) Crystal Summers, A New Gay Werewolf Romance Story That'll Set You On Fire! Justin has just started his second year of law school and he's already sick and tired of it. To make things worse,

he's just broken up with his first boyfriend, Asher. Nothing seems to be going right for him until he meets Nathan, a tall, handsome, surfer type in a lecture. They become fast friends but Nathan appears to be straight. Justin suspects something is up but Nathan's sexuality might not be the only thing that he's hiding... Estimated Length: 4,300 words Warning: Contains gay sex between a man and a wolf shapeshifter. Adults only. Excerpt: Nothing could possibly have prepared him for what he saw next. Lying face down, occupying almost the entire bathtub was an enormous creature, someone...something that looked like a cross between a human being and an animal. Justin was frightened, even slightly fearful for his own safety but he instinctively realised that it was Nathan in the bathtub. "Nathan, is that you?" he asked, his voice quivering. A tired groan came from the bathtub. Throwing all caution to the wind, Justin walked over tentatively towards the creature. Inside, he was a bundle of nerves but he had to make sure Nathan was OK. Kneeling by the bathtub, he placed a hand on the hirsute back. It barely stirred. Justin's thoughts went back to his childhood, when his father would tell him horror stories about werewolves and vampires. Was Nathan a lycanthrope? A loud growl snapped him from his thoughts as the creature sprang to life, the powerful force of its actions startling Justin so much he fell backwards onto the floor. As it stood erect in the tub, Justin could finally see just how large it was. It definitely looked like a werewolf, or at least it resembled what Justin had always imagined what a werewolf would look like. It was about the height of a tall man but the body was freakishly muscular. Steroid muscular. Even with all the hair covering the body, Justin could notice just how sinewy the creature was. "Aaaargggh," it shouted out, turning its head to look at Justin, "told...told you to go away." It was definitely Nathan, even though his voice had been completely distorted. He buried his oversized, hand-like paws in his face, muffling a pained howl. "I...I won't be able to control myself," he grunted, "you've got to leave immediately." Down on the floor, Justin was tongue-tied. He had absolutely no idea how to react, at once frightened and repulsed by what he was seeing and yet, at the same time, filled with concern for the person inside the creature.
