**Mai** Geetanjali Shree ,2017 Behind the walls of a house in a North Indian town a whole world thrives—of the joint family, their attendants, their visitors. Three generations of women and their men live different strategies of adjustment and achievement to accommodate or challenge patriarchy. They seem to fit in recognised frames, but what are the subtle machinations behind the apparent stereotypes? It is that which the novel uncovers, in a tale told in deceptively simple terms, using smells, sounds, tastes and flavours, scenes and tiny signs, and incidents of a daily and ordinary existence to build, weave by weave, a rich and layered tapestry, saying always more than is apparent. At the centre is Mai, the mother, seemingly weak and silent, but it is she who holds together the subtle patterns of relationships and agencies, and quietly carves out a life for herself as also for those around. Her New Age children are obsessed with rescuing her from the ‘prison’ and escaping themselves; but as the story unfolds, any simplistic notion of bondage and freedom goes for a toss. Profound stories of love and loss are lightly delivered. Mai was her debut novel which was translated into English by Nita Kumar. This translation received the Sahitya Akademi award and also was shortlisted for the Crossword Book Award in 2001.

**The Roof Beneath Their Feet** Geetanjali Shree,2023-05-29 In this beautifully crafted novel, roofs have a special place; they are meant for wild things, for romance and for play, they are places to dry pickles and grains while exchanging gossip about quiet caresses. But above all, they are realms of freedom. In *The Roof Beneath their Feet*, Chachcho and Lalna use their roofs to build a friendship that transcends time and memory. Suddenly one day, Lalna has to leave, to return only after Chachcho's passing. Amidst rumors and gossip in the neighborhood, Chachcho's nephew tries to piece together his memories of the two women, one of whom is his mother. The truth he is searching for could destroy him forever, but to not find out is no longer an option. A story of twists and turns, *The Roof Beneath Their Feet*, translated from the original Hindi by Rahul Soni, is easily one of the best contemporary novels you have read in a long time.

*Geetanjali* Jagdish Prasad Mandal,

*Tomb of Sand* Geetanjali Shree, 2023-01-31 WINNER OF THE 2022 INTERNATIONAL BOOKER PRIZE A playful, feminist, and utterly original epic set in contemporary northern India, about a family and the inimitable octogenarian matriarch at its heart. "A tale tells itself. It can be complete, but also incomplete, the way all tales are. This particular tale has a border and women who come and go as they please. Once you've got women and a border, a story can write itself . . ." Eighty-year-old Ma slips into a deep depression after the death of her husband. Despite her family's cajoling, she refuses to leave her bed. Her responsible eldest son, Bade, and dutiful, Reebok-sporting daughter-in-law, Bahu, attend to Ma's every need, while her favorite grandson, the cheerful and gregarious Sid, tries to lift her spirits with his guitar. But it is only after Sid's younger brother—Serious Son, a young man pathologically incapable of laughing—brings his grandmother a sparkling golden cane covered with butterflies that things begin to change. With a new lease on life thanks to the cane's seemingly magical powers, Ma gets out of bed and embarks on a series of adventures that baffle even her unconventional feminist daughter, Beti. She ditches her cumbersome saris, develops a close friendship with a hijra, and sets off on a fateful journey that will turn the family's understanding of themselves upside down. Rich with fantastical elements, folklore, and exuberant wordplay, Geetanjali Shree's magnificent novel explores timely and timeless topics, including Buddhism, global warming, feminism, Partition, gender binary, transcending borders, and the profound joys of life. Elegant, heartbreaking, and funny, it is a literary masterpiece that marks the American debut of an extraordinary writer. Translated from the Hindi by Daisy Rockwell

Indian Feminisms Geetanjali Gangoli, 2016-05-23 Contributing to debates on feminism, this book considers the impact made by feminists in India from the 1970s. Geetanjali Gangoli analyses feminist campaigns on issues of violence and women's rights, and debates on ways in which feminist legal debates may be limiting for women and based on exclusionary concepts such as citizenship. She addresses campaigns ranging from domestic violence, rape, pornography and son preference and sets them within a wider analysis of the position of women within the Indian state. The strengths and limitations of law reform for women are addressed as well as whether legal feminisms relating to law and women's legal rights are effective in the Indian context. The question of whether legal campaigns can make positive changes in women's lives or whether they further legitimize oppressive state patriarchies is considered. The recasting of caste and community identities is also assessed, as well as the rise of Hindu fundamentalism and the ways in which feminists in India have combated and confronted these challenges. Indian Feminisms will interest researchers and students in the areas of feminism, law, women's

movements and social movements in India, and South Asia more generally.

**The Swami** Ashish Chand, 2018-08-16 Man's journey from peak to valley is always painful. The reason is either ignorance or carelessness. Ignorance can be wiped out by self-help. Carelessness leaves one with few antidotes. Swami Chidananda lived to witness India's journey from a golden era to widespread poverty. He waited silently to find the answer. This book is the story of Swami Chidananda's tremendous silence. The Swami works smoothly yet vigorously on compelling Indian thought. "We have to find that ever-existing media in which each pilgrim discovers his definition of Truth. We must single out that exact medium in which the practicality of the subject of Spirit is understandable to the ardent pilgrim." The Swami is the story of a few who, while continuing in their individual journeys, were driven to look into such a perennial dictum. Genuine questioning only de-questioned them. Now the answers were not needed...even the questions were not there...
