

Gene Tierney Daughter Daria

Wheeler Winston Dixon, Gwendolyn Audrey Foster

Self-portrait Gene Tierney, Mickey Herskowitz, 1979 'I had no trouble playing any kind of a role, ' Gene Tierney writes. 'My problems began when I had to be myself.' In Hollywood's golden age, everyone knew the starring roles Miss Tierney played in her 36 films: the unwashed Ellie May in 'Tobacco Road, ' the demure Martha in 'Heaven can Wait;' her appearances opposite Clark Gable, Tyrone Power, Rex Harrison, Humphrey Bogart, Henry Fonda, and, best remembered of all, as the haunting -- murdered? -- beauty of the portrait painting in 'Laura, ' one of the most televised films ever. Her rollercoaster marriage to fashion designer Oleg Cassini and her globe-trotting affair with Prince Aly Khan were public property. Word of her dates with billionaire Howard Hughes and a lighthearted ex - naval officer named Jack Kennedy circulated over the years. But the inside story of her greatest, most heart-wrenching role -- herself -- has never been told until right now. Outwardly living every woman's fantasies, she became an emotional invalid. Her marriage collapsed. Her romances failed. Her father became a cruel disappointment. Her first daughter was born deaf, blind, hopelessly retarded, At the crest of her career, Gene Tierney attempted suicide, suffered a nervous breakdown, and spent the next seven years in and out of sanatoriums. With candor, humor, and sometimes with anger, but never with self-pity or self-indulgence, she tells of her meteoric career, her long, slow, uneven recovery from 'the black tunnel of mental illness'; the struggles with her doctors, her treatments, her escape from confinement, her depressions, her mad impulses, herself, always herself ... and finally on to a happy remarriage and tranquillity.

Gene Tierney Michelle Vogel, 2010-03-22 Called the most beautiful woman in movie history, Gene Tierney starred in such 1940s classics as Laura, Leave Her to Heaven and The Ghost and Mrs. Muir. Her on-screen presence and ability to transform into a variety of characters made her a film legend. Her personal life was a whirlwind of romance (she married a count, was engaged to a prince, and was courted by a future president) and tragedy (her first daughter was born with severe retardation and Tierney herself struggled with mental illness). After years of treatment, including electroshock therapy that erased portions of her life from her memory, she triumphantly returned in one of the biggest comebacks in Hollywood history. This first complete biography since the actress's death includes a foreword by her daughter, Christina Cassini, an extensive filmography, and many rare photographs.

Famous Doctors and Famous Patients Diane Cheney, 2024-02-01 Famous Doctors and Famous Patients: Lives in

Jeopardy? examines well-known doctors who treated celebrities and describes the successes and failures of patients' treatments. Featuring well-known public figures such as Humphrey Bogart, John Wayne, Marilyn Monroe, Frank Sinatra, Truman Capote, Cecil B. DeMille, John and Jacqueline Kennedy, Elizabeth Taylor, Billy Wilder, Tennessee Williams, Dan Aykroyd, Johnny Depp, Cary Grant, and Susan Sarandon—descriptions of each patient show the impact of treatment on patients' lives, for better or worse. Often the mind-altering chemicals that promised patients' relief imposed problems instead. In documenting and consolidating prominent historical medical case studies, Famous Doctors and Famous Patients enables readers to make better choices for their own medical care.

Gene Tierney Will Scheibel,2022-09-12 Film studies scholars, film students, and those interested in Hollywood history and the legacy of Gene Tierney will be delighted by this read.

True Crime Parallels to the Mysteries of Agatha Christie Anne Powers,2020-02-19 Outsold only by the Bible and Shakespeare, the works of Agatha Christie stand as some of the most celebrated crime fiction of our era. This book takes ten of her most famous works and shows their relationship to ten of crime history's most famous and sensational cases--cases whose notoriety still resounds to this day. Addressing both novels and short stories, the author illuminates the relationship between Christie's Murder on the Orient Express and the sensational Lindbergh Kidnapping Case of 1932; the connections between Christie's Mrs. McGinty's Dead and the horrific true case of England's most loathed wife-killer, the American Dr. Hawley Harvey Crippen--and eight more engrossing pairings of Christie's ingenious mystery puzzles with vintage true crime's most sensational events.

Killing John Wayne Ryan Uytdeylligen,2021-10-01 Behold the history of a film so scandalous, so outrageous, so explosive it disappeared from print for over a quarter century! A film so dangerous, half its cast and crew met their demise bringing eccentric billionaire Howard Hughes' final cinematic vision to life! Starring All-American legend John Wayne in full Fu Manchu make-up as Mongol madman Genghis Khan! Featuring sultry seductress Susan Hayward as his lover! This is the true story of The Conqueror (1956), the worst movie ever made. Filmed during the dark underbelly of the 1950s—the Cold War—when nuclear testing in desolate southwestern landscapes was a must for survival, the very same landscapes were where exotic stories set in faraway lands could be made. Just 153 miles from the St. George, Utah, set, nuclear bombs were detonated regularly at Yucca Flat and Frenchman Flat in Nevada, providing a bizarre and possibly deadly background to an already surreal moment in cinema history. This book tells the full story of the making of The Conqueror, its ignominious aftermath, and the radiation induced cancer that may have killed John Wayne and many others.

Prologue ,1996

The Leaving Tara Altebrando,2016-06-08 Eleven years ago, six five-year-olds went missing without a trace. After all this time, the people left behind have moved on, or tried to. Until today. Now five of those kids are back. They're sixteen, and they

are ... fine. Scarlett comes home and finds a mother she barely recognises, and doesn't really know who she's supposed to be, either. But she remembers Lucas. Lucas remembers Scarlett, too, but they can't recall where they've been or what happened to them. Neither of them remember the sixth victim, Max. He doesn't come back and everyone wants answers. Addictive and unforgettable, *The Leaving* seethes with rich characters, tense storytelling and high stakes.

The Hollywood Canteen Lisa Mitchell, Bruce Torrence, 2012-06 Inspired by the Stage Door Canteen in New York, Bette Davis and John Garfield saw the need of a similar enterprise on the West Coast. From 1942 to 1945, over three million servicemen came through its doors on their way to fight in the Pacific--some never to return. There, in a converted barn in the heart of Hollywood, soldiers were fed, entertained by and danced with some of the biggest stars in the world ... Knowing they were so appreciated, the soldiers were armed with the kinds of hope and encouragement that would help them win a war.--from the back cover.

Vivien Leigh Kendra Bean, 2013-10-15 Vivien Leigh's mystique was a combination of staggering beauty, glamour, romance, and genuine talent displayed in her Oscar-winning performances in *Gone With the Wind* and *A Streetcar Named Desire*. For more than thirty years, her name alone sold out theaters and cinemas the world over, and she inspired many of the greatest visionaries of her time: Laurence Olivier loved her; Winston Churchill praised her; Christian Dior dressed her. Through both an in-depth narrative and a stunning array of photos, *Vivien Leigh: An Intimate Portrait* presents the personal story of one of the most celebrated women of the twentieth century, an engrossing tale of success, struggles, and triumphs. It chronicles Leigh's journey from her birth in India to prominence in British film, winning the most-coveted role in Hollywood history, her celebrated love affair with Laurence Olivier, through to her untimely death at age fifty-three in 1967. Author Kendra Bean is the first Vivien Leigh biographer to delve into the Laurence Olivier Archives, where an invaluable collection of personal letters and documents ranging from interview transcripts to film contracts to medical records shed new insight on Leigh's story. Illustrated by hundreds of rare and never-before-published images, including those by Leigh's official photographer, Angus McBean, *Vivien Leigh: An Intimate Portrait* is the first illustrated biography to closely examine the fascinating, troubled, and often misunderstood life of Vivien Leigh: the woman, the actress, the legend.

The Mirror Crack'd from Side to Side Agatha Christie, 2006-03 Realizing that she is too old to travel, Miss Jane Marple decides she is through with crime detection, but a murder that happens almost on her doorstep changes her mind.

Whatever Became Of-- ? Richard Lamparski, 1982

Sex and Film B. Forshaw, 2015-02-27 *Sex and Film* is a frank, comprehensive analysis of the cinema's love affair with the erotic. Forshaw's lively study moves from the sexual abandon of the 1930s to filmmakers' circumvention of censorship, the demolition of taboos by arthouse directors and pornographic films, and an examination of how explicit imagery invaded modern mainstream cinema.

A Thousand Days of Magic Oleg Cassini,1995 Memoir of Cassini's role as Jackie Kennedy's personal couturiere.

Mother of Eden Chris Beckett,2015-06-04 *Mother of Eden* has been shortlisted for the British Science Fiction Association Novel of the Year Award, 2015. ' We speak of a mother's love, but we forget her power. Power over life. Power to give and to withhold.' Generations after the breakup of the human family of Eden, the Johnfolk emphasise knowledge and innovation, the Davidfolk tradition and cohesion. But both have built hierarchical societies sustained by violence and dominated by men - and both claim to be the favoured children of a long-dead woman from Earth that all Eden knows as Gela, the mother of them all. When Starlight Brooking meets a handsome and powerful man from across Worldpool, she believes he will offer an outlet for her ambition and energy. But she has no idea that she will be a stand-in for Gela herself, and wear Gela's ring on her own finger. And she has no idea of the enemies she will make, no inkling that a time will come when she, like John Redlantern, will choose to kill...

[The New York Times Biographical Service](#) ,1995-07 A compilation of current biographical information of general interest.

John F. Kennedy's Women: The Story of a Sexual Obsession Michael O'Brien,2011-12-16 After an initial honeymoon with historians, in recent years John F. Kennedy has been more carefully scrutinized. Michael O'Brien, who knows as much about Kennedy as any historian now writing, here takes a comprehensive look at the feature of Camelot that remained largely under the radar during the White House years: Kennedy's womanizing. Indeed, O'Brien writes, Kennedy's approach to women and sex was near pathological, beyond the farthest reaches of the media's imagination at the time. The record makes for an astonishing piece of presidential history.

Trial and Heirs Andrew W. Mayoras,Danielle B. Mayoras,2012-11-01 NEWLY UPDATED 2ND EDITION! The highly-publicized estate battles of celebrities cast a bright spotlight on the importance of having the proper estate planning. You'll have a front row seat in the courtroom while *Trial and Heirs: Famous Fortune Fights!* replays the tabloid drama and points out what went wrong in these riveting cases. Legacy Expert Attorneys Andrew W. Mayoras and Danielle B. Mayoras are your guides - with research and court records in one hand, and juicy celebrity stories in the other. These include Michael Jackson, Whitney Houston, Princess Di, Anna Nicole Smith, Heath Ledger, Ray Charles, Jimi Hendrix, Frank Sinatra, Martin Luther King Jr., Brooke Astor, Rosa Parks... and many others! This easy-to-follow guide is complete with Tips to Avoid a Family Fight and Ideas to Spark Family Discussion. The tips alone could save you thousands (or more!) in legal fees. Discover how to steer clear of the same celebrity estate errors as you protect yourself and your heirs.

Frances Farmer Peter Shelley,2014-01-10 Previous biographies of American actress Frances Farmer (1913-1970) have downplayed her professional achievements to emphasize her turbulent personal life, including several police arrests and repeated confinements in a state mental hospital. By focusing upon her acting career, this book endeavors to restore her position as a significant Hollywood player of the 1930s, '40s and '50s. An analysis of her film, radio and television work is

offered, as well as assessments of the three Frances Farmer biopics and the documentaries in which she is featured. Each of her 16 films receives a chapter-length discussion. A very lengthy biographical chapter is included.

A Short History of Film, Third Edition Wheeler Winston Dixon, Gwendolyn Audrey Foster, 2018-03-30 With more than 250 images, new information on international cinema—especially Polish, Chinese, Russian, Canadian, and Iranian filmmakers—an expanded section on African-American filmmakers, updated discussions of new works by major American directors, and a new section on the rise of comic book movies and computer generated special effects, this is the most up to date resource for film history courses in the twenty-first century.
