From Adam to Noah-The Numbers Game Leonard Timmons,2012-01-05 The genealogy of Adam in Genesis Chapter 5 is a number puzzle that encodes a fully functional calendar! From Adam to Noah-The Numbers Game shows you precisely how the Bible writers encoded a calendar into the ages of Adam and his children in Genesis 5. It then goes on to show how the Bible writers designed their calendar puzzle so that anyone who managed to solve it would be certain they had the correct solution. Proof of a highly accurate calendar encoded within the numbers of Genesis 5 is a revolution in our understanding of Genesis. It allows us to dramatically revise our understanding of the entire Bible.To truly understand why a calendar puzzle exists within the Bible, we have to explore the reasons why someone several thousand years ago would enshrine a calendar in such an ingenious puzzle. That exploration leads to new and insightful interpretations of each of the stories in Genesis 1 to 11: The creation, Adam and Eve, Abel and Cain, Noah's ark, the story of Noah and his wife, and Tower of Babel story.Most of us have been taught that the Bible was written to be understood. The existence of the calendar puzzle forces us to recognize that those who wrote the Bible hid things there that they did not want everyone to understand. They hid a world view that they never state explicitly. We will find that this philosophy inspired them to create the calendar puzzle, and that the way they viewed the world is more important and more fascinating than the calendar itself.In this book you will experience what it is like to discover something very new hidden within something very old. You'll discover that this new thing was ancient knowledge when the Bible was written. Remember the story of the pearl of great price? A merchant, upon finding a pearl of great value, sold everything he had and bought it. The calendar in Genesis is such a pearl. If you're looking, don't miss this chance to own one.

From Adam to Noah Patricia Casenia Wells, 1st,2018-09-16 The narrative of the genealogy based on the Bible, from Adam to Noah's sons.

A Commentary on the Book of Genesis Umberto Cassuto,1961 This is the first in a series of comprehensive commentaries on the Book of Genesis that the late Professor Umberto Cassuto had planned as part of a magnum opus embracing the whole Pentateuch and also the Book of Psalms. The aim of this commentary is to explain, with the help of an historico-philological method of interpretation, the simple meaning of the Biblical text, and to arrive, as nearly as possible, at the sense that the words of the Torah were intended to have for the reader at the time they were written.

Coming to Grips With Genesis Dr. Terry Mortenson, Thane Ury, 2008-10-01 Fourteen theological scholars address key topics related to the age of the earth, which is the crucial issue of debate in the church today regarding origins. Bringing to bear rigorous biblical, theological, and historical arguments in favor of a six-day creation, the global Flood, and a young earth, they also provide much-needed critiques of a number of contemporary old-earth interpretations of the book of Genesis. This fresh defense of the literal history of Genesis 1-11 nicely complements other studies which focus more on the scientific evidence of young-earth creationism. As such, this book can serve as a versatile supplement to other works, but is also designed to be used as a standalone text for seminary and Bible college professors and students, pastors, missionaries, and others who want in-depth apologetic resources. *Coming to Grips with Genesis: Biblical Authority and the Age of the Earth* includes: Forewords by Dr. John MacArthur, President of the Master's Seminary and Senior Pastor of Grace Community Church, Sun Valley, CA; and the late Dr. Henry Morris, Founder and President Emeritus, Institute for Creation Research. Detailed analysis of the verbs of Genesis 1 A defense of the Genesis 5 & 11 genealogies as strict chronologies Reasons for rejecting millions of years of death and natural evil before Adam's sin Careful reflection on Jesus' teachings regarding a young earth

The Conflict of Adam and Eve with Satan Michael Gore,2014-03-31 The Conflict of Adam and Eve with Satan also known as “The First & Second book of Adam and Eve”, is broken up into two parts or books: Books 1 and 2 begin immediately after the expulsion by God our Father from the Garden of Eden, and ending with the testament and translation of Enoch. Great emphasis is placed in Book 1 on Adam's sorrow and helplessness in the world outside the garden. In Book 2, the sons of God who appear in Genesis 6:2 are identified as the children of Seth, and the daughters of men as women descended from Cain, who successfully tempt most of the Sethites to come down from their mountain and join the Cainites in the valley below, under the instigation of Genun, son of Lamech. This Genun, as the inventor of musical instruments, seems to correspond to the Biblical Jubal; however he also invents weapons of war. The Cainites, descended from Cain the first murderer, are described as exceedingly wicked, being prone to commit murder and incest. After seducing the Sethites, their offspring become or join with the Nephilim, the mighty men of Genesis. 6 who are all destroyed in the deluge of the Great flood of Noah, as also detailed in other works such as I Enoch and Jubilees. The Nephilim were the offspring of the sons of God and the daughters of men according to Genesis 6:4; and giants who inhabited Canaan according to Numbers 13:33. The term Nephilim occurs only twice in The Holy Bible, both in the Torah. The first is Genesis 6:1-4, and immediately before the story of Noah's ark. The second is Numbers 13:32-33, where the Twelve Spies report that they have seen fearsome man like giants in the lands of Canaan. The genealogy from Adam to Noah's sons is given, as in the Gospels, but including also the names of the wives of each of Jesus' ancestors, which is extremely rare. In general, this account begins where the Genesis story of Adam and Eve leaves off. Therefore the two cannot be compared; here we have a new chapter--a sort of sequel to the other. Here is the story of the twin sisters of Cain and Abel, and it is notable that here the blame for the first murder is placed squarely at the door of a difference over Woman. However perhaps the greatest evidence of Devine authenticity of this great “copy” correctly tells us of the number of days in a Solar Year, and that the earth was not flat but round, also that the earth is not the centre of the universe and the sun is the centre and all planets revolve around it... This “Copy” also details the number of planets and states that we have ten planets not nine as we teach today. However in 2005 a new planet was discovered in our Solar System named “Eris” which was discovered by the team of Mike Brown, Chad Trujillo, and David Rabinowitz on January 5, 2005, from images taken on October 21, 2003. These facts puts “The Conflict of Adam and Eve with Satan” un-deniable Holy Spiritual Devine Scripture and should be included in every Holy Bible translation in future times.

The Adam Connection Rob Faw,2017-10-04 Could we all be related? It was a question author Rob Faw began pondering as he learned more about his own family ancestry through research. Could there be a connection from Adam to Queen Elizabeth II? The answer from Rob is yes and is explored in detail through his historical narrative, The Adam Connection: One Family Under God. Rob began a cultural, scientific and religious study into this belief of our shared connections to Adam, using the philosophy of pragmatism to prove the existence of God and accuracy of the Bible, while

legitimizing his Humankind Connection Theory. The study begins in Genesis with Adam's creation from God, moving forward to present an ancient and medieval timeline charting connections made from Adam to Noah to bloodline monarchies shaped by family infighting and concluding with Queen Elizabeth II. Rob hopes readers see God's eternal love story emerge through this interconnected study.

The Doorway Papers Arthur C. Custance,1957

Adam R. C. Besteder,2013-07-05 As described in the Bible, Adam is the biological father of all humanity. In Adam, author Dr. R. C. Besteder studies the behavior of this first human being on earth, created by God as a perfect being. Besteder provides a comprehensive look into his life, the ways that his creation relates to modern society, and the messages his life communicates for humans today. This study bridges a gap between nations and religions through Adam and shows how his existence touches every aspect of our lives. Through biblical references and Scripture, Besteder uses the life of Adam as a basis of education for topics relevant for contemporary living, such as racism, marriage, sexuality, faith, and capital punishment. Besteder shows how our knowledge of Adam gives every individual dignity, significance, and purpose. It helps us to understand why each of us has tremendous potential, and it gives us hope, a desire to take care of our planet, and a reason to be at peace with all the people of our world.

ADAM, THE FIRST MAN, AND NOAH, GOD'S FAVOURITE GODSWORD GODSWILL ONU,2015-03-13 When God formed Adam, He had great plans for him, and He also put him in good and comfortable place and conditions. God also gave him a helper comparable to him (a help meet for him) - Eve. God gave man a position that angels did not occupy. However, the man, being persuaded by his wife, disobeyed God when he ate the forbidden fruit. And he lost the position that God had given him. When God looked and saw that the earth was very wicked and corrupt, He regretted that He had made man; for He saw that the wickedness of man was great on earth, and that every intent of the thoughts of his heart was only evil continually. God decided to destroy man from the face of the earth. However Noah found favour before God; and God saved him and his family.
