

Genesis One Straight Pull Rifle

James J. Grant

Single-shot Rifles James J. Grant,1947

The Covenant of Genesis (Wilde/Chase 4) Andy McDermott,2009-10-01 In the brilliant fourth book from Andy McDermott, Nina Wilde must battle the Covenant of Genesis if she is to find the world's greatest archaeological treasure... Off the coast of Indonesia, archaeologist Nina Wilde makes an explosive find: evidence of a settlement that existed over a hundred thousand years before any previously known civilisation. But when her ship is attacked, it becomes clear that the clandestine religious group calling itself the Covenant of Genesis will stop at nothing to prevent her from revealing this knowledge. With her fiancé Eddie Chase, Nina embarks upon a dangerous worldwide search to expose the Covenant of Genesis - and the incredible secret they will kill to conceal.

A History of Firearms Hugh Bertie Campbell Pollard,1926

The Illustrated Encyclopedia of 20th Century Weapons and Warfare ,1969

Hemingway's Guns Silvio Calabi,Steve Helsley,Roger Sanger,2016-03-01 Ernest Hemingway is a mythic writer and alpha male. As a hunter and conservationist, he drew greatly from the strong example of Theodore Roosevelt, and he much enjoyed teaching newcomers to shoot and hunt. Including short excerpts from Hemingway's works, these stories of his guns and rifles tell us as much about him as a lifelong, expert hunter and shooter and as a man.

Thornycroft to SA80 Jonathan Ferguson,2020-11 Reference work for all those interested in the history of military firearms. It charts the British love affair with the 'flipped' bullpup rifle and machine gun - weapons with their firing mechanism positioned behind the trigger - from a faltering start in the Edwardian period, through the controversy of the NATO rifle trials, to the troubled history of the current SA80 family.

Guns Illustrated 2005 Ken Ramage,2004 Every firearm enthusiast, collector and buyer will want this all-encompassing reference with the most current information on today's latest and greatest guns. This expanded 37th edition includes updated retail prices and gun specifications for revolvers, rifles, airguns, shotguns, and many more.Up-to-date listings include over 1,500 photographs to aid in identification and make selecting and buying firearms easier. Feature articles examine the latest trends in the industry and other related topics. The Gundex references listings for all the firearms, enabling readers to quickly locate a specific gun, and the Directory of the Arms Trade includes updated listings of firearms manufacturers and

importers.

I Love Jesus, But I Want to Die Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

The Poisonwood Bible Barbara Kingsolver,2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection “Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's

tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

Guns in the Hands of Artists Jonathan Ferrara,2016-11-01 In the 1990s, the New Orleans murder rate exploded. In 1996, 350 people were killed—the highest number in the city's history, and the highest rate in the nation. In response to this crisis, gallery owner and artist Jonathan Ferrara and artist Brian Borrello, launched a powerful project: Guns in the Hands of Artists. Over sixty artists, including painters, glass artists, sculptors, photographers, and poets, used decommissioned guns taken off the city streets via a gun buyback program to express a thought, make a statement, open a discussion, and to stimulate thinking about guns and gun violence in America. As gun violence continues to devastate the nation on a daily basis, Guns in the Hands of Artists reemerged in 2012 as a community-based social activist art project that has since traveled to six cities across the US. Using art as a mirror for life and interweaving the works of thirty diverse artists with the voices of seventeen national thought leaders, this book is an important outgrowth of the exhibition and an extension of its efforts to employ art as a vehicle for dialogue, as a call to action, and—ultimately—as an agent of change. Essays by: Walter Isaacson, Senator Tim Kaine, Lupe Fiasco, Richard Ford, Joe Nocera, Trymaine Lee, Lolis Eric Elie, John M. Barry, Dan Cameron, Lucia McBath, Harry Shearer, Jonathan Ferrara, Brian Borrello, Maria Cuomo Cole, Michael Waldman, E. Ethelbert Miller, Mayor Mitchell J. Landrieu, Congresswoman Gabrielle Giffords and Captain Mark Kelly.

Guns, Bullets, And Gunfights Jim Cirillo,1996-03-01 Learn what it takes to survive a real gunfight from someone who's been in many - Jim Cirillo, top gun in the New York City Police Department stakeout unit. Read about the stress and intensity of an actual shoot-out and how to maximize your training, ammo and weapons to prevail.

Sophie's World Jostein Gaarder,2010-07-15 The international bestseller about life, the universe and everything. 'A

simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough, thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.
