[The Porn Myth](#) Matthew Fradd, 2017-03-13 The Porn Myth is a non- religious response to the commonly held belief that pornography is a harmless or even beneficial pastime. Author Matt Fradd draws on the experience of porn performers and users, and the expertise of neurologists, sociologists, and psychologists to demonstrate that pornography is destructive to individuals, relationships, and society. He provides insightful arguments, supported by the latest scientific research, to discredit the fanciful claims used to defend and promote pornography. This book explains the neurological reasons porn is addictive, helps individuals learn how to be free of porn, and offers real help to the parents and the spouses of porn users. Because recent research on pornography's harmful effects on the brain validates the experiences of countless porn users, there is a growing wave of passionate individuals trying to change the pro-porn cultural norm-by inspiring others to pursue real love and to avoid its hollow counterfeit. Matt Fradd and this book are part of that movement, which is aiding the many men and women who are seeking a love untainted by warped perceptions of intimacy and rejecting the influence of porn in their lives.

**Mistress Pussycat** Joyce Snyder,2015-03-06 Joyce, a sixty-year-old, cat-loving spinster, would never have become a Lifestyle Domme (only Pro Dommies are paid) were it not for her latest work assignment--editing a magazine for submissive men. To research her audience, she investigates FemDom (as Female Domination is called in popular culture). Certain that she's discovered her true nature, Joyce begins experimenting with various facets of female domination. She begins interacting with submissive men--teasing, humiliating, demanding. Now the youthful appearing Senior is pursued by submissive men far younger and wealthier than she could otherwise attract. Determined to master the art of dominance, she attends a convention of Adult Babies, joins a spanking society, gets served by Sissy Maids, learns how to penetrate a man with a strap-on device, rides a human horse steered by a penis lead, dates a wealthy man who craves electroshocks to his genitals, and acquires a slave. She details many aspects of FemDom including ClubFem (with its slogan "Women Enslaving Men"), male chastity devices, a BDSM resort where women rule, consensual slavery and FinDom (Financial Domination). With her newly acquired kinky expertise and superior attitude, it's hot and cold running subs for this over-the-hill miss!

**Welcome to Elm Street** Wayne Byrne,2022-03-17 Wes Craven's A Nightmare on Elm Street is one of the most inventive American films of the 1980s. Its sleeper success bred a series of film sequels and a syndicated television program while its villain, Freddy Krueger, became a Hollywood horror icon for the ages. In the four decades since its release, Craven's creation and subsequent franchise has become firmly established as a pop culture institution and a celebrated symbol of American cinema. This book takes readers on an engrossing journey through the history, production and themes of the Nightmare on Elm Street film series and its spin-off TV show, Freddy's Nightmares. It reveals new stories about the franchise's history and dives into some of the themes and ideas that tend to be overlooked. The book has a foreword by production designer Mick Strawn and exclusive interviews with cast and crew, including legendary Freddy Krueger actor Robert Englund; directors Jack Sholder, Chuck Russell, Mick Garris, Tom McLoughlin, Lisa Gottlieb, and William Malone; cinematographers Jacques

Haitkin, Roy H. Wagner, and Steven Fierberg; and many more.

**Us and Them: The Authorised Story of Hipgnosis** Mark Blake,2023-02-02 'Hugely entertaining history' - Mojo Between the late '60s and early '80s, design house Hipgnosis created some of the most iconic and ubiquitous album artwork of all time. Their original lifespan coincided with the golden age of the 12-inch LP, beginning just as the Beatles' Sgt Pepper made the record sleeve the ultimate blank canvas and ending just as new technology looked set to usurp vinyl. Having originally been approached to design an album cover for their friends Pink Floyd, students Aubrey 'Po' Powell and Storm Thorgerson would go on to define the visual identity of rock and roll for the next fifteen years, swiftly gaining international prominence for their famed The Dark Side of the Moon artwork. This paved the way for other major musicians to set foot in the surreal photo-design world of Storm and Po, resulting in seminal Hipgnosis creations for the likes of Led Zeppelin, Paul McCartney, Genesis, Black Sabbath, ELO and Yes. In this authorised account, with access to previously unpublished material and exclusive contributions from David Gilmour, Jimmy Page, Peter Gabriel, Roger Waters, Robert Plant and even Aubrey Powell himself, Mark Blake goes behind the scenes of the Hipgnosis partnership to reveal the pioneering ambition and grand vision that led to their success, as well as the clashing egos and artistic differences that undermined it. The Hipgnosis story also offers hitherto-untold insight into some of music's most legendary bands, as viewed through the prism of the people who shaped their imagery and cultural legacy. With the work of Hipgnosis continuing to be referenced, reproduced and revered worldwide, Us and Them serves as a celebration, a cautionary tale and a compelling human drama, exploring the vital intersection between art and music.

**Gay Pornography** John Mercer,2017-03-30 Gay pornography, online and onscreen, is a controversial and significantly under-researched area of cultural production. In the first book of its kind, Gay Pornography: Representations of Sexuality and

Masculinity explores the iconography, themes and ideals that the genre presents. Indeed, John Mercer argues that gay pornography cannot be regarded as one-dimensional, but that it offers its audience a vision of plural masculinities that are more nuanced and ambiguous than they might seem. Mercer examines how the internet has generated an exponential growth in the sheer volume and variety of this material, and facilitated far greater access to it. He uses both professional and amateur examples to explore how gay pornography has become part of a wider cultural context in which modern masculinities have become 'saturated' by their constantly evolving status and function in popular culture.
