*An Education in Femdom: Tried and Found Wanting (Femdom, Discipline, Submission, and Exhibition)* Nina Nauheim,2014-08-04 Reader Advisory: This story is for mature audiences only and features intensely erotic situations, femdom bdsm play, discipline, punishment, spanking, submission and dominance. All characters are 18 or older. Adam's mistress Naomi has always been a gentle and forgiving dominatrix, often indulging his whims and preferring to let him play

his part rather than resort to harsh discipline or exploit his naturally trusting ways. But Adam's obedience has begun to slip, and Naomi is forced to accept that a change is needed. To begin anew, she invites a fellow dominatrix and her submissive to dinner, thinking that their much stricter relationship might provide the eye opener she is loathe to inflict directly on her supposedly fragile submissive. Adam is excited at the prospect, but soon realizes that the evening will be far more intense than he is prepared for. As the night escalates, he will find herself torn between his natural reservations and the need to prove himself an equal of the visiting submissive in the eyes of their women. In shockingly little time, the drive to prove his devotion and obedience will have him doing things he never thought he could do ? and still falling short. Excerpt: I looked up. Unintentionally, my eyes flicked first to the woman standing on the threshold. Her eyes were dark and intelligent, and her cheeks were high-boned and elegant. She wore a soft green blouse and tight skirt, unapologetic of the ripe, sensual body beneath them. A coat was folded over her slender arm. Quickly I looked away, knowing I had permission only to seek out my counterpart. I followed the direction the woman's hand indicated and took in a man of slender build, perhaps a year younger than me. His hair was soft brown and short and a studded leather collar adorned his throat. His clothes were simple black cotton. Both the pants and t-shirt were tight enough to reveal the lean muscularity of his form but not so tight that they seemed like obvious fetish-wear. Only the tightness at his crotch seemed to toe the line of propriety, where the fabric stretched over an unmistakable bulge that he made no attempt to obscure. I gave him a small smile, thinking that it was my role to welcome him into the penthouse. He only returned my look with very large eyes and a meek expression that did not seem to acknowledge my existence. Show him into the dining room, Melissa instructed me. Naomi and I have some things to discuss in her office before dinner. Yes, mistress, I said. I turned and led him out of the entrance hall and around into the dining room. His even footsteps were resounded softly on the hardwood floor. I went to offer him a chair, but when I turned I saw that he had taken a kneeling position on the floor a few steps back from the chair I had offered him. Were we not allowed at the table? A little taken aback, I watched him. He was sitting back on his heels with his eyes fixed on the floor in front of him. His posture was stiffly erect and expectant, his chest was thrust out and his hands were clasped behind his back. His behavior made me second-guess myself. I had assumed we would sit at the table, but now I didn't want to do anything out of turn. The point of this dinner was to learn, after all. A little dubious, I walked over and lowered myself beside him. I did my best to imitate his position as well, but looking first at him and then back at myself I found that I couldn't entirely manage it. Have you and Melissa been together long? I asked, feeling a little silly as we knelt together on the floor. Peter did not respond right away. He shifted slightly, still staring intently at the floor. Mistress says it's wrong to talk to other submissives without her permission, he said. Oh, sorry, I said at a loss. I cast a sidelong glance at his rigid form. Was this what was expected of me? Was this the standard I was going to be held to? I didn't really know what to make of it. He obviously took satisfaction in being this way, and I couldn't deny that it turned me on a little bit the way Melissa controlled him, completely

and unequivocally even in absentia. Would I be that way? Would I be able to be?

**Succubus with Benefits** Cithrel,2021-03-13 Starving and with no prey in sight, Lucretia takes matters into her own hands and tail. Expect unusual yet anatomically accurate interactions involving: tails with mouths, long forked tongues, therapeutic pelvic massages, aphrodisiac saliva, wing-assisted riding, primal instincts, gentle femdom, and more. **His New Position: Femdom Fantasies Book Five** Andrea Martin,2023-10-20 Paul Clayton is a hotshot businessman who takes what he wants from anyone he likes, especially his three sexy female underlings. He's used to wielding power, but when he gets passed over for promotion in favor of the stern and commanding Rebecca Stone, it sets the stage for a confrontation of wills. Paul's old position might be redundant, but surely Rebecca can find some use for a man like him? *Femdom Fantasies* is a series of explicit erotic tales not suitable for readers under eighteen years of age. This story was co-authored by British erotic writer Paige M Turner.

*Lured Into Babyhood - an ABDL/FemDom Short Story* Colin Milton,2023-03-26 Paul found his love online, an attractive and well-off woman who surprisingly decided to come and live with him from overseas. But she had a secret and loving agenda. First, it was 'breastfeeding' and then out came a dummy. And Paul was all up for it even though it had never occurred to him before in his life. And then... There were nappies. Paul was slowly being... Lured into Babyhood. From the mind of Colin Milton.

*An Education In Femdom: Put At Their Mercy (Femdom, Discipline, Public Sex, Multiple Partner)* Nina Nauheim,2014-09-07 Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bdsm play, spanking, forced exhibition, public humiliation and sex, submissiveness and dominance. All characters are 18 or older. Adam's dominant, Naomi, has applied for the two of them to become members in the highly exclusive Victorville-Tunisia Society, a BDSM network of the city's most powerful and influential women. Though Naomi Roberts surely falls within that category, she agrees that they must go through the Tunisia's rigorous screening process. Rather than questionnaires or resumes, the Tunisia uses only one metric to assess potential partners: the worthiness of the submissive. So it is that Adam finds himself standing alone before a gathering of the city's most powerful and sexually dominant women with only one task: obey. Excerpt: Google has deemed this excerpt too explicit to be displayed.

*The Gilded Cage - an ABDL/FemDom Short Story* Colin Milton,2023-03-26 Peter's secret desire to be dominated and treated like a baby had been a secret from Amanda, his wife, for many years until the day she, as his business partner, queried his business expenditure. Peter's world collapsed that day from being a successful, well travelled businessman to that of a child, imprisoned in his own home - a victim of his desires. Amanda decides that rather than be stuck at home with a baby - albeit an adult one - she could do with some help to humiliate, belittle and degrade her husband even more. Pretending to be a baby and being made to live as a baby are two very different things. A Gilded Cage can also be a baby's crib! From the Colin Milton collection.

*Demon's Promise: a high fantasy femdom novella* Em Shimizu,2014-12-01 Il-Ruen Okar zad has been caged all his life in a backwater castle overlooking a quiet little pocket of the empire: far away from the intrigues of the capital, the turmoil of the borderlands, and every last one of his scheming, backstabbing relatives. It is not an unpleasant life, and though Ruen has every reason to resent his position, he fritters away his days in peace, haunted only by the vaguest sense of dissatisfaction. That is, until one winter, a magical accident unleashes Ruen's long dormant powers -- much to the dismay of his family, who've been trying to keep him out of the already complicated line of succession. One enterprising aunt, taking advantage of the ensuing drama, sends her demon servant to Ruen so that he might be taught how to harness his newfound magic. But the demon is the most beautiful woman Ruen has ever met, and he's far more interested in bedding her than in learning his lessons... Still, no contracted demon with any sense of pride has ever failed in the duties set by their master. And if Ruen's to survive the long winter, he'd better learn fast. (an erotic high fantasy novella featuring gentle femdom, male chastity, and cfnm) Excerpt: A gust of bone-chilling wind swept through the room, scattering his papers. He looked up and froze. There was a woman perched on top of the windowsill, right where the glass had previously been. She was beautiful beyond words. Her skin was lighter even than that of the Vyrish barbarians who lived east of the Empire, almost as white as the snow falling

outside behind her, smooth and utterly unmarked save for the dark blood red of her full, enticing lips. Her black hair, glossy as a starling's wing, framed her face in a severe cut, silky fringe caressing the sharp line of her jaw. But most stunning were her eyes: pale glittering silver, wide and still like a cat's. It was the eyes that gave her away. Ruen steadied himself against his desk, mouth dry, heart pounding. "Who sent you, demon?" The demon blinked slowly at him. Tilted her head, revealing her slim, creamy throat. She smiled. "My, what a beautiful child." Her voice possessed a soothing, hypnotic quality, robbing him of his own speech. She stepped down from the windowsill with liquid grace, the filmy black cloth of her dress fluttering and clinging to her curves. The cold clearly did not affect her. Ruen dug his nails into his palms, anchoring himself with the pain, forcing clarity back to his senses. He smiled back. "Is that supposed to be a compliment?" The demon stared at him again, then raised her hand to her mouth and laughed. The gesture, surprisingly girlish, sent a jolt straight down to the pit of his stomach. "I see I shall enjoy this more than I expected."

**An Education in Femdom: The Second Trilogy (A Bundle of Femdom Discipline and Submissive Training)** Nina Nauheim,2014-11-07 Reader Advisory: These stories are for mature audiences only and feature intensely erotic situations, dominant women and submissive men, bdsm play, discipline, crops, spanking, humiliation, multiple partners, and public sex. All characters are 18 or older. Adam's first hours in his new mistress's house have been intense ones, but he knows they have

only scratched the surface. Before he has done little more than catch his breath, it's time to meet the other submissives in the mistress's household and learn just exactly what he has gotten himself into. Far from being allowed to wade in slowly, Adam's initiation into this tight little community will mean getting tossed directly into the center of its many different flavors of discipline and power play. By the time his first morning has come to a close, he will have a lot more to think about than why there isn't a number on the mailbox. Lessons in Submission: The Second Trilogy follows Adam over the course of his week as a submissive in the house of femdom run by the mysterious leader of the Tunisia Society. What begins as a hesitant experiment in the world of forbidden pleasure quickly careens into something much more serious, and the promises that they would not become too attached begin to erode. In the heat of the moment - and the moments get very hot indeed - who can say what will become possible and what will remain unattainable fantasy? Excerpt I turned just enough to catch how Chris's face fell and reddened at the news. I... he began, but trailed off. Up here. He drew a breath and stood. The legs of his chair made a scraping sound against the hardwood of the floor and he winced. Here, Mistress repeated unsympathetically, pointing to a spot at the head of the table. Christopher moved into place on unsteady legs and then turned back to regard us - the audience of his humiliation and punishment - with that flushed face. He reddened very attractively, I noticed with slight envy. His cheeks took on a very soft glow and his eyes stayed very round as he watched Mistress. Tell me, Mistress said to him as he stood at attention. Tell what, Mistress? he asked. Why did you fail the inspection? I - I don't know, Mistress. I didn't know I had until you told me. You know, Christopher, I don't really believe you. He looked at the ground, flustered and stammering. After a few seconds he fell silent and he closed his eyes. Mistress watched him coolly. Another moment ticked by and then he opened his eyes and raised them to meet hers. Notice: This title includes themes and passages that have been adapted from Jessica Whitethread's His to Train series with full consent of the original author.

**Over Her Knee: The Humiliating Punishment He Wasn't Supposed to Enjoy (Femdom, Discipline, Spanking)**

Nina Nauheim, 2014-06-27 Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bdsm play, spanking, humiliation, discipline, punishment, submission and dominance. All characters are 18 or older. Jason's young and beautiful boss Joanna Roth has always taken a special interest in him, ever since he first came to work for her at the age of sixteen. After Jason loses the order form of a very important client, she punishes him as she often has before: with a sound spanking. But on this occasion, he settles onto Joanna's lap to take the punishment under her strict hands only to find his long-secret feelings for her pushed out into the open by the unmistakable throes of orgasm. When questioned, Jason is forced to admit that he has always been hopelessly aroused by the discipline his boss administers. Now that all feelings are out in the open, will this day prove a nightmare or fulfill the fantasy Jason has never allowed himself to admit he wants? Excerpt: Stand up, Jason, she said quietly. Shakily, and with her help, I lifted myself off her legs and started to stand. I wobbled for a moment, and then found my balance, and she took her steadying hands away. I knew it was too late to conceal

what had happened, so I did not try. My slowly softening cock stuck out in front of me as I stood upright. My eyes stayed locked on the ground. I couldn't bear to look at her. That's never happened before, she said, her tone deceptively mild. My cheeks burned hotter but I could not think of anything to say. Would you care to explain it? My eyes locked on the floor and my face growing redder still, I shook my head. I thought I was joking when I said you enjoyed being disciplined, she said. But it's true, isn't it? I bit my lip, trying to tell myself this was all a bad dream and what had just happened had not actually happened. All this time I thought I was punishing you when you got out of line, but you've been enjoying it. Answer me. I drew in a shuddering breath and managed to look at her shoes. Yes, ma'am, I said. I physically recoiled as the word ma'am emerged from my mouth again. I'm sorry, I blurted, close to tears. I never ? I mean, it's just ? I didn't mean to. I'm sorry. I don't try to make you angry with me or anything. It's just the way it affects me. The way being around you ? I clamped a hand over my mouth, horrified that I had said too much. Even without glancing up, I could feel the way she was looking at me. I stared at the floor and tried to ignore the still prominent form of my cock as it shrank, embarrassingly slowly, in my soiled underwear. Another hot wave of humiliation rose in me at the sight of myself and unwedged my underwear and pulled up my pants. Perhaps this explains a few things, she said. Maybe I should not be so surprised. Maybe it's my fault that I did not see it before. I dared a shy glance up at her to see how mad she looked. To my relief, her expression was thoughtful, devoid than the disgust or betrayal I had dreaded seeing there. Well clearly, Jason, the arrangement we have been operating under cannot continue, can it? You've given me a lot to think about. Nervously, I straightened my pants again, feeling the squelch of the come still in my underwear. If only she would say something definite, something to indicate how she felt about this. I could not deny that a small part of me imagined her being maybe a little intrigued. But that was just a childish fantasy, too much to hope for. You'll need to go home to change, and I think it would be best if you took the afternoon off, she said after a moment. But it's clear we need to talk about this - when there isn't work to be done. Come by my apartment, would you, after I've locked up for the night. I bobbed and nodded. Yes, m- I shook my head, as though to clear it, and began to move towards the door. And Jason? she said. Yes? You haven't lost any more orders you might want to tell me about, have you? I shook my head, even my ears burning at this final jab, and left the room.
