Joey W. Hill, Delilah Devlin

7th Circle Tate James, 2024-08-20 From the author of the Madison Kate series comes the dark and delicious interconnected Hades series, another biting why choose romance in Shadow Grove. I wouldn't fall. Because the second I did, someone would be there to slit my throat and toss me to the sharks. After all, it's what I would do. Five years ago, I masterminded the infamous massacre of the Tri-state Timberwolves. The streets outside the Wolves HQ ran red with the blood of the old guard, and not one of the members loyal to my father was spared mercy. Not a single one. I let the media twist and distort the story. My new recruits eagerly proved themselves by spreading false news, then covering our tracks. To the general public, the Tri-State Timberwolves were extinct. But that couldn't have been further from the truth. We changed, we grew, we evolved, and we came out stronger than ever. Now, I live, eat, sleep and breathe Timberwolves. I'll do anything to keep my empire safe and thriving. To keep the people depending on me safe. So, what do I do when it's my own weakness that places us all in danger? When I let sex cloud my judgment, and my people pay the price? Simple. Kill the distractions. I'm called Hades for a reason, after all.

Archer's Voice Mia Sheridan, 2016-11-01 From New York Times bestselling author Mia Sheridan comes an emotional, slow burn romance about a woman desperate to hide and the man who sees through her walls, perfect for fans of Colleen Hoover and Lucy Score. I wanted to lose myself in the small town of Pelion, Maine. To forget everything I had left behind. The sound of rain. The blood. The coldness of a gun against my skin. For six months, each breath has been a reminder that I survived--and my dad didn't. I'm almost safe again. But the moment I meet Archer Hale, my entire world tilts on its axis . . . and never rights itself again. Until I trespass into his strange, silent, and isolated world, Archer communicates with no one. Yet in his whiskey-colored eyes, something intangible happens between us. There's so much more to him than just his beauty, his presence, or the ways his hands communicate with me. On me. But this town is mired in secrets and betrayals, and Archer is the explosive center of it all. So much passion. And so much hurt. But it's only in Archer's silence that we might just find what we need to heal . . . and live. Includes an exclusive extended epilogue from Archer's POV! A Goodread's Top Romance Novel of All Time A New York Times, USA Today, and Wall Street Journal bestseller

Three Wishes Kristen Ashley,2011-04-09 When Lily Jacobs was born, she inherited Fazire - a genie. Her family had three wishes and they'd only ever used one so Fazire was stuck in the human world. This worked since he'd become a member of the family anyway. Even with a genie, Lily's young life wasn't perfect. To escape the kids making her miserable at school, Lily buried herself in romance novels. One day, when the teasing was just too much, she used one of her wishes. She told Fazire she wanted to find a man like in her books and she made the most complicated wish Fazire had ever heard. Her wished-for man had to be impossibly handsome, virile, fierce, rugged and ruthless (amongst a dozen other things). He also had to think she was beautiful and he had to love her more than anything in the world. Nathaniel McAllister wasn't born to a life where there were such things as genies granting wishes. His life was filled with drugs, crime and neglect. He was running errands for a gangster before he was in his teens and, even though life and hard work led him to wealth and respectability, he always knew, deep down, he was dirty. When Nate met Lily he knew he was no good for her but as virile, fierce, rugged and ruthless as he was, Nate was no match for the pull of sweet, innocent Lily. Unfortunately, Lily's wish included that she and her hero go through trials and tribulations to test their love. And Fazire wasn't only a good genie, he loved Lily - so he gave her exactly what she wanted.

Beg For It Megan Hart,2019-11-12 She had never been more beautiful to him than when she was making him hurt. Corinne was young once. Reese wasn't her first lover, but he was the first to submit to her. For a while they had something special, but it ended badly. She's a little older now — and the wealthy businessman who just bought the company she works for bears little resemblance to that boy. He's commanding, domineering, and seems hell-bent on pushing her past her limits. In a flash of anger, she falls back into their old pattern—and Reese falls right in with her. Before she knows it, she's testing him. Then tasting him. Corrine knows she can't afford to get involved again. Her life is complicated enough without throwing in a slew of kink. Now if only Reese would stop making her feel like the goddess she used to be...and showing her who's been

the boss all along. But if he wants her, he's going to have to beg for it.

Meant For You (A BWWM BDSM Romance) G.L. Tomas,2019-08-07 Finnish investor Olli Tuominen was supposed to be marrying the woman of his dreams—but the day of the wedding, he's hit with the hard reality. In the eyes of the law, and on paper, he's still married to his first wife Benny. Walking away from a love like hers had always been difficult, but serving her divorce papers proved even more obstacle. Still the enchanting beauty he remembered her to be, his first love might still harbor a fire that can't be extinguished. Bendición Obiang thought she'd never see Olli again. She certainly didn't plan after an eight-year estrangement that the reason he'd re-enter her life was to confirm her deepest fear. Her only true love was moving on. Could this happenstance reunion be the push she needs to finally reveal the truth after all this time? That they share a child? Reuniting face to face should've been simple. Sign the divorce papers. Wish him happiness on his new life. Go back to California. Only a Nordic snowstorm has other plans for the past lovers; plans that include Benny on her knees succumbing to Olli's dominance. It only takes one weekend to make two things perfectly clear. The former submissive was always his to claim, and the secret she's been keeping might just be the thing that breaks him. This story features a BWWM couple with no cheating and a HEA. This read is steamy and spicy featuring a dormant Dominant who reunites with his former submissive and despite what you take from the blurb features NO CHEATING! If Dominance and submission isn't your cup of tea, sit this one out but for those that enjoy it, this quiet, grumpy Alpha knows how to melt his way into your heart.

Shadowheart Laura Kinsale,2014-04-01 Swept up in political intrigue, an assassin and a princess embrace a passionate love in this fourteenth-century romance by a New York Times–bestselling author. As the last unmarried princess of Monteverde, Elayne is trapped in a marital bond when her hand is promised to the land's ruler. On the voyage to meet her future husband, she is captured by Allegreto Navona—the living embodiment of the dark angel she's seen in dreams. Endowed with godlike beauty, his eyes burn bright with sin. A woman of modesty would flee such a man. But try as she might, a wanton hunger binds her to his side . . . Trained as an assassin, Allegreto is the bastard son of an ambitious lord who raised him to murder for control of Monteverde. Now that his father is dead, if Allegreto can make Elayne his wife, it will cleanse his tainted blood, and the country will be his, but she is no mere maiden to be possessed. Unexpectedly, he falls in love with her, finding in her quick mind and azure eyes the conqueror of his heart. But will his dark past scare her off? It also includes incredibly sweet exchanges full of tenderness and ownership, lots of kissing, laughter, affection, and silliness. Your breaths come hard and fast. Discipline and Punish Michel Foucault,2012-04-18 A brilliant work from the most influential philosopher since Sartre. Servicing the Target Cherise Sinclair,2015-07-28 A discharged Army Ranger, Ben considers his job as a BDSM club security guard to be an excellent hobby. He’s never been tempted to join in. But everything changes when the notorious Mistress Anne inadvertently reveals the caring heart concealed beneath her Domme armor. Now, he’s set his sights on the beautiful Shadowlands Mistress. Maybe he’d considered himself vanilla, but she can put her stiletto on his chest any day, any time. He’ll trust her delicate hands to hold his heart. And if she wants to whip his ass on the way to an outstanding climax, he’s just fine with that too. Sure, he knows she likes “pretty boy” slaves. And he’s older. Craggy and rough. And six-five. Minor hindrances. The mission is a go.

Something Borrowed Eve Dangerfield,2017-02 Going to an eight-day tropical wedding sounds great, right? Wrong... Elle Sahlstrom hates weddings, but she promised her best friend Tory that she will attend her destination ceremony, despite having to endure obnoxious cousins, bad wine, and a phallus-laden bachelorette party. But the worst part is the man sitting next to her on the plane, on his way to the same wedding, guaranteed to be the same insufferable jerk he was years ago. Jackson Proveaux knows Elle hates him with a passion, but it's that same passion that has him convinced she's perfect for him... Unfortunately, he made mistakes in the past, involving cocktails, out of control minivans, and a giant misunderstanding that cost him his one and only shot with Elle. The French expatriate sees the wedding as a chance to atone for his sins. He

offers to spend a week completely at Elle's mercy, and if she still hates him at the end, he'll leave her alone forever. A fiery temper, two sets of handcuffs, and copious amounts of tequila are guaranteed to make this situation complicated... Unable to resist a win-win deal-or Jackson-Elle agrees. Their arrangement quickly becomes more complicated than either of them could have anticipated. The grumpy environmentalist never thought the smooth talking playboy would be able to make her laugh, and he didn't count on the hot-headed beauty dominating him in the bedroom...or that he would actually like it. As the lovers become more entwined in each other's lives and hearts, one question remains-will their truce survive the wedding, or are they living on borrowed time?
