**Demon's Promise: a high fantasy femdom novella** Em Shimizu,2014-12-01 Il-Ruen Okar zad has been caged all his life in a backwater castle overlooking a quiet little pocket of the empire: far away from the intrigues of the capital, the turmoil of the borderlands, and every last one of his scheming, backstabbing relatives. It is not an unpleasant life, and though Ruen has every reason to resent his position, he fritters away his days in peace, haunted only by the vaguest sense of dissatisfaction. That is, until one winter, a magical accident unleashes Ruen's long dormant powers -- much to the dismay of his family, who've been trying to keep him out of the already complicated line of succession. One enterprising aunt, taking advantage of the ensuing drama, sends her demon servant to Ruen so that he might be taught how to harness his newfound magic. But the demon is the most beautiful woman Ruen has ever met, and he's far more interested in bedding her than in learning his lessons... Still, no contracted demon with any sense of pride has ever failed in the duties set by their master. And if Ruen's to survive the long winter, he'd better learn fast. (an erotic high fantasy novella featuring gentle femdom, male chastity, and cfm) Excerpt: A gust of bone-chilling wind swept through the room, scattering his papers. He looked up and froze. There was a woman perched on top of the windowsill, right where the glass had previously been. She was beautiful beyond words. Her skin was lighter even than that of the Vyrish barbarians who lived east of the Empire, almost as white as the snow falling outside behind her, smooth and utterly unmarked save for the dark blood red of her full, enticing lips. Her black hair, glossy as a starling's wing, framed her face in a severe cut, silky fringe caressing the sharp line of her jaw. But

most stunning were her eyes: pale glittering silver, wide and still like a cat's. It was the eyes that gave her away. Ruen steadied himself against his desk, mouth dry, heart pounding. "Who sent you, demon?" The demon blinked slowly at him. Tilted her head, revealing her slim, creamy throat. She smiled. "My, what a beautiful child." Her voice possessed a soothing, hypnotic quality, robbing him of his own speech. She stepped down from the windowsill with liquid grace, the filmy black cloth of her dress fluttering and clinging to her curves. The cold clearly did not affect her. Ruen dug his nails into his palms, anchoring himself with the pain, forcing clarity back to his senses. He smiled back. "Is that supposed to be a compliment?" The demon stared at him again, then raised her hand to her mouth and laughed. The gesture, surprisingly girlish, sent a jolt straight down to the pit of his stomach. "I see I shall enjoy this more than I expected."

*Bosswomen: Men Dominated, Humiliated, and Spanked in the Workplace (Femdom, BDSM, Domination, Discipline, Spanking)* Nina Nauheim, 2014-07-18 Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bdsm play, discipline, punishment, spanking, anal sex, submission and dominance. All characters are 18 or older. *Bosswomen* contains three Femdom BDSM-themed stories of intense eroticism, dominance and submission, discipline, spanking, and humiliation in all forms. Over Her Knee Jason's young and beautiful boss Joanna Roth has always taken a special interest in him, ever since he first came to work for her at the age of sixteen. After Jason loses the order form of a very important client, she punishes him as she often has before: with a sound spanking. But on this occasion, he settles onto Joanna's lap to take the punishment under her strict hands only to find his long-secret feelings for her pushed out into the open by the unmistakable throes of orgasm. When questioned, Jason is forced to admit that he has always been hopelessly aroused by the discipline his boss administers. Now that all feelings are out in the open, will this day prove a nightmare or fulfill the fantasy Jason has never allowed himself to admit he wants? No Match for the Businesswoman For years Clay Phillips has been working nights and weekends to get his start-up off the ground, but when long overdue success begins to turn heads, it attracts the attentions of heavy hitters that Clay is not prepared to contend with. Such a one is Christine Rivers, beautiful CEO of the Rosemont Group, who has come to meet with Clay personally about the prospect of a buyout. What begins as a bit of simple maneuver and professional strong-arming soon becomes much more as the seductive and forceful businesswoman turns to more elaborate means of bringing Clay around to her point of view. Threats, physical dominance, and sexual manipulation will all come into play before she has gotten her way and left Clay bruised and gasping on his office desk, hungry for more. Called to Her Office Chris has never been outgoing around his coworkers, but it isn't until a new boss arrives to run the branch that he begins to regret his isolation in the work place. For weeks he silently hungers for Ms. Reese's attention, until he is called in for a performance review. Once the two are alone together, it isn't long before all sorts of things are coming out into the open. Not least among these revelations: Veronica Reese has been painfully aware of Chris's desire for her attention, and she intends to punish him for the inappropriate means he has employed to

distract her from her professional duties. Excerpt: She produced another folded sheet of paper and laid it in front of me. First, you sign this contract, finalizing the sale for the amount I've offered you. It will make you a very rich man. I managed to shake my head. This is all happening too fast. Too fast? she repeated. I thought I had been very generous with my time. I have given you months to withdraw from my markets. I can't, I stammered. She nodded, as though deciding something for herself. Do you know what it is like when a little startup like yours wanders in and starts trying to underbid companies like mine? It is like a child that insists on sitting at the grown-ups' table. The child refuses to acknowledge objective reality. It only understands one thing. She pushed the stacks of paper which remained in the center of my desk off to the side. One of them wobbled, tipped, and cascaded to the floor, but she did not notice. The only thing they understand, Clay, is a firm hand. She was standing over me, now, and I had shrunk back into the chair. Her sultry, inviting manner had been replaced by the tone of utter authority. I can make you regret your stubbornness in any number of ways. I can underbid every contract you receive, headhunt every name you hire, and grind your company into the dirt until every last investor you have is serving you papers. Is that what you want? I stared up at her, mute. Stand up, she said. I stayed frozen in place. Stand up, she repeated. You call yourself the owner of this company. You can't even stand and look me in the eye in your own office? You have to cower in your chair? Shakily, I complied. No sooner was I standing than she had put her hand to the small of my back, pushing me over and pinning me down upon my desk. I'm going to do something much less permanent than all of that, she said. There was not so much as a single note of strain in her voice as she held me completely helpless against the smooth oak of my desk. Because I'm beginning to like you, because in a certain way I can admire stubbornness, I'm going to teach you very simply and here, in private, just how out of your depth you are. I tried to say something, but her hand against my back was compressing my chest against the desk too forcefully to draw full breath. Instead, all that emerged was a whimper.

### **Over Her Knee: The Humiliating Punishment He Wasn't Supposed to Enjoy (Femdom, Discipline, Spanking)**

Nina Nauheim,2014-06-27 Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bdsm play, spanking, humiliation, discipline, punishment, submission and dominance. All characters are 18 or older. Jason's young and beautiful boss Joanna Roth has always taken a special interest in him, ever since he first came to work for her at the age of sixteen. After Jason loses the order form of a very important client, she punishes him as she often has before: with a sound spanking. But on this occasion, he settles onto Joanna's lap to take the punishment under her strict hands only to find his long-secret feelings for her pushed out into the open by the unmistakable throes of orgasm. When questioned, Jason is forced to admit that he has always been hopelessly aroused by the discipline his boss administers. Now that all feelings are out in the open, will this day prove a nightmare or fulfill the fantasy Jason has never allowed himself to admit he wants? Excerpt: Stand up, Jason, she said quietly. Shakily, and with her help, I lifted myself off her legs and started to stand. I wobbled for a moment, and then found my balance, and she took her steadying hands away. I knew it was too late to conceal

what had happened, so I did not try. My slowly softening cock stuck out in front of me as I stood upright. My eyes stayed locked on the ground. I couldn't bear to look at her. That's never happened before, she said, her tone deceptively mild. My cheeks burned hotter but I could not think of anything to say. Would you care to explain it? My eyes locked on the floor and my face growing redder still, I shook my head. I thought I was joking when I said you enjoyed being disciplined, she said. But it's true, isn't it? I bit my lip, trying to tell myself this was all a bad dream and what had just happened had not actually happened. All this time I thought I was punishing you when you got out of line, but you've been enjoying it. Answer me. I drew in a shuddering breath and managed to look at her shoes. Yes, ma'am, I said. I physically recoiled as the word ma'am emerged from my mouth again. I'm sorry, I blurted, close to tears. I never ? I mean, it's just ? I didn't mean to. I'm sorry. I don't try to make you angry with me or anything. It's just the way it affects me. The way being around you ? I clamped a hand over my mouth, horrified that I had said too much. Even without glancing up, I could feel the way she was looking at me. I stared at the floor and tried to ignore the still prominent form of my cock as it shrank, embarrassingly slowly, in my soiled underwear. Another hot wave of humiliation rose in me at the sight of myself and unwedged my underwear and pulled up my pants. Perhaps this explains a few things, she said. Maybe I should not be so surprised. Maybe it's my fault that I did not see it before. I dared a shy glance up at her to see how mad she looked. To my relief, her expression was thoughtful, devoid than the disgust or betrayal I had dreaded seeing there. Well clearly, Jason, the arrangement we have been operating under cannot continue, can it? You've given me a lot to think about. Nervously, I straightened my pants again, feeling the squelch of the come still in my underwear. If only she would say something definite, something to indicate how she felt about this. I could not deny that a small part of me imagined her being maybe a little intrigued. But that was just a childish fantasy, too much to hope for. You'll need to go home to change, and I think it would be best if you took the afternoon off, she said after a moment. But it's clear we need to talk about this - when there isn't work to be done. Come by my apartment, would you, after I've locked up for the night. I bobbed and nodded. Yes, m- I shook my head, as though to clear it, and began to move towards the door. And Jason? she said. Yes? You haven't lost any more orders you might want to tell me about, have you? I shook my head, even my ears burning at this final jab, and left the room.

**An Education in Femdom: Her Tied Up Toy (Femdom, Bondage, Pegging)** Nina Nauheim,2014-09-14 Reader Advisory: This story is for mature audiences only and features intensely erotic situations, bdsm play, bondage, spanking, anal sex, submissiveness and dominance. All characters are 18 or older. Society's mysterious leader, Adam has been offered the opportunity to spend a week with her and begin to explore his true potential as a submissive. It means temporary separation from Naomi, but the allure of what Adam has tasted is simply too strong to ignore. Once reunited with the woman whose touch thrills and controls him so perfectly, Adam begins the long road of self-discovery - rich with challenges and with pleasures - as he begins to learn what it is to have a mistress and just exactly who his is. Excerpt: Slowly, as though she could sense my impatience, Jessica's deep charcoal eyes turned towards me. Adam, she said simply, I'm glad you could come. Mistress, I responded, eager to try the new form of address. She smiled. You've heard that word, have you? Good. We'll teach you the meaning of that word very thoroughly before you leave here. A slight shiver ran down my spine. God, was I already getting hard? She stood and walked over to me. I like a new toy that arrives early in the morning, she said. There is so much time left in the day to try it out. She laid a finger under my chin, tilting my face up to meet her. With a slight pressure, she bid me stand and I rose to my feet, my eyes never leaving hers. You've been on my mind a very great deal over the past twelve hours, she said to me. The number surprised me. Had it really only been that long? I'm usually such a patient woman, she went on, sliding a finger within the neck of my shirt, just brushing my skin. What is it about you that so undermines my self-control? I trembled slightly at her touch and the tone of her voice. Her words were deep with intensity, and yet I did not believe her for a moment when she said her self-control was compromised. She seemed to have so much of it that it bled over and controlled me, too, without her being entirely conscious of it. Simply having her standing in front of me, looking and touching me, was enough to paralyze me until next she told me to move. And all nicely wrapped, she murmured. I can always tell an outfit chosen with care. We'll put these clothes somewhere safe for the week. I wouldn't want them to wrinkle. Her gaze held mine as she began to strip my clothes from me. A slight flush rose to my cheeks but I did not break eye contact. My God, she didn't beat around the bush. There was the slightest hint of a challenge in her deliberate movements. I am making you naked in front of me, her eyes were telling me. There is no secret or thought or emotion you possess that I cannot choose to uncover. You walked in my door, knowing who I was and what I wanted, and now you will be utterly mine.

**An Education in Femdom: Tried and Found Wanting (Femdom, Discipline, Submission, and Exhibition)** Nina Nauheim, 2014-08-04 Reader Advisory: This story is for mature audiences only and features intensely erotic situations, femdom bdsm play, discipline, punishment, spanking, submission and dominance. All characters are 18 or older. Adam's mistress Naomi has always been a gentle and forgiving dominatrix, often indulging his whims and preferring to let him play his part rather than resort to harsh discipline or exploit his naturally trusting ways. But Adam's obedience has begun to slip, and Naomi is forced to accept that a change is needed. To begin anew, she invites a fellow dominatrix and her submissive to dinner, thinking that their much stricter relationship might provide the eye opener she is loathe to inflict directly on her supposedly fragile submissive. Adam is excited at the prospect, but soon realizes that the evening will be far more intense than he is prepared for. As the night escalates, he will find herself torn between his natural reservations and the need to prove himself an equal of the visiting submissive in the eyes of their women. In shockingly little time, the drive to prove his devotion and obedience will have him doing things he never thought he could do ? and still falling short. Excerpt: I looked up. Unintentionally, my eyes flicked first to the woman standing on the threshold. Her eyes were dark and intelligent, and her cheeks were high-boned and elegant. She wore a soft green blouse and tight skirt, unapologetic of the ripe, sensual body beneath them. A coat was folded over her slender arm. Quickly I looked away, knowing I had permission only to seek out my counterpart. I followed the direction the woman's hand indicated and took in a man of slender build, perhaps a year younger than me. His hair was soft brown and short and a studded leather collar adorned his throat. His clothes were simple black cotton. Both the pants and t-shirt were tight enough to reveal the lean muscularity of his form but not so tight that they seemed like obvious fetish-wear. Only the tightness at his crotch seemed to toe the line of propriety, where the fabric stretched over an unmistakable bulge that he made no attempt to obscure. I gave him a small smile, thinking that it was my role to welcome him into the penthouse. He only returned my look with very large eyes and a meek expression that did not seem to acknowledge my existence. Show him into the dining room, Melissa instructed me. Naomi and I have some things to discuss in her office before dinner. Yes, mistress, I said. I turned and led him out of the entrance hall and around into the dining room. His even footsteps were resounded softly on the hardwood floor. I went to offer him a chair, but when I turned I saw that he had taken a kneeling position on the floor a few steps back from the chair I had offered him. Were we not allowed

at the table? A little taken aback, I watched him. He was sitting back on his heels with his eyes fixed on the floor in front of him. His posture was stiffly erect and expectant, his chest was thrust out and his hands were clasped behind his back. His behavior made me second-guess myself. I had assumed we would sit at the table, but now I didn't want to do anything out of turn. The point of this dinner was to learn, after all. A little dubious, I walked over and lowered myself beside him. I did my best to imitate his position as well, but looking first at him and then back at myself I found that I couldn't entirely manage it. Have you and Melissa been together long? I asked, feeling a little silly as we knelt together on the floor. Peter did not respond right away. He shifted slightly, still staring intently at the floor. Mistress says it's wrong to talk to other submissives without her permission, he said. Oh, sorry, I said at a loss. I cast a sidelong glance at his rigid form. Was this what was expected of me? Was this the standard I was going to be held to? I didn't really know what to make of it. He obviously took satisfaction in being this way, and I couldn't deny that it turned me on a little bit the way Melissa controlled him, completely and unequivocally even in absentia. Would I be that way? Would I be able to be?
