When Johnny Came Marching John R. Downes, 2012-03-28 What about those who'd drowned in the convoy since midnight? They were dead... their dreams quashed by a devastating event. Poof! Gone! One minute breathing... the next not. What about loved ones who were awaiting their arrival in America? Their dreams were quashed, too, weren't they? How were the dead ones chosen? And the survivors? Some would say it was their destiny, the work of an omniscient God. Surely, purpose and meaning mattered, though, or why would God even cause their existence to occur, if only to end for some in such a questionable and unfathomable fate? Those other ships were sunk by German U-boat torpedoes, but not Johnny's? No one was given a choice... yet, he survived to write this autobiography.

The Last British Dambuster George Johnny Johnson,2015-06-04 'I was anxious to fight. Hitler was the bastard who had started all this and he needed sorting out. We were under threat. Everything we stood for: our country, our families and our way of life was being attacked by this maniac. He could not be allowed to win. So for me and many, many others like me, there was no alternative. We were in a pickle and something had to be done.' Johnny Johnson is 92 years old and one of very few men who can recall first-hand the most daring and ingenious air raid of all time. He can also vividly remember his childhood spent working on a farm with his controlling father, the series of events that led him to the RAF and the rigorous training that followed. But it was his decision to join 617 Squadron, and the consequences, that have truly stayed etched in his mind. On 16 May 1943, Johnny, alongside 132 specially selected comrades, took off from Scampton airbase in Lincolnshire. For six weeks they had been trained to fulfil one mission that was near impossible: to destroy three dams deep within Germany's Ruhr Valley. It was a daring task but, against the odds, Johnny and his crew survived. Sadly, 53 comrades did not. For the first time, Johnny relives every moment of that fatal night - and the devastating aftermath. He recalls with unique wit and insight the difficult training conducted in secrecy, the race against time to release the bombs, and the sheer strength and bravery shown by a small unit faced with great adversity and uncertainty. Embodying a whole squadron, and leaving a lasting legacy for generations to come, Johnny's story is like no other.

Little Johnny Jones George M. Cohan, 2014 Hailed as the first American musical Little Johnny Jones changed musical theatre history. George M. Cohan, displeased that Broadway musicals at the time were European based, set out to write a truly American musical. Using the story of an American jockey, Cohan legitimized the use of American narratives for the musical theatre. While not a darling of the critics, the musical was a tremendous crowd pleaser and gave Cohan his first break out hits with Give My Regards to Broadway and The Yankee Doodle Boy. Theatre Arts Press is proud to publish the first printed libretto of this classic American musical.

The Secret World of Johnny Depp Nigel Goodall, 2010-06-07 Nigel Goodall has written more than a dozen books, including the best-selling Winona Ryder (Blake, 1998), nominated for the Samuel Johnson Prize for Non-Fiction in 1999. He was a production associate for Channel 4's The Real Winona Ryder. His other books include Elton John: A Visual Documentary, an illustrated Rolling Stones book and the bestseller Kylie Naked: A Biography (Ebury, 2002, with Jenny Stanley-Clarke). He writes for magazines and contributes to various album, video and television projects. Nigel is divorced with two children.

Portrait of Johnny Gene Lees, 2009-08-19 An intimate biography of the great songwriter, this is also a deeply affectionate memoir by one of Johnny Mercer's best friends. "Moon River," "Laura," "Skylark," "That Old Black Magic," "One for My Baby," "Accentuate the Positive," "Satin Doll," "Days of Wine and Roses," "Something's Gotta Give"—the honor roll of Mercer's songs is endless. Both Oscar Hammerstein II and Alan Jay Lerner called him the greatest lyricist in the English language, and he was perhaps the best-loved and certainly the best-known songwriter of his generation. But Mercer was also a complicated and private man. A scion of an important Savannah family that had lost its fortune, he became a successful Hollywood songwriter (his primary partners included Harold Arlen and Jerome Kern), a hit recording artist, and, as co-founder of Capitol Records, a successful businessman, but he remained forever nostalgic for his idealized childhood (with his "huckleberry friend"). A gentleman, a nasty drunk, funny, tender, melancholic, tormented—Mercer was a man immensely talented yet plagued by self-doubt, much admired and loved but never really understood. In music historian and songwriter Gene Lees, Mercer has his perfect biographer, who deals tactfully but directly with Mercer's complicated relationships with his domineering mother; his tormenting wife, Ginger; and Judy Garland, who was the great love of his life. Lees's highly personal examination of Mercer's life is sensitive as only the work of a friend of many years could be to the conflicts in Mercer's nature. And it is filled with insights into Mercer's work that could come only from a fellow lyricist (whose own lyrics were much admired by Mercer). A poignant, candid, revelatory portrait of Johnny.

Johnny R. S. Rose, Gordon D. Scott, 2010 The life and career of a spy, the German-born Johann Heinrich Amadeus Johnny de Graaf (1894-1980), who was a double agent for the British against the Soviets before the Second World War, and worked for Canada against Canadian Fascists during the war--Provided by publisher.

Here's Johnny! Ed McMahon, 2005-10-16 Here's Johnny is like sitting with Ed and Johnny over lunch: The last time I saw Johnny, about a year before he died, we had chicken, a couple of glasses of red wine, and then we just sat there and reminisced, going back and forth the way we did on the show. We talked about our kids, and our careers and the state of America, just two lucky guys who loved each other and the good luck of our careers. Ed McMahon is the only person who was with Johnny Carson, even before The Tonight Show, when they both first appeared on Who Do You Trust. Now, with Johnny's blessing before he died, McMahon can finally share all the stories that only he knows. From the sofa at Johnny's right, to backstage, to their personal relationship - McMahon will provide a real view of the man who was so careful to only show one side of himself to the public. Brilliant in front of the camera, but shy in person, Carson seldom gave interviews. Only McMahon can tell the stories and provide the insights into the personality that made Johnny Carson more of a friend we invited into our home than a television star. This entertaining tribute will feature over 200 pictures, many never before published, from both McMahon's and Carson's private archives.
