

# George Smiley Series

## John le Carré

**Smiley's People** John Le Carré, 2008-10-16 The classic Cold War novel. Into a shadowy, violent and intricate world steeped in moral ambivalences steps George Smiley - tubby, perceptive and morally perplexed as ever - sometime acting Chief of the Circus, as the Secret Service is known. A Russian émigré woman is accosted in Paris in broad daylight by a Soviet intelligence officer. A scared Estonian boy plays courier in Hamburg. In London at the dead of night, George Smiley is summoned from his lonely bed by news of the murder of an ex-agent. His brief is to bury the crime, not solve it. His dilemma is the number of ghosts from the past who clamour to him from the shadows. Through scenes of mounting revelation, and a cast of superbly drawn characters, through Switzerland, Hamburg, Paris and the fens of Schleswig-Holstein, le Carré rallies us irresistibly to the chase, till we find ourselves at Smiley's very side on the Berlin border, where Smiley's people - the 'no-men of no-man's land' - conduct their grimy commerce.

**A Murder of Quality** John le Carré, 2011-05-26 A murder mystery in the finest tradition of English detective novels, John le Carré's *A Murder of Quality* is an ingenious puzzle featuring his best-loved character George Smiley. Stella Rode has twice disturbed the ancient cloisters of Carne School: firstly by being the wrong sort, with her doilies and china ducks, and secondly by being murdered. George Smiley, who has his own connection with the school, is asked by an old Service friend to investigate. Smiley knows that Stella feared her husband would murder her, but as he probes further beneath Carne's respectable veneer, he uncovers far more than a simple crime of passion. In his second George Smiley novel, le Carré moves outside the world of espionage to reveal the secrets at the heart of another particularly English institution. The result is a pitch-perfect murder mystery, with Smiley as master detective. If you enjoyed *A Murder of Quality*, you might like le Carré's *Call for the Dead*, also available in Penguin Modern Classics. 'Beautifully intelligent, satiric and witty' *Daily Telegraph*

*Call for the Dead* John le Carré, 2011-11-03 'The new crime and espionage series from Penguin Classics makes for a mouth-watering prospect' *Daily Telegraph* An apparent suicide. A deepening mystery. A letter from a dead man... Secret agent George Smiley is in trouble. A Foreign Office civil servant, Samuel Fennan, has killed himself, and Smiley realizes that Intelligence head Maston is going to set him up to take the blame. Beginning his own investigation, Smiley is shocked to receive an urgent letter from the dead man, and slowly uncovers a network of deceit and betrayal. Le Carré's debut novel was also the first of his many books to feature the tenacious, unassuming and singular George Smiley.

Tinker Tailor Soldier Spy John le Carré,2018-09-27 Discover the new Penguin Crime and Espionage series A Russian mole has infiltrated the British establishment - and the spymaster Smiley must dig them out... George Smiley, formerly of the Secret Intelligence Service, is contemplating his new life in retirement when he is called back on an unexpected mission. His task is to hunt down an agent implanted by Moscow Central at the very heart of the Circus - one who has been buried deep there for years. The dogged, troubled Smiley can discount nobody from being the traitor, even if it is one of those closest to him.

**The Honourable Schoolboy** John le Carré,2018-09-27 In the second part of John le Carré's Karla Trilogy, the battle of wits between spymaster George Smiley and his Russian adversary takes on an even more dangerous dimension. George Smiley, now acting head of the Circus, must rebuild its shattered reputation after one of the biggest betrayals in its history. Using the talents of journalist and occasional spy Jerry Westerby, Smiley launches a risky operation uncovering a Russian money-laundering scheme in the Far East. His aim: revenge on Karla, head of Moscow Centre and the architect of all his troubles. 'Energy, compassion, rich and overwhelming sweep of character and action' The Times 'A remarkable sequel ... the achievement is in the characters, major and minor ... all burned on the brain of the reader' The New York Times THE SIXTH GEORGE SMILEY NOVEL

Smiley's People John Le Carré,2011-06 Paris, London, Germany, and Switzerland are the settings for a tale of espionage in which a final, conclusive confrontation takes place between George Smiley and his Russian adversary, Karla.

**Tinker, Tailor, Soldier, Spy** John Le Carre,2011-06 British agent George Smiley ferrets out a mole in the Secret Service and begins his epic game of international chess with his Soviet counterpart, an agent named Karla. By the best-selling author of The Honourable Schoolboy. Reissue.

*John Le Carré and the Cold War* Toby Manning,2018-01-25 John le Carré and the Cold War explores the historical contexts and political implications of le Carré's major Cold-War novels. The first in-depth study of le Carré this century, this book analyses his work in light of key topics in 20th-century history, including containment of Communism, decolonization, the Berlin Wall, the Cuban missile crisis, the Cambridge spy-ring, the Vietnam War, the 70s oil crisis and Thatcherism. Examining *The Spy Who Came in from the Cold* (1963), *Tinker Tailor Soldier Spy* (1974), *Smiley's People* (1979) and other novels, this book offers an illuminating picture of Cold-War Britain, while situating le Carré's work alongside that of George Orwell, Graham Greene and Ian Fleming. Providing a valuable contribution to contemporary understandings of both British spy fiction and post-war fiction, Toby Manning challenges the critical consensus to reveal a considerably less radical writer than is conventionally presented.

A Murder of Quality John le Carré,2011-05-26 George Smiley becomes involved in the affairs of Carne School in Dorset when the wife of a school master is murdered. Gradually Smiley uncovers layers of intrigue and complexity behind the very

English facade of the school.

**The Looking Glass War** John le Carré, 2011-11-03 A Cold War thriller from the master of spy fiction, John le Carré's *The Looking Glass War* is a gripping story of double-crosses, audacious bluffs and the ever-present threat of nuclear war, and the fourth George Smiley novel. When the Department - faded since the war and busy only with bureaucratic battles - hears rumour of a missile base near the West German border, it seems like the perfect opportunity to regain some political standing in the Intelligence market place. The Cold War is at its height and the Department is dying for a piece of the action. Swiftly becoming carried away by fear and pride, the Department and her officers send deactivated agent Fred Leiser back into East Germany, armed only with some schoolboy training and his memories of the war. In the land of eloquent silence that is Communist East Germany, Leiser's fate becomes inseparable from the Department's. 'A devastating and tragic record of human, not glamour, spies' *New York Herald Tribune* 'A book of rare and great power' *Financial Times*

**A Legacy of Spies** John le Carré, 2017-09-07 Chosen as a Book of the Year in *The Times Literary Supplement*, the *Evening Standard*, the *Daily Telegraph*, the *Guardian*, *The Times* 'A brilliant novel of deception, love and trust to join his supreme cannon' *Evening Standard* 'Vintage le Carré. Immensely clever, breathtaking. Really, not since *The Spy Who Came in from the Cold* has le Carré exercised his gift as a storyteller so powerfully and to such thrilling effect' John Banville, *Guardian* Peter Guillam, former disciple of George Smiley in the British Secret Service, has long retired to Brittany when a letter arrives, summoning him to London. The reason? Cold War ghosts have come back to haunt him. Intelligence operations that were once the toast of the Service are to be dissected by a generation with no memory of the Berlin Wall. Somebody must pay for innocent blood spilt in the name of the greater good . . . 'Utterly engrossing and perfectly pitched. There is only one le Carré. Eloquent, subtle, sublimely paced' *Daily Mail* 'Splendid, fast-paced, riveting' Andrew Marr, *Sunday Times* 'Remarkable. Vintage John le Carré. It gives the reader, at long last, pieces of a jigsaw puzzle that have been missing for 54 years. Like wine, le Carré's writing has got richer with age. Don't wait for the paperback' *The Times* 'Perhaps the most significant novelist of the second half of the 20th century in Britain. He's in the first rank' Ian McEwan 'One of those writers who will be read a century from now' Robert Harris

**The Secret Pilgrim** John le Carré, 2011-05-26 The last of John le Carré's espionage novels to feature his most enduring and well-loved character, George Smiley, and a gripping feat of narrative brilliance, *The Secret Pilgrim* is published in Penguin Modern Classics with an afterword by the author. The Cold War is over and Ned has been demoted to the training academy. He asks his old mentor, George Smiley, to address his passing-out class. There are no laundered reminiscences; Smiley speaks the truth - perhaps the last the students will ever hear. As they listen, Ned recalls his own painful triumphs and inglorious failures, in a career that took him from the Western Isles of Scotland to Hamburg and from Israel to Cambodia. He asks himself: Did it do any good? What did it do to me? And what will happen to us now? In this final Smiley

novel, the great spy gives his own humane and unexpected answers. If you enjoyed *The Secret Pilgrim*, you might like le Carré's *The Spy Who Came In From the Cold*, also available in Penguin Modern Classics. 'Consummate and enthralling' Observer

**The Man Who Was George Smiley** Michael Jago, 2013-02-14 Investigator, interrogator, intellectual hero: the perfect inspiration for the perfect spy. This first full-length biography traces the life of the remarkable and engaging John Bingham, the man behind John le Carré's George Smiley. The heir to an Irish barony and a spirited young journalist, John Bingham joined MI5 in 1940; his quiet intellect, wry wit and knack for observation made him a natural. He took part in many of MI5's greatest wartime missions - from the tracking of Nazi agents in Britain to Operation double cross that ensured the success of D-Day - and later spent three decades running agents in Britain against the Communist target. Among his colleagues his skills were legendary and he soon became a mentor to many a novice spy - including one David Cornwell, the later le Carré. Bingham, too, was an innovative writer who perfected the psychological thriller, marrying cold objectivity with an explanation of the darkest reaches of human behaviour. His early novels were applauded but, for all his success, Bingham struggled to match the fame of the man he had inspired. Drawing on Bingham's published and unpublished writings, as well as interviews with his family, Michael Jago skilfully tells the riveting yet poignant tale of the man who was George Smiley.

**The Quest for Karla** John Le Carré, 1982 Three Novels; *Tinker, Tailor, Soldier, Spy*-The Honourable Schoolboy-Smiley's People.

*The Looking Glass War* John le Carré, 2013-03-05 From the New York Times bestselling author of *A Legacy of Spies*. You are either good or bad, and both are dangerous. It would have been an easy job for the Circus: a can of film couriered from Helsinki to London. In the past the Circus handled all things political, while the Department dealt with matters military. But the Department has been moribund since the War, its resources siphoned away. Now, one of their agents is dead, and vital evidence verifying the presence of Soviet missiles near the West German border is gone. John Avery is the Department's younger member and its last hope. Charged with handling Fred Leiser, a German-speaking Pole left over from the War, Avery must infiltrate the East and restore his masters' former glory. John le Carré's *The Looking Glass War* is a scorching portrayal of misplaced loyalties and innocence lost. With an introduction by the author.

*The Looking Glass War* John Le Carré, 2020-02-27 A department of ageing British spies will break any rule for the glory of launching a secret agent into communist East Germany, in the fourth novel featuring George Smiley.

**The Karla Trilogy Digital Collection Featuring George Smiley** John le Carré, 2011-12-06 *TINKER, TAILOR, SOLDIER, SPY* The first novel in John le Carré's celebrated and New York Times bestselling Karla trilogy featuring George Smiley, *Tinker, Tailor, Soldier, Spy* is a heart-stopping tale of international intrigue. The man he knew as Control is dead, and the young Turks who forced him out now run the Circus. But George Smiley isn't quite ready for retirement-especially when a

pretty, would-be defector surfaces with a shocking accusation: a Soviet mole has penetrated the highest level of British Intelligence. Relying only on his wits and a small, loyal cadre, Smiley recognizes the hand of Karla—his Moscow Centre nemesis—and sets a trap to catch the traitor. **THE HONOURABLE SCHOOLBOY** As the fall of Saigon looms, master spy George Smiley must outmaneuver his Soviet counterpart on a battlefield that neither can afford to lose. The mole has been eliminated, but the damage wrought has brought the British Secret Service to its knees. Given the charge of the gravely compromised Circus, George Smiley embarks on a campaign to uncover what Moscow Centre most wants to hide. When the trail goes cold at a Hong Kong gold seam, Smiley dispatches Gerald Westerby to shake the money tree. A part-time operative with cover as a philandering journalist, Westerby insinuates himself into a war-torn world where allegiances—and lives—are bought and sold. Brilliantly plotted and morally complex, *The Honourable Schoolboy* is the second installment of John le Carré's renowned and New York Times bestselling Karla Trilogy, the follow-up to *Tinker, Tailor, Soldier, Spy*. **SMILEY'S PEOPLE** Tell Max that it concerns the Sandman... A very junior agent answers Vladimir's call, but it could have been the Chief of the Circus himself. No one at the British Secret Service considers the old spy to be anything except a senile has-been who can't give up the game—until he's shot in the face at point-blank range. Although George Smiley (code name: Max) is officially retired, he's summoned to identify the body now bearing Moscow Centre's bloody imprimatur. As he works to unearth his friend's fatal secrets, Smiley heads inexorably toward one final reckoning with Karla—his dark "grail." In *Smiley's People*, master storyteller and New York Times bestselling author of *The Spy Who Came in from the Cold* and *Our Kind of Traitor* John le Carré brings his acclaimed Karla Trilogy, to its unforgettable, spellbinding conclusion. John le Carré's memoir, *The Pigeon Tunnel: Stories from My Life*, will be available from Viking in September 2016

*A Murder of Quality* John le Carré, 2012-10-02 From the New York Times bestselling author of *A Legacy of Spies*. Fielding and Jebedee were dead, Steed-Asprey vanished. Smiley—where was he? John le Carré's second novel, *A Murder of Quality*, offers an exquisite, satirical look at an elite private school as it chronicles the early development of George Smiley. Miss Ailsa Brimley is in a quandary. She's received a peculiar letter from Mrs. Stella Rode, saying that she fears her husband—an assistant master at Carne School—is trying to kill her. Reluctant to go to the police, Miss Brimley calls upon her old wartime colleague, George Smiley. Unfortunately, it's too late. Mrs. Rode has just been murdered. As Smiley takes up the investigation, he realizes that in life—as in espionage—nothing is quite what it appears.

*The Honourable Schoolboy* John Le Carré, 2011 George Smiley, of England's Secret Service, goes onto the attack, manipulating old Asian hand Jerry Westerby through the Far East and a tangle of money, defection, passion, loyalty and love that severely tests Westerby's hitherto unfaltering allegiances. By best-selling the author of *Tinker, Tailor, Soldier, Spy*. Reissue.

## George Smiley Series Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free George

Smiley Series PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they

are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free George Smiley Series PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property

rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of George Smiley Series free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## FAQs About George Smiley Series Books

### What is a George Smiley Series

**PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a George Smiley Series PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a George Smiley Series PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert**

**a George Smiley Series PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a George Smiley Series PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to

compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
