A Precious Stone Leslie M. Arno 2015-01-28 After the death of her parents and grandparents, eighteen-year-old Jewel Etchemendy, a Basque woman, inherits her family's 28,000-acre sheep ranch in Johnson County, Wyoming. When she receives an anticipated, yet unwelcome, marriage proposal from her best friend—the son of the family who manages her ranch—she flees, abandoning everything while throwing herself into college and then serving in Iraq as a combat nurse. Jewel's story begins after she leaves the military to return home. She finds herself in an Alaskan wilderness competition where she meets and falls in love with a man who takes her on an adventure of a lifetime, where she is forced to make the ultimate life or death decision to save herself. After meeting Grady McDonald, an ex-U.S. Army sniper from Belle Fourche, South Dakota, she learns to accept love again. Grady's family becomes her own, and the love and support from them strengthens her enough to face her fears and return to everything she had abandoned in Wyoming. Still not content to simply settle in Wyoming, Jewel and Grady embark on another adventure that changes the course of their lives. What is supposed to be a simple trip to help provide humanitarian aid, turns into a nightmare that takes them as far as Uganda where they will have to survive harsh conditions, militant Inherahamwe rebels, and a hostage situation that takes them beyond their limits. Grady, along with a team of ex-military men from various branches of the armed services, will have to call on their military background and experience to free them from the grips of one of the most feared terrorists in Africa.

Drama High: The Fight L. Divine 2006-09-26 Brimming with the same spirited sense of style and magic as Disney's *That's So Raven*, *Drama High* introduces a fun, brazen new series featuring a young sistah who's learning that life in the `hood is nothing compared to life in high school... Proudly hailing from Compton, USA, sixteen-year-old Jayd Jackson is no stranger to drive-by shootings or run-ins with the friendly neighborhood crackhead. Street-smart, book-smart, and life-smart, she's nobody's fool--least of all KJ's, the most popular and cutest basketball jock at South Bay High, aka *Drama High*. Yes, it's a fact, Jayd fell hard for his player ways for a time, but now that KJ's shown his true colors--dumping Jayd because she refused to give up the cookies--she's through with him and his game playing for good. Jayd just wants to start her Junior year of high school drama free. But wanting ain't getting, especially at a place like *Drama High*, a predominately white high school in a wealthy part of Los Angeles, where Jayd and 30 other Compton kids get bussed to daily. Saying race relations aren't what they should be would be putting it mildly, and that's just the beginning of the drama. Jayd's first day back to school, KJ's new girlfriend, Trecee, steps to her wanting to fight. Egged on by Misty, Jayd's former best friend-turned-nemesis, Trecee wants to make Jayd understand that KJ is off limits--even if she has to do it with her fists. With the fight set for Friday, and the sistah drama at an all time high, Jayd is about to learn who's really got her back and more importantly, when she's got to watch it. But at least she can always count on Mama, and

her mystical bag of tricks. Drama High is a remarkably assured debut, and L. Divine is a tantalizing and refreshing new voice. Jayd and her bold, honest, and laugh-out-loud funny assessment of life, along with her quirky cast of friends, classmates, loves, her magical family and eccentric neighbors make for an irresistible, can't-put-it-down read.

Drama High: Second Chance L. Divine 2012-03-01 Back for another dose of high drama, Compton's sassiest, Jayd Jackson, is about to discover it really is a different world when she starts dating South Bay High's finest white boy. . . All Jayd Jackson wants is a drama-free year at South Bay High, a.k.a. Drama High. But it doesn't seem she's going to get it. It's only the second week of Junior year and already, Misty, her nemesis, has almost gotten her killed after instigating a fight between Jayd and KJ's girlfriend, Trecee. But it goes with the territory. She's a fire child, and granddaughter to Lynne Mae Williams—Mama—and Mama says that means the drama will follow Jayd wherever she goes. Even so, Jayd just wants to chill, still hoping Junior year can carry on, drama-free. And with Misty and KJ reportedly "hanging," Jayd is ready to move on. But the brother won't stop blowing up Jayd's cellie, and the text-messages keep coming; and the message is clear: KJ wants Jayd back bad. But Jayd couldn't care less. She's got a new man to kick-it with now—a half-Jewish white boy from Palos Verdes whose parents are loaded with a capital "L." And Jeremy Weiner's no ordinary white boy—he listens to East Coast rap, he's got a sweet ride, and he's got it bad for Jayd Jackson. But no one at South Bay High will just let a sistah be happy. Misty's back to her usual foolishness, KJ's all over her jock, and the notoriously anti-black teacher Mrs. Bennett is tripping. Jeremy's got her totally sprung, but she's going to have to rely on her brains—and some of Mama's magic, of course—if she's going to survive another week at Drama High. L. Divine is at the top of her game in this superb follow-up to the power-packed Drama High: The Fight. Look for the next juicy installment, Jayd's

My Husband Has Died, but That'S Not the Funny Part Debra J. Blood 2013-02-19 Losing her husband Dennis unexpectedly in 2011, at the young age of 47, Debra was faced with handling grief in the only way she knew how, with strength, grace and much laughter. Debra worked through her tears by posting to her husband each day (for one year) on a social media website after his passing. She credits her seeing the light of day by sharing funny stories of their time together and walking through the pain, not alone, but with her ever growing unshakeable faith in God and the resounding love of many who have taken this journey each day with her. Through her stories, her daily blog (thehappywidow.com) and her posts she has used her distinctively unique humor, desire to honor the love of her life, and her ability to tell it like it is to inspire, lift, and encourage others in a way seldom seen. Losing the one you love suddenly is like being put on a roller coaster ride (and I have always hated those). You rise slowly, fall fast, hold on for dear life, and scream not so nice words that you hope those around you didnt hear. But when you get off this ride, while you may not want to buy another ticket, you are so proud of yourself for just being able to say you let go, threw your hands in the air the entire time and you indeed lived through it. You will laugh, you will cry, at time you will pray you never personally know how she truly feels, but after you read this book that was written to her sweet husband Dennis and for her

The Women of Orphan Black Valerie Estelle Frankel

2018-04-11 Orphan Black's Tatiana Maslany plays a host of the show's main characters, all clones of an illegal experiment. The mighty heroines save one another and destroy the patriarchy while subverting gender expectations. The feminist clones are Sarah, who clashes with her radical feminist foster-mother; Alison, the quintessential post-feminist housewife; Cosima, a second-wave feminist lesbian; Beth, a third-wave feminist bogged down by addiction; and M.K., a fourth-wave feminist who tackles the hardships of disability through the Internet. The book explores the women's war against corporate power and how it relates to the science and ethics surrounding cloning.

Geographies of Girlhood Pamela J. Bettis 2005-03-23

Geographies of Girlhood: Identities In-Between explores how adolescent girls come to understand themselves as female in this culture, particularly during a time when they are learning what it means to be a woman and their identities are in-between that of child and adult, girl and woman. It illuminates the everyday realities of adolescent girls and the real issues that concern them, rather than what adult researchers think is important to adolescent girls. The contributing authors take seriously what girls have to say about themselves and the places and discursive spaces that they inhabit daily. Rather than focusing on girls in the classroom, the book explores adolescent female identity in a myriad of kid-defined spaces both in-between the formal design of schooling, as well as outside its purview--from bedrooms to school hallways to the Internet to discourses of cheerleading, race, sexuality, and ablebodiness. These are the geographies of girlhood, the important sites of identity construction for girls and young women. This book is situated within the fledgling field of Girls Studies. All chapters are based on field research with adolescent girls and young women; hence, the voices of girls themselves are primary in every chapter. All of the authors in the text use the notion of liminality to theorize the in-between spaces and places of schools that are central to how adolescent girls construct a sense of self. The focus of the book on the fluidity of femininity highlights the importance of race, class, sexual orientation, and other salient features of personal identity in

discussions of how girls construct gendered identities in different ways. Geographies of Girlhood: Identities In-Between challenges scholars, professionals, and students concerned with gender issues to take seriously the everyday concerns of adolescent girls. It is recommended as a text for education, sociology, and women's studies courses that address these issues.

The Last Black Unicorn Tiffany Haddish 2017-12-05 NEW YORK TIMES BESTSELLER “An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious.” —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

International Perspectives on Educating for Democracy in Early Childhood Stacy Lee DeZutter 2023-05-08 This book brings together established and emerging scholars from around the globe to highlight new directions for research on young children as active, engaged citizens of classrooms. Divided into three sections, the volume draws on innovative methods to explore diverse conceptualizations of citizenship, children's understandings, and effective practice. Rejecting traditional views of children as citizens-in-preparation, the volume explores how young children can and do live as citizens, and how early childhood educational settings serve as civic forums. Chapters discuss the child-as-citizen in relation to issues including gender, class, race, tribal status, and linguistic diversity, and ultimately illustrate how sociocultural processes in early years settings can be harnessed to promote the development of democratic dispositions and skills. Eden's Last Child Njoki Kamau 2014-12-11 David Mwangi is young, handsome, and intelligent, the kind of son any mother would be very proud of. His smile, however, hides a sad secret that keeps him running from friends and the comfort of family life. David's fears come to a head when his friend is killed in a homophobic attack. Terrified, he flies to Britain, hoping for a better life in a free and fair society. His problems, however, follow him across the ocean. As his secret life is unveiled, his family is thrown into turmoil as they try to come to terms with this devastating turn of events. David's mother rushes to London to rescue him from what she believes to be a fate worse than death. In the midst of the dramatic events that follow, David ends up in hospital in a critical condition while his family disintegrates in an emotional roller coaster of guilt, accusations, frustration, and pain. Will they all find the courage to confront their fears and find love once again?

Jews and Humor Leonard J. Greenspoon 2011-10-01 Jews and humor is, for most people, a natural and felicitous collocation. In spite of, or perhaps because of, a history of crises and living on the edge, Jews have often created or resorted to humor. But what is humor? And what makes certain types, instances, or performances of humor "Jewish"? These are among the myriad queries addressed by the fourteen authors whose essays are collected in this volume. And, thankfully, their observations, always apt and often witty, are expressed with a lightness of style and a depth of analysis that are appropriate to the many topics they cover. The scholars who contributed to this collection allow

readers both to discern the common features that make up "Jewish humor" and to delight in the individualism and eccentricities of the many figures whose lives and accomplishments are narrated here. Because these essays are written in a clear, jargon-free style, they will appeal to everyone—even those who don't usually crack a smile!
