Tinder Sex Stories - Swipe Me Hard 2019-06-28

More than 500 matches. More than 100 dates. About 50 kisses and 30 sex experiences. 22 of them were really kinky and unusual, and have

made it into this book. Tinder stories as never told before, with all the intimate details. A blowjob on the first date. Sex in public places. BDSM. Interracial sex. Sex during the period. Anal sex. Unusual orgasms.

MILFs. Nymphos. This book has them all! And they are NOT made-up stories or fantasies. Everything happened JUST as it's described! This was basically my life during the past 2 years. It was totally dedicated to the Tinder app. Countless hours of chatting, hundreds of flirts, hundreds of nude pics and lots of dirty talking and sexting that never became a reality. But also lots of dates, lots of experiences, both good and bad sex, dreams and fantasies that came true, but also lots of disappointments. A lot of wasted time, but also some great memories. A lot of knowledge and new information about the nature of women. Among the chapters you will find: -The Nympho-She Loved The Suck Cock-The Exorcism-So Many Orgasms-The Belgian MILF-So Much Blood-The 35 Years-Old Virgin-5 Fuck Buddies-The Set of Toys-And many more! I'll start this book by presenting some of the most interesting experiences I've had, and for obvious reasons all the names are fictional. Besides that, everything is written EXACTLY as it happened. Then, I'll present some of the bad experiences too. I'll end up by saying a few general things about the Tinder app, about how its algorithm works and about how different the experience is for men and women. In this app the girls have the power.

Dantes World of Erotica - Dante X 2020-11-30

This is book 2 in the series. Contents. First time with Asian couple in the club. The Korean Girl. Thai wife loves big cock toy boy. The Mango resort - Trevor. The Mango resort - Apple and the German. Excerpt from First time with Asian couple in the club. Her husband was now looking at my hand, as was Lynn, the Asian girl relaxed and retracted her hand leaving me to feel and caress her thigh. It was even softer than I'd imagined and so smooth. Lynn was still kissing around my bell end and I could feel the first twitches of my impending orgasm. As I explored her leg, she pressed into me again, so I slipped my hand down between her legs and felt the soft fleshy part at the junction of her thighs. Her husband eased out and I noticed his glistening fingers... he was definitely inside her. Looking up at me he nodded, as if he was giving me the go ahead to have a feel. She was now pressing her breast into my upper arm as my hand moved closer and closer to her most private place. Brushing my fingers over the gusset of her black leather knickers made her jerk and grab hold of my arm, pulling it closer into her breasts. Rubbing her nipples with the back of my arm, I pressed my fingers into her pussy. She was almost naked except for the tiny black leather knickers which made her look incredibly sexy and made me wonder why she was wearing them instead of a something easier to get into. Her husband was also watching, as was Lynn still caressing her breast with her free hand. I was caressing her other breast as the husband stared and then looked me in the eye, then looked down at Lynn. I knew what he was asking, so nodded as I pressed my hand deeper between his wife's legs making her part them even more. Lynn was staring at my hand, not believing what I was doing but clearly turned on as she was wanking me with long slow strokes occasionally sucking on my helmet. He slid to the floor and knelt behind Lynn, casually slipping his hand around to caress her breast. I moved my hand away and lay back, continuing to rub my arm against his wife's breasts. I could feel her hard nipples against my arm and her nervous

trembling as I kept rubbing and pressing my arm into her. Now openly stroking and squeezing her inner thigh, she had her hand under my arm and was touching my thigh, like I was doing to her and getting closer and closer to my cock. Dipping down between her legs, I eased a finger up the tight leg opening and felt her wetness, it slipped in no problem as she was clearly so turned on and grabbed my hand, as if to stop me entering her. But I rubbed her nipple again with my arm and she released her grip letting me explore her beautiful smooth slit. Her husband was now caressing both of Lynn's breasts from behind as she watched me working between his wife's legs, but also her hand getting closer to my cock. Lynn sat up and stared at me as I watched him cupping her breasts and squeezing her nipples. Then she shocked me by reaching out and took hold of the girl's hand and moved it onto my cock. God it was such a turn on, I nearly shot my load as her hand explored me for the first time. She started stroking my shaft and as it was still covered in Lynn saliva, she rubbed it all around the head and teased me with her finger nails, dragging them up and down my length and around scrotum and bell end. I pushed my hand down deeper and managed to get two fingers inside her. She was so wet, I thought at first she'd peed herself but it was too sticky and soon realised she was incredibly aroused. Lynn was now caressing her thigh as her husband reached down between Lynn's legs at the back, obviously fingering her like I was doing to his wife. Both girls staring at each other as we all played and caressed each others partners. Lynn was so close to her pussy that I eased out and pulled her hand closer, she knew what I wanted, so slid her fingers up her leg opening and entered her.

Secret Sex - Iris Finz 2007-04-01

Iris and Steven Finz have an uncanny knack for getting people to talk about the intimate details of their sex lives. For more than a decade, they have been interviewing people from all segments of society and, with the permission of their subjects, passing the stories along to their readers. They've talked to regular housewives and hard-working husbands, confirmed bachelors, computer techies, nurses, ski instructors -- people from every walk of life -- to find out how they keep their sex lives fresh and exciting. Their books about the sexual experiences and fantasies of real people have become standard night-table fare in bedrooms all around the world. Readers use them not only to add erotic parks to their own relationships, but also to develop a better understanding of the sexual behavior of others. In *Secret Sex: Real People Talk About Outside Relationships They Hide From Their Partners*, the Finzes take an explicit and provocative look at sex outside a committed relationship. Through various tales of sexual adventures people keep hidden from their significant others, the Finzes reveal how extramarital sex sometimes damages or destroys a relationship, and sometimes helps or even strengthens it. Working to understand the sexual behavior of the people described in this book will help readers to better understand his or her own sexuality. While we learn the most through observation, the civilized

world provides little opportunity to observe others having sex. Consequently, many people form opinions based on the exaggerated worlds of novels and pornography. While these worlds are exciting, forming opinions based on fiction can lead to skewed perceptions of sexual behaviors occurring outside the realm of our own personal experience. In their unique approach, Iris and Steven Finz provide candid accounts and explicit information, both of which are essential to a true understanding of sexuality.
