Hypnotize Your Wife Live a Better Life [Or Your Girlfriend for That Matter] The Nameless Hypnotist 2015-02-23 People have been conditioned to believe certain things about the way relationships should operate. Sometimes gender roles are blurred. In recent times this seems to be more evident, doesn't it? My beliefs, now, are that gender roles should be very specific and quite clearly defined. I believe that men are the stronger sex. I believe that men tend to be more logical thinkers. I believe girls should be subservient; that is: prepared to obey their man unquestioningly and are, by nature, the weaker sex. I also believe when a girl knows her place and a man knows his place in a relationship that the relationship functions better and both sexes are happier. When a girl is docile; that is, ready to accept control or instruction; submissive, she knows instinctively that the relationship is solid and that she will be rewarded for her submissiveness. This causes her to lose her depression, her fear, and her feelings of uncertainty and constant confusion and lack of safety. These are positive benefits that have been forgotten by girls, which, when reminded, and rekindled, prove their significance and relevance to the girl's happiness. The more your girl accepts your control and instruction the more happy both of you will be, let me assure you. This is something most men and girls get excited about when they adhere to their respective gender roles. In many ways this book will teach you a relationship system that utilizes conversational hypnosis; so that, as a man, you can define your relationship in this way, so you are happy and your wife or girlfriend is happy too. It is your responsibility to learn this information and even more your responsibility to implement it; that is, training your wife or girlfriend to be servient. Follow these instructions carefully and your wife or girlfriend will be the perfect little girl you've always hoped her to be. I promise. Grab Your Copy Now! Do not think twice; I promise it works!

**Tapping the Little Girl in Your Woman** Ryan Hale 2016-10-26 Something has do be done. Too many relationships are ending in divorce and heartache. I blame the men. I blame you. Don't get mad too at me just yet, let me explain my reasoning. Men have misplaced authority over their girl(s). They no longer dominate and take the reigns. They let the girl tell them what to do, feminizing them. Most people reading this know I'm 100% right, but people reading this will still get their feeling hurt and want to immediately criticize me for this argument. Many of you reading this book intro will be secretly condemning me to hell. Others will be upset with me for telling it like it is. Come up with whatever excuse you want, women are hardwired to submit and do as they're told. They are hardwired to be little girls. Here's my peace on this matter: The cause of a woman's unhappiness is the fact that they have been socially conditioned to believe that they have power, can manage independently, etc. etc. etc. A woman who knows her place, who obeys her man, who accepts him as her dominant - the girl is always happy and contented with being a submissive little girl. On the other hand - a woman who attacks men aggressively, spouts off all this equality crap, and who refuses to submit is ALWAYS unhappy, depressed, and miserable. If you happen to be a girl reading this, I hope this helps you better understand your problems. I am a man. I dominate. It's what I'm hardwired to do. I make no appologies for it. I am who God made me. I am a man. If you want to buy into the lie that men and women are equal, God forgive you. I am here to tell you that the solution or answer to most, probably all, of your relationship issues is your unwillingness to accept this truth. If you are ready to accept this truth, this book will help you with what to do next. You see, you must learn how to train your woman to be a little girl. This isn't hard, once you know what to do. This book will provide you sound practical advice and how-to so you can transform your relationship (and/or future relationships) with girls in the future. It takes a while to regress a girl back to childhood. I tell you this so you do not give up on your quest to change her back to her normal state, the state God intended her to be. Mainly what you are doing is un-doing the harm that social conditioning has brought on her since her interactions with other feminists, educators, television, internet, etc. We call this process re-education. Your girl must be re-educated if she's to find her happy place once more. I wish you luck. You'll need it. It took me awhile, I won't lie. The journey may not seem rewarding now, but reflecting back I can tell you it was some of the happiest moments in my life - training her to obey and be a little girl. The men I have taught this knowledge to have seen the dawning of a new erra in their relationships and lives. There have been incredible breakthroughs and transformation. Let me walk you down this path. Let me help you. Let's get started. The sooner we do, the sooner you'll fall in love with the little girl that is hidden in your woman. Let's free that little girl and let her know it's okay to emerge and be excepted. Your little girl will love you so much for taking the time to put her in her place and discipline her well. Let's begin. Grab Your Copy Now

You see, your little girl has hidden secret drivers that they don't even know about. Most men don't know about them either. No man wants to be with a girl they cannot control, submit, and believe 100% without doubt, the girl belongs to them, and only them. This book is something special. You will learn how to master control over your girl and through making her relive a past childhood experience, resort back to being the good little obedient girl she once was. When she gets to that place you'll set an anchor to have an instant on an off light switch to reset her back to being that little girl again, anytime she starts to act up, disobey, or not submit to your every wish. Maybe it is time you started being a man. It is time to step up your game and master girls at once, so you can live a happy life and keep your girl happy too. In this book you'll learn how covert hypnosis and hypnotic persuasion and how to apply it so you can indirectly hypnotize, manipulate, control, and train any girl you want to be fully obedient, subservient, and ready to do what you say. The best part she'll be happy assuming the female girl role and happy to obey the man who dominates her and controls her completely. It's a great feeling knowing you're in charge and knowing your girl has become 100% dependent on you, afraid to leave you, unable to make a single decision without your approval. A girl needs to be a girl and now you can make her one. Girl training takes a little bit of time and little knowledge to know what to do, but in the end it's all worth the effort, because you'll be happy and so will she. It's time for you to be a man. *Blind Her Mind Make Her Mind* The Nameless Hypnotist 2015-03-06 Have you ever wondered why some people men can get their girls to obey, while others can't seem to manage themselves? A lot of this has to do with a man's lack of knowledge when it comes to girl obedience training. Most men simply don't know how to handle a girl appropriately. Why do you think this is? The answer may have something to do with the fact that a girl's mother, during childhood, handled her most of the time. The mother reprimanded the female child while the father was left to work and provide for the family. Whenever a girl was reprimanded by her father it was usually a harsher experience than what it was compared to when the mother scolded and punished the girl. Girls may have had some fear or apprehension, even trust issues, when it came to the first man figure in their life. For this reason there exists a disconnection between men and their girls. Believe me when I tell you that it is easier to train a girl than you may think. You see all you really have to do is master the art of Chinese brainwashing techniques. I'll explain more about this in this book, not to worry. Throughout this book, in fact, you're going to learn a lot of things that will help you properly train your girl so she obeys you without question. She'll love to obey you when you apply these techniques. She'll be upset with herself when she disobeys in fact. It's pretty neat, I think you'll find. Imagine the man fixing to get divorced. He can't stand his girl and probably neither can she stand him. What if I told you I could help you fix this problem? Would you pin your ears back and read this book from cover to cover to learn the secret? Of course you would. And, let me say once you learn these techniques you'll be much happier and so will your girl. I am really excited for you. I think your life is going to greatly improve and quickly. When you have the world's best relationship with your girl life can be, well, pretty sweet! Sex is awesome! The way she takes care of you is incredible! The way you think about life is astonishingly different-perfect actually! I want to encourage you to really get ready for the task at hand. Listen; there is a window of opportunity, starting now, that is opened up for you to make a decision right now to change your future for the best. You can't get this moment back, and, yet, it does require that you open up your mind to what is possible, take a leap of faith, suspend any doubt or disbelief you may have, and simply have faith that your life is about to move in a new and more positive direction. People who wait; who are indecisive; who can't seem to make a right decision, when it is presented to them as an opportunity, these people live in mediocrity. Don't be one of these people. Read this book. Learn from it. Apply what you learn. And, create a better life for you and your girl-a life that is happy and one that rewards both of you equally. To do this you first have to make the decision that you are going to take action now and obedience train your girl and simply take control of her mind so you can make her decisions for her-and, well, be a man. Read this book now. Do not delay. Your future is at stake. You do not want to make a mistake. Read this book now. -The Nameless Hypnotist
