Grace Is Not Just A Girl's Name Charlene McCarrell 2023-09-21 Life does not discriminate when doling out good and bad in our lives. Both of these touch all of us, regardless of who we are and where we come from. The good news is that this is not the end of our story. The author's life was and is a roller coaster of both good and bad instances. This is a story of her journey from hopelessness to the discovery of hope in God, who loves us more than anyone here on earth could love us. How she found a "peace that surpasses all understanding," to quote the Bible. Imagine someone who looks at your heart, who sees all that you could be instead of all that you are or all that you are not. Someone that will forgive all you have done once and for all, never to bring it up again. Never to punish you just one more time. Is guilt a part of your life? How about a sense of your life spinning out of control? A hurt that has cut you so deep that you thought you couldn't survive. You do not need to continue in this downward spiral. There is a well of life-giving water there for you. The author will take you on her journey of discovering who she is and whom she belongs to. What she learned about herself and what she chose to do to turn her life around. You, too, can move your hurts and scars to a place of healing and restoration. You, too, can stand tall and move out of the shadows that hold you back from living the way you were made to be. Move into the light, and choose life and joy. It's there, waiting for you.

I was named Harlot because my body was sold before my birth. I am a vessel for others to possess. It's not as exciting as it sounds, I never remember when it happens. They must have thought it was hilarious to name me Harlot, a little stab in the heart. I've actually grown quite fond of it now.

You Can't Say You Can't Play Vivian Gussin Paley 1993-07-16 Who of us cannot remember the pain and humiliation of being rejected by our classmates? However thick-skinned or immune to such assaults we may become as adults, the memory of those early exclusions is as palpable to each of us today as it is common to human experience. We remember the uncertainty of separating from our home and entering school as strangers and, more than the relief of making friends, we recall the cruel moments of our own isolation as well as those children we knew were destined to remain strangers. In this book Vivian Paley employs a unique strategy to probe the moral dimensions of the classroom. She departs from her previous work by extending her analysis to children through the fifth grade, all the while weaving remarkable fairy tale into her narrative description. Paley introduces a new rule—"You can't say you can't play"—to her kindergarten classroom and solicits the opinions of older children regarding the fairness of such a rule. We hear from those who are rejected as well as those who do the rejecting. One child, objecting to the rule, says, "It will be fairer, but how are we going to have any fun?" Another child defends the principle of classroom bosses as a more benign way of excluding the unwanted. In a brilliant twist, Paley mixes fantasy and reality, and introduces a new voice into the debate: Magpie, a magical bird, who brings lonely people to a place where a full share of the sun is rightfully theirs. Myth and morality begin to proclaim the same message and the schoolhouse will be the crucible in which the new order is tried. A struggle ensues and even the Magpie stories cannot avoid the scrutiny of this merciless pack of social philosophers who will not be easily caught in a morality tale. You Can't Say You Can't Play speaks to some of our most deeply held beliefs. Is exclusivity part of human nature? Can we

legislate fairness and still nurture creativity and individuality? Can children be freed from the habit of rejection? These are some of the questions. The answers are to be found in the words of Paley's schoolchildren and in the wisdom of their teacher who respectfully listens to them.
