Models - Mark Manson 2017-09-11

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve

your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" *Sydney Morning Herald* "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" *Huffington Post*

Dating for Introverts - Stuart Killan 2018-11-01

How to "get out of your own head" and make confident, natural approaches to any woman...even if you're terrified of rejection right now The cold approach is the scariest part of dating and pickup. Are these feelings familiar? "What if she laughs at me?" "What if I get rejected?" "What if someone sees me getting rejected?" Before we go any further - this short guide is not your typical "pickup artist" type book You won't be memorizing ridiculous and force lines, or clowning around in front of women. It's a natural way to approach and see if there's a connection there. Which you can use even if you're shy, socially anxious and introverted. A way which immediately takes the pressure off, and allows you to relax. Here's just a fraction of what you'll learn: The #1 thing you can do to get over your fear of rejection (most typical "pickup" programs miss this completely...which is why they rarely deliver results) How to use your body language to give an impressions of coolness The best time to be direct in a conversation Why "just making conversation" is the worst way you can approach a woman you have romantic intentions with The "female wing man" secret to breaking down a woman's barrier 2 men you should study for body language tips You're rich, good looking, jacked? Never mention those in a first time conversation. And what to talk about instead 4 places you should never approach a woman (doing this is sure to end in rejection...or possibly worse) This short guide, written in plain English is easy to read in one sitting. It's short enough so can read in the morning, and start approaching in the afternoon. The Girl Who Doesn't Talk - Susanna Klein 2012-12-21

Susanna Klein never meant to insist on silence. But after the shy and sensitive little girl entered school and rarely spoke out loud, she was labeled as "the girl who doesn't talk." Helplessly trapped within her quiet world, Susanna taught herself how to talk without moving her lips. Sadly,

no one understood her suffering or her condition: selective mutism. In her compelling memoir, Susanna shares not only her powerful life story, but also her painful yet authentic journey inside her innermost thoughts as she details how her profound shyness permeated every area of her life and held her back from many of life's best experiences. As she embarks on a coming-of-age journey into adulthood, Susanna soon realizes she is stuck, unable to move on in her relationships or career. Desperate for answers but without any idea of where to turn, Susanna has no idea she is about to be saved by a sunny, golden little boy. *The Girl Who Doesn't Talk* offers a touching, informative look at one woman's journey to redeem her painful past as she gains the understanding, self-acceptance, and peace that finally allows her to walk confidently into her future.
