The planet behavior changes along with the sign it sits in and give different results. Every sign itself is a mystery and planet sitting in sign becomes more mysterious and gives results in very different pattern. Planet is nothing but a cosmic energy which in particular location in zodiac during our birth impacts our entire life the way we think and the way we behave and also controls our emotions. The glands in our brain reacts to this cosmic energy and creates a certain characteristic in our life patten and day to day life and we can understand this by understanding our horoscope and by checking which sign the planet is sitting and how it impacts our thinking and life. [The Gemini Prophecy](#) - Eliza March 2017-06-24

Destiny stares at you in dreams then meets you in waking nightmares. Morgan and Brianna, two sixteen-year-old Irish girls, stumble upon a magical book hidden within the standing stones. Believing local mythology is just an interesting tale about immortal killers, vengeful gods, and age-old battles, they take the stories lightly...until the book mentions their ancestors and reveals the girls may be destined to fulfill an ancient prophecy. Discovering a deadly rift once split the fae and mortal realms as the result of a forbidden love between the fae and druids, the girls dedicate themselves to the book. A covenant with the gods had been broken, and the responsibility of restoring the worlds fell to the Gemini, descendants of the illicit lovers. These chosen caretakers of the elemental stones were challenged to protect the elements from the dark mystics. With a vow to destroy all the chosen, evil forces used black magic to release the daemon from the Underworld, and the Gemini went into hiding while the battles to find them raged on through the ages. Years later, psychics and profilers, all over the world, are being targeted for death. A historic pattern becomes obvious to a former FBI agent and an Irish psychic who, forced to join forces, are assigned to discover who or, more precisely, what is targeting psychics, and why. They also discover an improbable relationship linked to their past. Fae mythology isn't in the FBI training manual, but when a killer disappears into a solid stone wall, it's time for Graeme to re-evaluate reality. Recently, the pragmatic FBI instructor has a hard time dealing with the woman's thoughts seeping into his mind. Psychic or not, none of this can be real. More and more he's convinced she's the same girl who's been in his dreams since childhood. Morgan only felt whole in her dreams when Graeme joined her. There is no doubt Graeme is her old imaginary playmate. What does it mean now that his thoughts are breaking through when she's awake? Even if he refuses to accept their connection, his presence in her mind is a comfort...until their shared dreams turn into nightmares.

To Have, to Hold, and to Never Let Go - Cattina C. Coleman 2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business, and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book *To Have, To Hold, and To Never Let Go*, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how *To Have a Woman, Hold a Woman, and To Never Let Her Go*.

SignMates - Bernie Ashman 2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's *SignMates*. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.
