

How To Get Past Physical Attraction

Fertility of Men and Women Aged 15-44 Years in the United States - Gladys Martinez 2012

The Empty Nest the Second Time Around - Ejay Wyndesh 2006-11

In a series of heartwarming essays, author Ejay Wyndesh shares the wisdom and perspective gleaned from her early childhood through her senior citizen years to encourage women who suffer from "empty nest syndrome." Follow Wyndesh through her various experiences, from growing up with immigrant grandparents to the angst of adolescence, and from being a mother to being a great-grandmother. Each stage of her life shaped her in a different way, and Wyndesh artfully expresses these

changes in *The Empty Nest the Second Time Around*. At the heart of Wyndesh's journey is her appreciation of previous generations' traditions and loyalties. Decades of heartwarming, family-oriented experiences provide a realistic background for Wyndesh's essays. Through her prose, she teaches upcoming generations that loving and honoring family is fun work, and that dedicating yourself and your life to obeying and serving God will strengthen your family tree's branches for the future. But it's also important to recognize your progress through the years and how each new level changes your perspective. If you're feeling depressed by your empty nest, take a moment to ponder Wyndesh's uplifting insights. They'll inspire you to cherish

your family memories and pass them on to future generations.

Magnetic Partners - Stephen Betchen 2010-05-18

Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle

within themselves that each of them developed growing up—which he calls a "master conflict." The fact that a couple shares a master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding;

commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to:

- Identify the core master conflict that is causing your relationship problems
- Understand the origins of your conflict and how it drew you to your partner
- Diagnose how the conflict is now pushing you apart
- Come to new terms with the conflict to save your relationship

As Dr. Betchen writes, knowledge of a master conflict is power, and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience.

Allen made a clear decision about his "next" relationship. He decided that his brain (not just his heart) needed to be in charge of the process. He came up with a

strategy for finding the person he wanted -- He called it...The List of 50. His strategy worked. He met his perfect partner (in 2017, they've been together 34 years!) Wayne began sharing the process with his clients -- soon, they demanded a book... and *Find Your Perfect Partner* is the result. His clients have tested this process for the last 30 years, and now it's available to you! Here's a quote from a client: "When I showed my List of 50 to one friend he said, "Do you have a short list that us mere mortals could aspire to?" My answer was, "I had a short list and it got me my ex-husband. I'm being more particular now." *Find Your Perfect Partner* is a guide to figuring out the whole attraction / dating / relationship thing. You'll discover: ~reasons for failed relationships and the high divorce rate ~how hormones get in the way ~how past

"My list has been an active part of my relationship building since I drafted it. I have modified the list several times, based on how relationships worked out. It was also interesting to note, how few elements of my list my ex-wife
