Experiencing the Love of God - Women of Faith, 2016-10-04

We see love everywhere. It binds husbands and wives, parents and children, brothers and sisters, and close friends. But all the love we experience in this world pales by comparison to the love God has shown to us. This was a love so profound that He “gave His only begotten Son, that whoever believes in Him should not perish” (John 3:16). In *Experiencing the Love of God*, you will look at key passages in Scripture that talk about the divine love that God has for you. You will see how the Bible is really a love story, for God—your Hero—was so determined to be with you that He went to incredible lengths to save you. One day, He will return for you and take you to the home He has prepared! God’s love is truly unparalleled, and all He asks is that you receive it! The Women of Faith® Bible Studies provide intriguing insights into topics that are relevant to women’s lives today. Each guide includes twelve weeks of study, down-to-earth illustrations, and reflections to help you move the truth from your head to your heart. A leader’s guide for use with small groups is also included.

**Notes for the Everlost** - Kate Inglis 2018-09-18  
Part memoir, part handbook for the heartbroken, this powerful, unsparring account of losing a premature baby will speak to all who have been bereaved and are grieving, and offers inspiration on moving forward, gently integrating the loss into life. Inglis’s story is a springboard that can help other bereaved parents—and anyone who has experienced wrenching loss—reflect on emotional survival in the first year; dealing with family, friends, and bystanders post-loss; the unique survivors’ guilt, feelings of failure, and isolation of bereavement; and the fortitude of like-minded community and small kindnesses. Inglis’s unique voice—at once brash, irreverent, and achingly beautiful—creates a nuanced picture of the landscape of grief, encompassing the trauma, the waves of disbelief and emptiness, the moments of unexpected affinity

and lightness, and the compassion that grows from our most intense chapters of the human experience.

**Desert Kings: The Complete Series Books 1-6** - Jennifer Lewis 2016-09-21

**Customer reviews:** "...hard to put down and decidedly addictive series." "Ms Lewis has me mesmerized with her unique storytelling." "Hot, Hot, Hot love scenes, a well written, creative and intriguing story, plus inventive, vivid characters, all on top of seriously sexy romance. All of that is combined into this fantastic series... I didn't want to set it down....seriously, I was falling asleep over this book in the early hours of the morning!!" **Bold and passionate brothers return to claim their thrones in remote and beautiful Ubar after their estranged father dies and divides his kingdom between them.**

In **Stranded with the Sheikh**, shy architect Veronica Baxter finds herself on a jet with dangerously charming Zadir Al Kilanjar, heir to the throne of Ubar. When their plane crashes in the deserted Empty Quarter, they search for a way to escape—and discover each other. In **Rescued by the Sheikh**, royal heir Osman Al Kilanjar must choose a bride to claim his throne, but he’s tired of the gold diggers who flock around him and knows he’ll recognize his true mate when he meets her. Film producer Samantha Bechtel has her whole life mapped out like the shooting script of one of her documentaries—but it takes a detour when she breaks down in the desert and is rescued by the commanding and charismatic sheikh. Osman decides to put the local marriage festival she’s filming to good use and claim his bride. Sam is shocked by Osman’s bold seduction—and even more surprised when she finds herself falling under his spell. In **Bought for the Sheikh**, royal heir Zadir Al Kilanjar is determined to woo renowned architect Veronica Baxter to his

hometown of Ubar to design his palace—and become his wife. With her career in high gear and her heart surrounded by more stone walls than her projects, she's resolved to resist Zadir's advances—but he's just as determined to win her. In **A Christmas Wedding**, Sam Al Kilanjar attempts to negotiate her first holiday season in a country with different customs, a big fat Ubarite wedding and the arrival of her drama-loving family, all without losing her mind—or her beloved, who is called away to deal with a crisis on the eve of their wedding. Veronica Baxter is excited about her wedding to Zadir Al Kilanjar, but worries that her estranged parents will ruin everything. Can they find Christmas miracles among the madness and enjoy the weddings they've dreamed of? In **Return of the Rebel Sheikh** Widowed queen Aliyah has resigned herself to a life of loneliness until a rough-mannered stranger intrudes on her solitude. A professional warrior and protector, Gibran has kept his distance from the palace he once called home—until his royal half brothers invite him into their midst. By profession and inclination, he keeps his emotions on lockdown, but finds himself falling under Aliyah's quiet spell. Will these two lonely people dare to seize the love they crave? In **Captivated by the Sheikh**, Amahd Al Kilanjar is all work and no play. Yes, he needs to choose a sensible and traditional wife and produce an heir, but he'll fit that into his schedule when the time is right...or so he thinks. Mackenzie "Mac" Malone travels to Ubar for a job in the oil fields, and is startled when an innocent flirtation with a handsome stranger leads to an explosive kiss. A Texas country girl and a prince from an ancient dynasty? Impossible, surely...or is it? **Sign up for the new release newsletter at [www.jenlewis.com](http://www.jenlewis.com).**

**The Brink** - Steve Zacharias

The Brink is a fun and action-packed novel with a hip contemporary tone that brings to mind a global espionage mashup of Kill Bill and Sucker Punch. With its larger-than-life female protagonist and its highly-stylized version of

global geopolitics, this is not a story that is intended to be taken too seriously. It is like a broad cartoon portrayal, but a smart and sophisticated one with plenty of glam set-pieces and contemporary pop-culture references. -- Creative Artist Agency

*mindandbelief.com* - Eugene G. Breen 2014

The human mind is the pinnacle of creation. It is spiritual and emanates from the human brain, initially at any rate! It is sociable and abstract and has an enormous coefficient of expansion. It can love. It can think. It can believe. It is the faculty that sets us apart from all other levels of being on the planet. It inhabits a dying world which has flickers of life like fireworks which sooner or later disappear like Chinese lanterns in the sky. We disappear too but our minds live on, hankering to be reunited with our "old flames" our bodies. Then the orchestra rises in crescendo as our minds and bodies reunite "for better or for worse", and ride into the sunset. Great stuff! Read all about it. The mind and body inseparable in life, and separated at death, reappear in "This is Your Life - Last Epic Episode." What will it be? A comedy, a tragedy or a thriller? It is all up to free will and belief. The believing mind is all powerful, provided it engages rationality honestly.

*The Four Corners of the Sky* - Michael Malone 2010-04-01

"There's humor and action aplenty, but Four Corners is also a warmhearted look at how we love and forgive. Five hundred and forty-four pages never seemed so short"—People, 4 stars, People Pick The Four Corners of the Sky is master storyteller Michael Malone's new novel of love, secrets, and the mysterious bonds of families. Malone brings characters to life as only

he can, exploring the questions that defy easy answers: Is love a choice or a calling? Why do the ties of family bind so tightly? And is forgiveness a gift to others...or a gift we give ourselves? In small towns between the North Carolina Piedmont and the coast the best scenery is often in the sky. On flat sweeps of red clay and scrub pine the days move monotonously, safely, but above, in the blink of an eye, dangerous clouds can boil out of all four corners of the sky...The flat slow land starts to shiver and anything can happen. In such a storm, on Annie Peregrine's seventh birthday, her father gave her the airplane and minutes later drove out of her life. Thus begins an enchanting novel that bursts with energy from the first pages, and sweeps you off on a journey of unforgettable characters, hilarious encounters, and haunting secrets. Praise for *The Four Corners of the Sky*: "Devoted Michael Malone fans have been waiting more than twenty years for another Handling Sin, perhaps the greatest road novel since Tom Jones. The wait is over..."— Bill Ott, editor-in-chief, Booklist "Secrets and intrigues among the honeysuckle: a sun-washed yarn of the New South, affectionately told." —Kirkus starred review "The Four Corners of the Sky is the best thing I have read in years and you can imagine how much I read. Truly, I couldn't put it down. I loved it."—Kathy Ashton, The King's English Bookshop BONUS READING GROUP GUIDE INCLUDED **Desert Kings Book 3: Gibran** - Jennifer Lewis 2015-01-26

EXCERPT: His dark eyes seemed to stare right past her quiet and unassuming façade and see into the darkest reaches of her soul. place in her life. Then he kissed her again. This time she kissed him back harder. Her arms wrapped around his neck and she heard Megu's chain drop to the ground, but she didn't care. Gibran's lips welcomed hers and heat flared between them, lighting a fire that spread to her belly and limbs. Knees shaking, she clung to him, feeling the thick, hard, masculine shape of his arms and back, letting her fingers grope into his thick hair, drawing in the masculine scent of his skin. She kissed him with every ounce of hope and desire that she'd shoved deep down inside her, letting them bubble up in a mad and crazy explosion of passion. Veronica: Stranded with the Sheikh (FREE!) [The Accidental Anglican](#) - Todd Hunter 2012-12-17

Many are longing for historical connectedness and for theology that is 'not tied to the whims of contemporary culture, but to apostolic-era understandings of Christian faith and practice.' They also yearn for rhythms and routines that build spiritual health. Still others are responding to a call to participate in worship rather than merely sitting back and looking at a stage. Liturgy offers all of this and more. Todd D Hunter bucked the trend by joining the Anglican church. He traces his remarkable journey from an upbringing in the Jesus Movement, to spearheading Vineyard ministries in the US, through heading up Alpha USA and now embracing a liturgical church, where he is now bishop. His compelling story is told with humility and humour.

**Dragonflies in the Cowburbs** - Dreese, Donelle

Francesca Butler ("Fresca") is a 17-year-old girl who lives in what she calls the "cowburbs." Not quite the country and not quite the suburbs, the cowburbs offer Fresca adventure and room to grow, but also confusion and loneliness. The story is told from the point of view of a smart and sometimes sarcastic teenage girl who struggles to find happiness after the tragic death of her father, the mysterious disappearance of her friend Laurel Dee, and her boyfriend's battle with Internet Addiction Disorder. Fresca loses a friend who dies from inhaling fumes from an aerosol can, and develops a close bond with her best friend, Veronica, who eases her through a case of "textitis" from too much texting. Veronica becomes an inspiring role model for Fresca when she shaves off all of her hair to protest the importance placed on physical attractiveness in their high school. Fresca also depicts a close relationship with her mother, whose "seventh sense" allows her to understand Fresca in intimate ways, but this relationship is challenged when her mother acquires a new boyfriend who doesn't seem to like Fresca, or teenagers in general. With the help of her mom, her friends, and a sense of humor, Fresca discovers that love and happiness are not only possible, but waiting for her amidst a flock of dragonflies.
