It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines. Sometimes, you feel resentful towards women because they either rejected or friend-zoned you. This makes you feel undesirable and angry. From today, things will forever change for you with the info you'll discover soon. After learning these secrets, don't revenge women-forgive them, but flaunt your newly found confidence and skills. 13 Things Mentally Strong Women Don't Do Amy Morin 2019-01-10 The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim back their power. Contending with a host of difficult issues that demand psychological strength - in this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle in 13 steps. The Whispers of the Streets J. Earl Loving 2003 But we loved that old ROOSEVELT & when he signed that Order 8802 a whole bunch of us got in the service. But you see I didn't trust them too much, & there was a lot of money to be made with all the work that the war caused. I just met this

old girl that came up here from New Orleans, because, well, I thought that she was dirt poor & came up to make some money & find a husband. She was the prettiest thing that we ever seen around here, & we started courting almost as soon as she got off the bus (he chuckled to himself). "Her name was Antoinette. She had the softest light real near white skin that I had ever seen even on white folks, long Black shining hair, and a very pretty smile, you see. She loved to laugh, a&nd I did as much as I could to make her laugh. If she wanted a clown, I sure damned was going to be one. She always spoke in a near whisper in that half French way that they speak down there in the French Quarter down there, & sometimes we didn't know what the hell she was talking about. But she was so damned pretty that I really didn't care since she was my girl. Hell, after a couple of weeks of being together, she started talking that talk to me & whatever she was saying sounded so good to me that I was agreeing all over myself! "She got so excited that we didn't go to see the show like we was suppose to & spent the night together. We made good music that night, if you know what I mean? That was the summer of forty-three, and I was so happy that I didn't know what to do with myself. The next morning she told me that she had to send her Mama a telegram to let her know that we was coming down so she could meet me & show me off to her family. "That's when I realized that the woman was talking about marriage! Well, I tell you that I was scared to death, because I never thought about marrying her or anybody else at the time, you see! But she was such a pretty thing that I said to myself "BOY, AS UGLY AS YOU ARE, YOU AIN'T GOING TO DO MUCH BETTER."

How to Pick Up Women Matthew Manson 2019-08-21 Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself.... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this journey you will discover: - How to pick up women in an ethical way which leaves you BOTH happy and satisfied. - The things you NEED to improve about yourself in order to attract women instantly for the rest of your life. - A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember and apply in your own life. - The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman. - How to make killer first impressions that will make women obsessed with you. - How to master the art of texting and never feel nervous or embarrassed after sending her a text. - How to keep a conversation going in a natural and enjoyable way. - How to create a flirty vibe and sexual tension which will lead to some real action. - How to have a proper one-night stand which will make you stand out and make her come back for more. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. I was the shyest kid in my school and now I can confidently approach any woman I want. If I could learn it, anyone can. If you want to break the cycle of getting rejected by beautiful women once and for all, then scroll up and Order Now!
