Eva Evergreen, Semi-Magical Witch Julie Abe 2021-07-06 A young witch must pass a coming-of-age quest or risk losing her magic forever in this enchanting fantasy -- perfect for fans of *Kiki's Delivery Service* and *Aru Shah and the End of Time* -- now in paperback! Sometimes all you need is a pinch of magic... Eva Evergreen is determined to earn the rank of Novice Witch before her thirteenth birthday. If she doesn't, she'll lose her magic forever. For most young witches and wizards, it's a simple enough test: One: Help your town, do good all around. Two: Live there for one moon, don't leave too soon. Three: Fly home by broomstick, the easiest of tricks. The only problem? Eva only has a pinch of magic. She summons heads of cabbage instead of flowers and gets a sunburn instead of calling down rain. And to add insult to injury, whenever she overuses her magic, she falls asleep. When she lands in the tranquil coastal town of Auteri, the residents expect a powerful witch, not a semi-magical girl. So Eva comes up with a plan: set up a magical repair shop to aid Auteri and prove she's worthy. She may have more blood than magic, but her "semi-magical fixes" repair the lives of the townspeople in ways they never could have imagined. Only, Eva's bit of magic may not be enough when the biggest magical storm in history threatens the town she's grown to love. Eva must conjure up all of the magic, bravery, and cleverness she can muster or Auteri and her dreams of becoming a witch will wash away with the storm.

The Lives of Lucian Freud: The Restless Years William Feaver 2019-10-29 The first biography of the epic life of one of the most important, enigmatic and private artists of the 20th century. Drawn from almost 40 years of conversations with the artist, letters and papers, it is a major work written by a well-known British art critic. Lucian Freud (1922-2011) is one of the most influential figurative painters of the 20th century. His paintings are in every major museum and many private collections here and abroad. William Feaver's daily calls from 1973 until Freud died in 2011, as well as interviews with family and friends were crucial sources for this book. Freud had ferocious energy, worked day and night but his circle was broad including not just other well-known artists but writers, bluebloods, royals in England and Europe, drag queens, fashion models gamblers, bookies and gangsters like the Kray twins. Fierce, rebellious, charismatic, extremely guarded about his life, he was witty, mischievous and a womanizer. This brilliantly researched book begins with the Freuds' life in Berlin, the rise of Hitler and the family's escape to London in 1933 when Lucian was 10. Sigmund Freud was his grandfather and Ernst, his father was an architect. In London in his twenties, his first solo show was in 1944 at the Lefevre Gallery. Around this time, Stephen Spender introduced him to Virginia Woolf; at night he was taking Pauline Tennant to the Gargoyle Club, owned by her father and frequented by Dylan Thomas; he was also meeting Sonia Orwell, Cecil Beaton, Auden, Patrick Leigh-Fermor and the Aly Khan, and his muse was a married femme fatale, 13 years older, Lorna Wishart. But it was Francis Bacon who would become his most important influence and the painters Frank Auerbach and David Hockney, close friends. This is an extremely intimate, lively and rich portrait of the artist, full of gossip and stories recounted by Freud to Feaver about people, encounters, and work. Freud's art was his life—"my work is purely autobiographical"—and he usually painted only family, friends, lovers, children, though there were exceptions like the famous small portrait of the Queen. With his later portraits, the subjects were often nude, names were never given and sittings could take up to 16 months, each session lasting five hours but subjects

were rarely bored as Freud was a great raconteur and mimic. This book is a major achievement, a tour de force that reveals the details of the life and innermost thoughts of the greatest portrait painter of our time. Volume I has 41 black and white integrated images, and 2 eight-page color inserts. *Pantheon* Sam Bourne 2012-02-16 The darkest secrets of World War II... finally revealed. The Number One bestseller returns with his most explosive book to date.

The Lives of Lucian Freud William Feaver 2022-09 LONGLISTED FOR THE 2020 BAILLIE GIFFORD PRIZE CHOSEN AS A BOOK OF THE YEAR BY THE GUARDIAN, OBSERVER, THE TIMES, SUNDAY TIMES, DAILY TELEGRAPH, MAIL ON SUNDAY, FINANCIAL TIMES, NEW STATESMAN, SPECTATOR THE SUNDAY TIMES ART BOOK OF THE YEAR 2020 'Explosively enjoyable, bursting with life and art ... A central figure as wild and beguiling as any character in literature' CRAIG BROWN William Feaver, Lucian Freud's collaborator, curator and close friend, knew the unknowable artist better than most. Over many years, Freud narrated to him the story of his life, 'our novel'. Fame follows Freud at the height of his powers, painting the most iconic works of his career in a constant pursuit of perfection, just outrunning his gambling debts and tailor's bills. Whether tattooing swallows at the base of Kate Moss's back or exacting a strange revenge on Jerry Hall and Mick Jagger, Freud's adventures were always perfectly characteristic. An enfant terrible till the end, even as he was commissioned to paint the Queen, what emerges is an artist wilfully oblivious to the glitter of the world around - and focussed instead on painting first and last. Holiday Hunger in the UK Michael A. Long 2021-08-03 This timely and much-needed book focuses on the phenomenon often referred to as "holiday hunger" in the United Kingdom. The book begins by outlining the history and scope of holiday hunger - the condition that occurs when a child's household is, or will become, food insecure during the summer holidays. The decline of the UK welfare state and the rise of neoliberalism have created a situation where up to three million children in the UK face food insecurity during the summer months when there are extra financial pressures on the working poor and when free school meals are not available. This book details the level of childhood and household food insecurity in the UK and describes one of the main responses to holiday hunger - holiday clubs. These clubs are locally organised and funded and provide a place for children to go to eat nutritious meals for free during the school holidays. Highlighting the benefits of holiday clubs that often extend beyond food provision, this book also discusses the challenges that they face now and in the future. The book concludes with recommendations for food insecurity policy and the role of government in fighting holiday hunger. This book will be of great interest to students and scholars of food and nutrition security, social policy and public health.
