[Bitter Rivals](#) - J. Sterling 2019-02-19

New York Times best selling author J. Sterling brings you a brand new standalone romance that will excite and delight you. Falling for your rival

has never been more fun! They say you always want what you can't have. And what I want is Julia La Bella. I'm supposed to hate her with every fiber of my being, but I'll let you in on a little secret.... I don't. Not even close. The woman is stunning. She's also a colossal pain in my- you know what. Julia's my number one competitor in the wine industry and she also happens to live next door. Not a good combination for a guy who's been told to "stay away from her" his whole life. Our parents can't stand each other; a bitter, outdated rivalry with no end in sight. Which doesn't fare well for my heart. Or my loins. Yeah, I went there. What can I say; I want her. I've always wanted her. So how am I going to convince her to see me as the super hot, smart, irresistible guy next door, instead of the one person on earth she supposedly can't stand? I'm not entirely sure, but we're about to find out. Wish me luck

[Crush School](#) - Oskar Cymerman 2016-07-28

DON'T READ THIS BOOK. USE IT. There are many zombies walking around your school. They sleepwalk through their classes hoping the information will magically seep into their brain. Then they complain when it doesn't. You see, these zombie students don't know what you are about to find out. It's that YOU CAN LEARN ANYTHING NO MATTER WHERE YOU START. But... You need to know how to learn. This book will show you how. "Crush School" is unique. It is not one of those stiff books that make you want to throw up after you read the first sentence. It's actually written in a conversational format. It feels like the author is talking to you when you read it. It uses stories and examples of classroom situations students often find themselves in. The book explains them from both the student and teacher points of view. The learning strategies that help you crush school are straightforward but not "dumbed-down". Each chapter is short and straight to the point. The book is unlike anything out there. Seriously, the author googled it! While "Crush School" can be used by teachers, it was written for students specifically. It contains teen life, school jokes and humor, but most importantly the strategies to use at school and home to become an awesome student. "Crush School" is not a book. Well, it is... And it isn't... It's more of a GUIDE TO LEARNING ANY SUBJECT. The book is not

designed to be read from beginning to end. You can, and it will be helpful, but it's better used by skipping around to the strategies you can use right away. You don't have to suffer through 200 pages of Blah before you get to the useful stuff, because this book is full of it. "Crush School" talks about how your brain learns best and gives you the strategies to do it. You know how some teachers tell you to do something or study something, but never explain why you need to know this stuff? Some even get all mad when you ask why. The author of "Crush School" doesn't stop at telling you WHAT TO DO. He explains WHY IT WORKS. "Crush School" is a game changer for students. USE IT AT YOUR OWN RISK.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction.

How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you. *Surviving a First Date* - Taylor Morris 2017-12-15

This book offers the best advice, the worst-case scenarios, and the sweetest, funniest, and most "awww-worthy" moments from the dating archives. Whether on a group
