Girls Don't Play Sport - Chloe Dalton 2023-08-15

A timely and defiant manifesto unpacking the past, present and future of women's sport, from the Olympic gold medal-winning founder of The [Female] Athlete Project. 'Enthralling'—Ellyse Perry 'A must-read'—Laura Henshaw A brilliant argument in favour of the case for women's sport'—Liz Ellis When Chloe Dalton was eight years old, she would practise her goal kicks in the half-time break of her brothers' rugby

matches, all the while telling impressed onlookers: 'Girls don't play rugby.' Sixteen years later, Chloe Dalton won Olympic gold playing rugby sevens for Australia and is now a fixture in the AFLW. In 2020, she started her own news platform, The [Female] Athlete Project, because while she was surrounded by women achieving incredible things in sport, nobody was hearing about them. This book shines a light on the interlinked quagmires of respect, opportunity, representation and pay that continue to stall the progress of women's teams around the world. Girls Don't Play Sport is a fierce manifesto advocating for female athletes at all levels. It explores how we got to this point and asks where we need to go next to embrace the untapped potential of women's sport. 'Captivating, empowering and relatable . . . a must-read.'—Ellie Cole 'Chloe's tireless commitment to sharing female athletes' unique stories and struggles is inspiring.'—Tayla Harris 'For too long, female sport has been undervalued and under-resourced. But the tide is turning, and the message this book presents is clear: ignore us at your own peril.'—Cate Campbell

6 Fun Date Ideas to Win Her Heart - Kym Kostos 2014-05-15

In my 35 years of dating since I was fifteen years old, I have had my fill of good dates and bad dates. I am pretty sure we have all had those dates from hell that we tell our friends or ones that we just soon want to forget. So, what about the ones that turned out perfect? Don't have too many of those? Don't worry, because in this book I will give you some ideas and dates from start to finish for fun first dates, romantic dates, creative dates, indoor dates, outdoor dates, cheap dates that are easy on your wallet and even a date for those who are miles apart in a long distance relationship. Guys always want to impress a girl and sweep her off her feet, but sometimes have no clue as to where to start. Females by nature are great planners, especially when it comes to events, dinners, parties, and yes, even dates. Why? Because we pay attention to detail and that is what is the most important thing. Details tell a girl how you feel about her. Simple details to intricate ones, either way they are signs of what you really feel about the girl. If you take a lot of time planning a great date, that tells the girl that you are interested in her and want to get to know her better, especially if it's a date that allows you two to talk and get to know each other better. Girls love dates like that! Taking a girl out, tossing a burger down her throat and taking her to a movie is just plain boring. That's something you do AFTER you have won her heart and even then, it's questionable. Whatever happened to the courtship of dating? When you take the time to plan and give her a date to remember, it shows that you care and want to impress the girl. You don't have to have a lot of money either to do this.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines;

instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
