**Get the Guy** - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

**Marry Smart** - Christine B. Whelan 2008-12-30

Challenging perceptions that smart women are at a disadvantage when looking to marry, a guide for single intellectuals shares step-by-step instructions and practical advice on how to find a satisfying, long-term partner. Original. 30,000 first printing.

**You Gotta Have Girlfriends** - Suzanne Braun Levine 2013-04-16

A brief, lively, and relatable guide to improving your health through friendship One of the best things a woman can do for her health, especially after the age of fifty, is nurture her relationships with her girlfriends. New studies show that women can change one another's brain chemistry for the better, which means those laughter-filled get-togethers are crucial to aging well. In other words, the post-fifty version of "an apple a day" is "nurture your friendships." In her trademark style—a vibrant and accessible mix of anecdotes, personal observations, and relevant research—Suzanne Braun Levine's *You Gotta Have Girlfriends* is an inspiring and eye-opening affirmation of the power of female friendship in the second half of life.

*You're the Only One I Can Tell* - Deborah Tannen 2017-05-02

A Washington Post Notable Book of 2017.

Deborah Tannen's bestselling *You Just Don't Understand: Conversations Between Women and Men* made us aware of the deep and subtle meanings behind the words we say. She has since explored the way we talk at work, in arguments, to our mothers and our daughters. Now she turns to that most intense, precious and potential minefield: women's friendships. Best friend, old friend, good friend, new friend, neighbour, fellow mother at the school gate, workplace confidante: women's friendships are crucial. A friend can be like a sister, daughter, mother, mentor, therapist or confessor. She can also be the source of pain and betrayal. From casual chatting to intimate confiding, from talking about problems to sharing funny stories, there are patterns of communication and miscommunication that affect friendships. Tannen shows how even the best of friends - with the best intentions - can say the wrong thing, how the ways women friends talk can bring friends closer or pull them apart, but also how words can repair the damage done by words. She explains the power of women friends who show empathy and can just listen; how women use talk to connect - and to subtly compete; how fears of rejection can haunt friendships; how social media is reshaping relationships. Exploring what it means to be friends, helping us hear what we are really saying, understanding how we connect to other people; this illuminating and validating book gets inside the language of one of most women's life essentials - female friendships.

**Conversations with Friends** - Sally Rooney 2017-05-25

FROM THE AUTHOR OF *NORMAL PEOPLE*\*\*  
NOW ON BBC THREE AND IPLAYER \*\*WINNER OF THE SUNDAY TIMES / PFD YOUNG WRITER OF THE YEAR SHORTLISTED FOR THE DYLAN THOMAS PRIZE 2018 SHORTLISTED FOR THE KERRY GROUP IRISH NOVEL OF THE YEAR 2018 SHORTLISTED FOR THE RATHBONES FOLIO PRIZE 2018 LONGLISTED FOR THE DESMOND ELLIOTT PRIZE 2018 A SUNDAY TIMES, OBSERVER AND TELEGRAPH BOOK OF

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2022-06-17 by guest

THE YEAR Frances is twenty-one years old, cool-headed and observant. A student in Dublin and an aspiring writer, at night she performs spoken word with her best friend Bobbi, who used to be her girlfriend. When they are interviewed and then befriended by Melissa, a well-known journalist who is married to Nick, an actor, they enter a world of beautiful houses, raucous dinner parties and holidays in Provence, beginning a complex ménage-à-quatre. But when Frances and Nick get unexpectedly closer, the sharply witty and emotion-averse Frances is forced to honestly confront her own vulnerabilities for the first time.

*Conversations on Love* - Natasha Lunn  
2022-04-19

An investigation of love in all its forms, featuring conversations with Lisa Taddeo, Esther Perel, Emily Nagoski, Kate Bowler, Alain de Botton, Stephen Grosz, Roxane Gay and others. Journalist Natasha Lunn was almost 30 when she realized that there was no map for understanding love. While she was used to watching friends fall in and out of love, the older she got the more she had to acknowledge: her friends' relationship struggles could no longer be chalked up to youth, and the more she learned about her parents, grandparents, work colleagues, and mentors the clearer it became that age had not brought any of them any closer to understanding this elusive, transformative, consuming emotion. One night during the months she found this realization settling over her, she sat up in bed and jotted three words in a notebook: conversations on love. In that moment, Lunn understood that she didn't want advice about love, she wasn't looking for the answers, or evergreen wisdom but she craved candid, wide-ranging, sometimes uncomfortable conversations about the parts of love that often don't make it into our everyday discussions of marriage, sibling relationships, friendships, or mother/daughter bonds. *Conversations on Love* started as an experiment aimed at interviewing experts about what love meant to them, in all of its messiness, and quickly blossomed into a newsletter that attracted thousands of subscribers and a prestigious range of interviewees. It turns out that Lunn wasn't the only person ready to talk more openly and expansively about love. Interweaving personal

essays and revealing interviews with some of the most sought-after experts on love, journalist Natasha Lunn guides us through the paradoxical heart of three key questions about love--How do we find love? How do we sustain it? And how do we survive when we lose it?--to deliver a book that is a solace, a beacon, a call to arms, a tool-kit. The real-life love stories in these pages will leave you hopeful and validated, while the insights from experts will transform the way you think about your relationships. Above all, *Conversations on Love* will remind you what love is: fragile, sturdy, mundane, beautiful, always worth fighting for.

**How to Win Friends and Influence People** - Dale Carnegie 1958

**Best Friends** - Terri Apter 2010-02-10

*Best Friends* provides the missing link to understanding and recognizing the impact of some of the most important relationships in girls' and women's lives. Every woman remembers the sting of betrayal of a girlfriend, and every parent of a daughter has seen her come home from school in tears because a girl she thought was her best friend suddenly and inexplicably became her enemy. While boys hash out differences with fists and kicks, girls' societies are marked by secrets and whispers and shifting affection. The lessons learned as an adolescent girl are often carried into adulthood, making women fear confrontation--especially with other women. But the intensity of the struggles reflects the support and healing to be found within these friendships. Girls find themselves in the mirror of other girls, hence the power each has to influence the other. Ruthellen Josselson and Terri Apter's many years of working with hundreds of girls and women have given them insight into the emotionally important relationships that are integral to a girl's self-image. *Best Friends* explores the bonds of friendship between girls and between women and the sorrows and joys they experience together, from early adolescence and throughout their lives.

**How to Attract Women If You're Not That Attractive** - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone

number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

*Female Friendship* - Slav N. Gratchev  
2022-07-12

The essays in this volume explore female emotional and social relationships in literary, cinematographic, and artistic contexts. These intimate unions offer a reflection on different historical and cultural milieus as well as the universal human need for friendship.

**The Complete Book of Questions** - Garry D. Poole 2009-05-26

1001 Conversation Starters for Any Occasion Most of us realize that raising questions is a powerful way to get interesting dialogue. But asking good ones can be another matter—they're not always that easy to think up! That's where *The Complete Book of Questions* comes in. This book is one big compilation of questions—1001 of them you can use to launch great conversations in almost any context. And many of these questions are likely to trigger other questions you may also wish to discuss. Think of this book as a tool to spark interaction—and to know and understand others, and yourself, better. The questions in *The Complete Book of Questions* have been divided into ten categories for easy reference as shown in the chart below. There are probably as many ways to put this book to use, as there are questions within it! So be creative. Experiment with these 1001 questions in different contexts—and be sure to make the most of the conversations that ensue!

*Conversations With Friends* - Target Club Pick - Sally Rooney 2018

**BFF?: The truth about female friendship** - Claire Cohen 2022-06-23

Why do some friendships last a lifetime, while others fade away? How do you break up with a friend? How many 'best' friends should we be aiming for? From the time we start school, we are fed a diet of 'Best Friends Forever' - the idea

that you should have a female soulmate to whom you tell all your secrets and who always has your back. It's the stuff of Hollywood films, but for most of us it isn't achievable. We spend years striving for a vision of female friendship that isn't realistic instead of searching for what suits us best or appreciating what we've already got. *BFF?* is an agenda-setting, personal and humorous book that pulls back the cover on the most underappreciated relationships in our lives to interrogate what modern friendship means, why we need it and what we can do to get the most from it. Featuring interviews with brilliant women, including Emma Barnett, Pandora Sykes, Nimco Ali and Jilly Cooper - as well as the intimate friendship stories of women from all walks of life - Claire Cohen argues that, unlike romance, friendship is much harder to pin down and. And it shows how often our friendships are taken for granted. An antidote to the idea that every woman must belong to a perfect girl gang, this book is a warm and reassuring guide to help women deepen their female friendships in ways that are meaningful and enduring.

\_\_\_\_\_ 'It took me until my thirties to feel truly secure in my friendships - my female ones in particular. I truly believe that if I'd had a book like this when I was younger, it would have fallen into place sooner. That I'd have been happier, more trusting and able to deal with any bumps in the road. That's why I want us all to start telling the truth about female friendship. Because if I - raised in a house full of women, the product of two all-girls schools and the women's editor of a national newspaper - found it hard to trust, open up and had convinced myself that female friends 'weren't for me', then you might not have it worked out either.'

**Conversations with Friends** - Sally Rooney  
2017-06-01

*Work Wife* - Erica Cerulo 2019-03-05

Get inspired by the women who discovered that working with your best friend can be the secret to professional success—and maybe even the future of business—from the co-founders of the website *Of a Kind*. “Read this, then plot your own work-wife-driven empire.”—*Glamour* When Erica Cerulo and Claire Mazur met in college in 2002, they bonded instantly. Fast-forward to

2010, when they founded the popular fashion and design website *Of a Kind*. Now, in their first book, Cerulo and Mazur bring to light the unique power of female friendship to fuel successful businesses. Drawing on their own experiences, as well as the stories of other thriving “work wives,” they highlight the ways in which vulnerability, openness, and compassion—qualities central to so many women’s relationships—lend themselves to professional accomplishment and innovation. Featuring interviews with work wives such as Amanda Hesser and Merrill Stubbs of the influential food community site *Food52*, Ann Friedman, Aminatou Sow, and Gina Delvac of the hit podcast *Call Your Girlfriend*, and Misty May-Treanor and Kerri Walsh Jennings of Olympic volleyball fame, *Work Wife* addresses a range of topics vital to successful partnerships, such as being co-bosses, tackling disagreements, dealing with money, and accommodating motherhood. Demonstrating how female partnerships in the office are productive, progressive, and empowering, Cerulo and Mazur offer an invaluable roadmap for a feminist reimagining of the workplace. Fun, enlightening, and informative, *Work Wife* is a celebration of female friendship and collaboration, proving that it's not just feasible but fruitful to mix BFFs with business. Praise for *Work Wife* “Is the old adage ‘Friends and business don’t mix’ true? Not according to college friends Cerulo and Mazur, who translated their love of fashion and desire to support emerging fashion designers into a successful business, the e-commerce site *Of a Kind*. . . . By exploring topics such as setting expectations, defining roles, dividing responsibility, dealing with finances, and addressing disputes, they deftly demonstrate how female friendships produce empowering business partnerships. . . . This insightful, engaging work is an essential guidebook for friends considering a business collaboration.”—*Library Journal* (starred review) “Engaging and thoughtful, *Work Wife* champions strong relationships, healthy attitudes, and pragmatic decision-making—an excellent primer for women interested in creating their own opportunities.”—*Booklist* (starred review)

**I Know Just what You Mean** - Ellen Goodman 2000

Pulitzer Prize-winning columnist Ellen Goodman and novelist/journalist Patricia O'Brien take a thoughtful and deeply personal look at the enduring bonds of friendship between women.

**We Should Get Together** - Kat Velloso 2020-01-04

*We Should Get Together* is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. Author Kat Velloso, experience designer and founder of *Better Than Small Talk*, tackles the four most common challenges of adult friendship: constant relocation, full schedules, the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining expert research and personal stories pulled from conversations with hundreds of adults, *We Should Get Together* is the modern handbook for making and maintaining stronger friendships. With this book you will learn to: Make and maintain friendships when you (or your friends) keep moving Have deeper and more meaningful conversations Triumph over awkwardness in social situations Become less dependent on your phone Identify and prioritize quality connections Find time for friendship despite your busy calendar Create closer, more durable friendships Full of relatable stories, practical tips, 60 charming illustrations, 55 suggested activities, a book club discussion guide, and 300+ conversation starters, *We Should Get Together* is the perfect book for anyone who wants to have dedicated, life-enriching friends, and who wants to be that kind of friend, too.

***Friends*** - Hazel Edwards 2018-10-01

Strategies for making friends and keeping them. At any age. Real life scenarios. Case studies. Checklists. Quiz. In our fast changing world, friends may last longer than lovers or even families. Includes: \* Types of friendships \*

Making friends \* Keeping friends. \* Male and female friendships \* Can men and women be 'just friends'? \* Do working friendships work? \* Can you be friends with your ex?\* When friendships don't last.

**Communication and Women's Friendships** - Janet Doubler Ward 1993

By looking at various types of friendships and by examining how they either lapse or develop into strong relationships, we may better understand ourselves and our own relationships.

Communication and Women's Friendships is directed towards literary scholars, social critics, and anyone interested in the ways in which forms of discourse enhance friendships between women.

*Among Friends* - Letty Cottin Pogrebin 1987  
Provides insights into the subject of friendship, such as the ten most common things friends disagree over, how and why friends separate, and how friends between men differ from friendships between women
