Like It Happened Yesterday

- Ravinder Singh 2013-06-15

Has anyone ever asked you—What were the best days of your life? That one period of your life you always wanted to go back to? And live that life . . . one more time? When asked this, I closed my eyes and went back in my own past. And I thought of the days, when life's most complex choices had a simple solution of Akkad Bakkad Bambey Bo! . . . of the seasons when rains were celebrated by making paper boats. . . . of the times when waiting at the railway crossing meant counting the bogies of the train passing by. When I opened my eyes, it seems Like it Happened Yesterday! Like it was yesterday that I broke my first

tooth and fell in love for the first time. Like it was yesterday, when I was about to lose my friend, and suddenly he became my best friend. I look back and it becomes a journey full of adventure. It makes me laugh, it makes me cry and I know I'm here because I was Come, hold my hand, and take this trip with me. It will be yesterday for you, once again!

This Love that Feels Right . .

. - Ravinder Singh 2016-08-12

Life would have been easier had it been possible for us to

plan falling in love; more importantly, avoid falling in love . . . 'Love is not for you,' she told herself. Inside—just like any girl—she desired to be loved. She had accepted her life the way it was, till one day love showed up unannounced, uninvited! That's the thing with love. It doesn't take permission. It's in its very nature to gatecrash into our lives. Standing face-to-face with love, she finds herself asking, 'Is this love right?' The answer is not simple. It never was . . . This intense love story will shake every belief you've ever had about love.
