Joni Mitchell: Both Sides Now - Malka Marom 2014-11-10

An intimate exploration of Joni Mitchell's life and art. When singer, musician, and broadcast journalist Malka Marom was asked to interview Joni Mitchell in 1973, she eagerly accepted the opportunity to converse with the performer she'd first met late one night in 1966 at an open mic in Yorkville. More conversations followed over the next four decades of friendship, and it was only after Joni and Malka completed their last recorded interview, in 2012, that Malka discovered the heart of their discussions: the creative process. In *Joni Mitchell: In Her Own Words*, Joni and Malka follow this thread through seven decades of life and art, discussing the influence of Joni's childhood, love and loss, playing dives and huge festivals, acclaim and criticism, poverty and affluence, glamorous triumphs and tragic mistakes ... This riveting narrative, told in interviews, lyrics, paintings, and photographs, is shared in the hope of inspiring others.
