The Sober Diaries Clare Pooley 2017-12-28 BY THE AUTHOR OF NEW YORK TIMES BESTSELLER THE AUTHENTICITY PROJECT, THE BRAVE AND FUNNY MEMOIR THAT IS CHANGING LIVES. How one mother gave up drinking and started living. This is Bridget Jones Dries Out. Clare Pooley is a Cambridge graduate and was a Managing Partner at one of the world's biggest advertising agencies, and yet by eighteen months ago she'd become an overweight, depressed, middle-aged mother of three who was drinking more than a bottle of wine a day, and spending her evenings Googling 'Am I an alcoholic?' In a desperate bid to turn her life around, she quit drinking and started a blog. She called it Mummy Was a Secret Drinker. This book is the story of a year in Clare's life. A year that started with her quitting booze having been drinking more than a bottle of wine every day. It sees her starting a hugely successful blog, then getting and beating breast cancer. By the end of the year she is booze free and cancer free, two stone lighter and with a life that is so much richer, healthier and more rewarding than ever before. Sober Diaries is an upbeat, funny and positive look at how to live life to the full. Interwoven within Clare's own very personal and frank story is research and advice, and answers to questions like: How do I know if I'm drinking too much? How will I cope at parties? What do I say to friends and family? How do I cope with cravings? Will I lose weight? What if my partner still drinks? And many more.

Modern Lusts Detlef Siegfried 2020-07-01 As a jazz musician, filmmaker, anthropologist, sexologist, and crime novelist, the boundlessly curious German autodidact Ernest Borneman exemplified the conflicting cultural and intellectual currents of the twentieth century. In this long-awaited English translation, acclaimed historian Detlef Siegfried chronicles Borneman's journey from a young Jewish Communist in Nazi Berlin to his emergence as a celebrated (and reliably controversial) transatlantic polymath. Through an innovative structure organized around the human senses, this biography memorably portrays a figure whose far-flung obsessions comprised a microcosm of postwar intellectual life.

Die Wirkung von Internet-Pornografie auf Kinder und Jugendliche Björn Klein 2021-04-09 Sexualisierte Medienbilder - häufig in Form von Internet-Pornografie - sind Teil des Alltags von Kindern und Jugendlichen. Mittlerweile ist nachweisbar, dass auch Kinder im Grundschulalter mitunter schon Internet-Pornografie rezipieren. Die Frage, wie Internet-Pornografie sich auf Kinder und Jugendliche auswirkt, wird im wissenschaftlichen Fachdiskurs so unterschiedlich wie kontrovers beantwortet. Dem Topos einer vielseitig gefährdeten "Generation Porno" steht die Einschätzung gegenüber, dass medienkompetente Minderjährige mit Internet-Pornografie umzugehen wissen. Die vorliegende Arbeit zeigt auf, wie sich das Diskursgeflecht zwischen Theorieannahmen, Forschungsperspektiven und -ergebnissen sowie pädagogischen Ableitungen gestaltet. Dabei werden etwaige Ideologieverhaftungen kritisch beleuchtet und Impulse für die zukünftige Pornografie-Forschung und -Pädagogik gegeben.

Commune Joshua Gayou 2019-02-19 For dinosaurs, it was a big rock. For humans: Coronal Mass Ejection (CME). When the Earth is hit by the greatest CME in recorded history (several times larger than the Carrington Event of 1859), the combined societies of the planet's most developed nations struggle to adapt to a life thrust back into the Dark Ages. In the United States, the military scrambles to speed the nation's recovery on multiple fronts including putting down riots, establishing relief camps, delivering medical aid, and bringing communication and travel back on line. Just as a real foothold is established in retaking the skies (utilizing existing commercial aircraft supplemented by military resources and ground control systems), a mysterious virus takes hold of the population, spreading globally over the very flight routes that the survivors fought so hard to rebuild. The communicability and mortality rates are devastating, leaving only small pockets of survivors scattered throughout the countryside. *Commune: Book One* is the story of one small group of survivors who must adapt to a primitive, hostile world or die. As they learn the rules of this new era, they must decide how far they're willing to go to continue living, continually asking themselves the same question daily: is survival worth the loss of humanity?

Candy Boys Jo Raven 2018-11-30 Joel and Jethro. Roommates. Total hunks. Inseparable friends. Hot. Meet my fantasy boyfriends. Aren't they just the cutest thing? I know, right? They totally are. They are hot, too hot for a quiet—and obsessed with them—girl working in a bookshop. That'd be me, by the way. There's also the tiny problem of Joel wanting another girl. And as for Jethro, well... he doesn't do relationships. So it's fine to crush on them. And write a serial story on my blog in which we do crazy things. All three of us. Together. Whew. I mean, it's okay. It's perfectly safe. They'll never even know I exist, much less find out about my blog and my secret fantasy about them. Right? Yeah, that's what I thought, too.

Internet-Porno - Die neue Sexsucht Bjørn Thorsten Leimbach 2019-10-29 Diese Buch des bekannten Männercoachs klärt über die sich rasant verbreitende Internet-Pornografie und deren Auswirkungen auf die Sexualität sowie auf das Beziehungsund Sozialverhalten von Männern und Jungen auf. Bjørn Thorsten Leimbach schreibt nicht als Journalist oder Psychologe, sondern aus der langjährigen Praxiserfahrung mit Männern, die Probleme mit ihrer Sexualität und in ihrer Partnerschaft haben. Dieser Ratgeber zeigt Zusammenhänge auf zwischen Pornokonsum und sexuellen wie partnerschaftlichen Problemen. Die bislang vorliegenden wissenschaftlichen Untersuchungen zu den Auswirkungen von Internet-Pornos machen die Dimension einer neuen Volkssucht, der Pornosucht, erkennbar. Der Autor zeigt aber auch Wege aus dem Konsum und zu einer erfüllten und ekstatischen Sexualität als Mann auf. Mit diesem Buch wird der Fokus auf ein wichtiges Thema gelegt, das bis jetzt in der Öffentlichkeit wenig beachtet und unterschätzt wird. Der Schwerpunkt liegt auf der Schilderung der enormen Verbreitung und den Auswirkungen, auch wenn noch keine wirkliche Pornosucht vorliegt. In einem gesonderten Kapitel werden auch Jugendliche, Partner und Eltern angesprochen.

Three Seductive Ideas Jerome Kagan 2000-04-07 Do the first two years of life really determine a child's future development? Are human beings, like other primates, only motivated by pleasure? And do people actually have stable traits, like intelligence, fear, anxiety, and temperament? This book, the product of a lifetime of research by one of the founders of developmental psychology, takes on the powerful assumptions behind these questions—and proves them mistaken. Ranging with impressive ease from cultural history to philosophy to psychological research literature, Jerome Kagan weaves an argument that will rock the social sciences and the foundations of public policy. Scientists, as well as lay people, tend to think of abstract processes—like intelligence or fear—as measurable entities, of which someone might have more or less. This approach, in Kagan's analysis, shows a blindness to the power of context and to the great variability within any individual subject to different emotions and circumstances. Infant determinism is another widespread and dearly held conviction that Kagan contests. This theory—with its claim that early relationships determine lifelong patterns—underestimates human resiliency and adaptiveness, both emotional and cognitive (and, of course, fails to account for the happy products of miserable childhoods and vice versa). The last of Kagan's targets is the vastly overrated pleasure principle, which, he argues, can hardly make sense of unselfish behavior impelled by the desire for virtue and self-respect—the wish to do the right thing. Written in a lively style that uses fables and fairy tales, history and science to make philosophical points, this book challenges some of our most cherished notions about human nature.

In the Metro Marc Augé 2002 Tourists climb the Eiffel Tower to see Paris. Parisians know that to really see the city you must descend into the metro. In this revelatory book, Marc Augé takes readers below Paris in a work that is both an ethnography of the city and a personal narrative. Guiding us through history, memory, and physical space, Augé juxtaposes the romance of the metro with the reality of multiethnic urban France. His work is part autobiography, with impressions from a lifetime riding the trains; part meditation on self and memory reflected in the people and places underneath Paris; part analysis of a place where the third world and the first world meet, where remnants of cultures move and press together; and part a reflection on anthropology in an era of globalization and urban development. Although he is a pillar of French thought, *In the Metro* is Augé's first major critical and creative work translated into English. It shows him to be firmly rooted in a tradition of literary ethnography that reaches back to Claude Lévi-Strauss and Michel de Certeau, but also engaged in current theoretical debates in literary and cultural studies. In Augé's idiosyncratic and innovative approach, the act of observing the quotidian is elevated to an art. The writer and his history become part of the field he observes, and anthropology interacts with a site -- urban life -- usually reserved for sociology and cultural studies. Throughout, Augé reveals a passion for his milieu, seeing the metro as a place rich with history and literature -- an eclectic egalitarian society.

Buyer Beware John Lutz 2011-09 Kidnap proves only the prelude to a diabolically clever scheme of fraud and murder in this vivid tale of taut suspense. Private investigator Alo Nudger didn't have to think twice about accepting the \$2,500 fee from Gordon Clark, whose seven-year-old daughter had been "kidnapped" by his ex-wife, Joan. After all, the pay was good, and the job seemed simple enough: bring young Melissa back from Florida to her frantic father. Nudger arrives at his destination to find only an empty house but soon locates Melissa in the safekeeping of a neighbor and reckons his job is done... or is it? For now Joan is missing, and the man she and Melissa had been living with is murdered. Nudger's new proposition from an equally distraught parent-Joan's father-is not so readily appealing as before. Fifty thousand dollars to locate a missing person is a tempting sum, indeed-assuming Alo Nudger can stay alive long enough to enjoy it. "One of the best and most unusual novels in the history of private eye fiction." -Cedar-Rapids Gazette. Lutz's bestselling novel *SWF* *Seeks Same* was released as the major motion picture, *Single White Female* starring Bridget Fonda. About the Series St. Louis private eye ALO NUDGER is perhaps the most Chaplinesque of fictional gumshoes. Where other P.I.s are hardcases living on cigarettes, booze, broads and danger, Alo survives (just) on antacid tablets (it was his nervous stomach that forced Alo to resign from the police force) and grocery coupons.

Her mission is to get more people talking openly about what they do and don't want from every romantic encounter.

Dynamics of Change in the Modern Hindu Family Raghuvir Sinha 1993 Change from the joint family system to the nuclear, and role of the individuals; study of the post-independence society conducted in Bhopal, India. Internet Sex Offenders Michael C. Seto 2013 "This volume follows my recent book on pedophilia and sexual offending against children, also published by the American Psychological Association (Seto, 2008). After that endeavor, which took almost 3 years to complete, I thought I would take a break before assuming the (satisfying) challenge of writing another book. But after a plenary talk on online offending I gave at the 2009 Association for the Treatment of Sexual Abusers (ATSA) conference in Dallas, Texas, a colleague, Jean Proulx, asked me why I was not writing a book about this topic, given the demand for knowledge about this emerging problem. That was a good question. It was clear that there was a great deal of demand because of the increasing number of cases seen by law enforcement and by clinicians; it was also clear that there was a lack of research.

On the Nature of Health L.Y Nordenfelt 2013-03-09 GENERAL INTRODUCTION This study of the concept of health is an attempt to combine central ideas in modern philosophy of medicine with certain results from analytical action theory. What emerges from the study is a concept of health based on an action-theoretic foundation. A person's health is characterized as his ability to achieve his vital goals. The general conception is not new. This study has been inspired by a number of scholars, both ancient and modern. The most important influences from the latter have been those of Georges Canguilhem, H. Tristram Engelhardt Jr. , Caroline Whitbeck and Ingmar Pörn. The novel aspect of this book consists of elaborations made to the general conception. First, the action-theoretic platform is analysed in some detail. The nature of the ability involved, as well as the conditions for having that ability, are specified. Second, the vital goals of man are given considerable attention. Some previous attempts to define such vital goals are analysed and criticized. A new characterization is proposed, in which the vital goals are conceptually linked to the notion of happiness. A person's vital goals are such states of affairs as are necessary and together sufficient for his minimal happiness. Third, a number of consequences of this conception are observed and analysed. One issue which is particularly emphasized is that of whether the concept of health is a theoretical or a normative concept.

Anleitung zur Impotenz Paul Kaufmann 2021-11-05 Die Potenz vieler Männer wankt. Es funktioniert nicht mehr, oder nicht mehr so gut und es wird schlimmer. Sie verstehen nicht, was passiert und mutmaßen ein körperliches Problem. Typisch: Onanie ist kein Problem, aber vor der Frau läuft es mau. Die Männer haben sich in die Impotenz hineingefühlt und hineingedacht. Unbewusst und unbemerkt leitet der Mann einen Abwärtstrend ein, bis schließlich wirklich nichts mehr geht. Er macht einen Fehler! Ironisch und bissig und von Mann zu Mann wird hier dargelegt, wie das geschieht. Der Ansatz des Buches ist: Kennt man den Weg hin, findet man zurück. Seid gewarnt: Hier wird nicht geschont, hier wird klar gesprochen. Die Wahrheit tut weh. Leistungsdruck im Bett, falsche Frau, Potenzmittel, Pornos, Masochismus und vieles mehr werden hier beleuchtet. Es sind Zündfunken, kleine Katastrophen, Kaskaden falscher Gedanken, die sich zur Krise summieren. Ein Blick hinein in die krude Gedankenwelt der Impotenten wird hier geboten - auch für die Frauen interessant, denn betroffen sind sie ja auch. Ein pragmatisches, verständliches, aber hartes Buch, genährt aus den Erfahrungen des Autors als jahrelang Betroffener und der Allgegenwart des Problems in Fetisch- und Swingerwelt. Das Thema ist fies, denn Impotenz packt den Mann an seiner empfindlichsten Stelle: seinem Selbstwert Zweite überarbeitete Auflage
