Nuff Said Tyrus,2023-11-21 The New York Times and Wall Street Journal bestselling author of *Just Tyrus* returns in his inimitable style with deeper reminiscences on the life that shaped him and how he views the world we're living in. In this

sequel, you'll delve into some of Tyrus's extraordinary life experiences and see how they connect with the most pressing issues of our time: immigration, crime, bullying, athletics, politics, China, parenting, and respect (for ourselves, each other, and the planet). It is Tyrus's commentary on all of these issues that has the power to silence a room. When he talks, people listen. There's so much wisdom and common sense in his takes that you'll finish this book more informed and more optimistic about the future—and we could all use that.” —Dana Perino A rare voice of reason and authentic storyteller who never holds back, Tyrus picks up where he left off in *Just Tyrus*, delivering a series of gut-wrenching, heart-rending and redemptive tales from his remarkable life and coupling them with no-nonsense insights on the hottest issues being discussed around the country. “Tyrus remains one of the most distinct, original voices in any medium, if not one of the most brutally honest to enter the realm of television since Charles Krauthammer. I mention them both because they're not different—both deep thinkers who leave inedible marks on those who are lucky enough to cross their paths. It's Tyrus's thinking that drives this book, and you'll get it through his powerful words. Writers spend years trying to concoct a voice. Tyrus makes it seem like it was always there.” —Greg Gutfeld Whether he's tackling the issues of race and activism in America today or confronting his past with stories of family, relationships, wrestling, and more, this is pure Tyrus at his unbridled best. The parallels he draws between current culture and his personal past are insightful, provocative, and profound. *Nuff Said* is a powerful reflection on a complex life and a complicated world.

When the Rivers Rise Joey Jones, 2020-10-20 High school sweethearts, Niles and Eden shared a once-in-a-lifetime kind of love until an accident-and Eden's subsequent addiction to pain medication-tore them apart. Now divorced, their son Riley is Niles's whole world, and he'll do anything to keep him safe. In constant pain, chronically tired, and resentful of Riley's relationship with his dad, Eden is a shadow of the woman she once was. When she meets Kirk, a charismatic drummer who makes her feel alive again, she's torn between evacuating with Riley before a hurricane hits and the exciting new life that beckons. Reese has never quite gotten over the death of her father, a cop who was shot in the line of duty. Now a detective herself and the only special operations officer on the East Ridge, Tennessee, police force without children, she volunteers to go help as a potential category five hurricane spins straight toward the North Carolina coast. As Hurricane Florence closes in, their lives begin to intersect in ways they never imagined as each is forced to confront issues from the past that will decide the future? their own, each other's, and Riley's. Emotions swell like the rivers in the approaching storm in this poignant story of guilt, second chances, and the lengths we'll go to protect the ones we love.

Religion of Sports Gotham Chopra, 2023-12-05 From the sports documentarian and executive producer of the docuseries *The Religion of Sports*, a memoir-meets-manifesto about the overwhelming power of sports and how they provide meaning and purpose in people's lives all over the world. Sports is a religion. This isn't a metaphor—sports is a living, evolving religion populated by true believers, who go on pilgrimages to sacred sites (Fenway Park), witness miracles and mythologies

(Michael Jordan does not abide by gravity's rules), observe rituals (Lebron's "chalk toss" before any game), and, most importantly, form communities around shared beliefs (Odessa, Texas, the town made famous by Friday Night Lights). From Gotham Chopra—a lifelong diehard sports fan who also happens to be the son of world-renowned spiritualist Deepak Chopra—comes a compelling and incisive exploration demonstrating how heavily sports and religion are intertwined. With an endless list of intimate anecdotes from sports luminaries like Tom Brady, Serena Williams, Lebron James, Stephen Curry, and more, Gotham weaves an entirely unique thread linking the world's wisdom tradition with an evolving and powerful sports faith. Passionate and inspiring, *The Religion of Sports* is not just for diehard sports fans, but also for anyone who's ever believed in something greater than themselves.

Full-Throttle Leadership Steven G. Foster CMP, 2022-04-12 Steven Foster has one speed: Full-Throttle! It's that commitment to going flat out that, in 2013, led him to embark on a thirty-four-day, thirty-four-state, 13,000-mile solo motorcycle ride along the perimeter of the United States wearing a pair of combat boots to raise awareness and support for the Boot Campaign, a national veterans service organization where he serves as an ambassador and advisory board member. In *Full-Throttle Leadership: Passion, Power, & Purpose on the Edge of America*, Steven Foster recounts the most memorable places from Sea to Shining Sea, but more importantly, the remarkable people who made his Full-Throttle Leadership Ride a life-changing experience. Each mile riding alone through wicked thunderstorms, scorching heat, a mountain wildfire, and the constant deluge of assorted bugs, dirt, and grime--provides the backdrop for stories of the people he encountered in small towns and big cities across America who exemplified what is truly at the core of great leadership: service, sacrifice, and a commitment to helping others navigate the challenges of their own personal and professional ride. Their stories sustained him then and inspire him now as an advocate for giving back in the communities where we live, work, and meet; and it's that commitment that fuels his passion to inspire others to become force multipliers for goodness. You don't have to ride a motorcycle to become a full-throttle leader, but Steven's journey as a biker, entrepreneur, and Force Multiplier for Good provides a road map for anyone on how to run wide open to serve the people who saddle up with you every day to do the work you do, whatever it may be. If ever there was a moment to throttle up and refuel your own leadership ride, that moment is now. Steven G. Foster, CMP is available for speaking engagements and book signings.
