Forever Words Johnny Cash, 2016-11-17 Since his first recordings in 1955, Johnny Cash has been an icon in the music world. In his newly discovered poems and song lyrics, we see the world through his eyes. The poetry reveals his depth of understanding, both of the world around him and within - his frailties and his strengths alike. He pens verses in his hallmark voice, reflecting upon love, pain, freedom, fame and mortality. Illustrated with facsimile reproductions of Cash's own handwritten pages, Forever Words is a remarkable addition to the canon of one of America's heroes. His music is a part of our collective history, and here he demonstrates the depth of his talent as a writer. Edited and introduced by Paul Muldoon, with a foreword by John Carter Cash, this is a book sure to delight and surprise fans the world over.

Castle Black Johnny Black, 2018-03-13 Castle Black is a series of surrealistic poems I started as a teenager about my experiences in New York City as a rock musician and singer. I continued writing these throughout my twenties. Influenced by Jack Kerouac, Jim Morrison, Arthur Rimbaud, and Ginsberg to name a few, Black Castle is a metaphor for a world I created to escape the real.

All About Life Johnny Albritton Jr., 2012-03-26 With an intensity of understanding and a straightforward wisdom, Johnny Albritton, Jr. writes poetry that is, indeed, All About Life. In this, his debut collection of published verses, Mr. Albritton examines the spiritual and physical life of man, and how one deals with each from day to day. His poems burst forth with images about everyday life that range in theme from criticizing apathy to celebrating ones newfound relationship with the Lord. It is not often readers of fine religious poetry get to absorb a mans vision of the world that is not condescending but uplifting in its intent. Johnny Albritton, Jr. certainly achieves that, and much more. The poet recognizes that he and his readers have to answer to God every day, but how to do that is the key. Are hearts opened in joyful song? Or are the lower depths of society, those that can only cause harm, sought out? In poems such as Job the Man, Chasing After the Wind, and Whats Going On? to name but a few, Mr. Albrittons keen wit, sensitive lament, and defined optimism are clear. In others, such as What Happened to Justice? and A Prayer for Mankind, he continues to boldly clarify todays state of affairs as he sees it, whether good or bad, right or wrong. Whatever your present state of mind, the poems in All About Life, by Johnny Albritton, Jr., have that unique ability to entertain inform and enlighten. Johnny Albritton Jr, grew up in New Jersey, attended

Lincoln Tech Trade School, and later served in the United States Navy. An athlete when younger, he earned a four year scholarship to Tennessee State University before enjoying his lifelong self-employed business of appliance refrigeration and air conditioning service. He also enjoys inventing and of course writing poetry from his home in Florida.

Suggests Nightfall Johnny Coley,2021-04-29 Suggests Nightfall is like a surreal Southern diary brimming with sensuous language and biting wit. In this, his fourth book, Johnny Coley takes us to that liminal space at the edges of language, where ideology loses its enchantment and it's possible to see beyond the veil. Taking cue from Situationist and Surrealist writers, Coley's prose poetry melds street level observations with flights of fancy to invoke a prismatic view of reality. This collection of writings made between the mid-90s and 2020, is a brilliant chronicle of queer life as told by a sage of the Birmingham experimental scene. Coley's ability to improvise words in a live musical setting is an utterly entrancing experience that many have had the pleasure of witnessing in the past few years. Now, finally, here is the magic dust of his daily life; a deeper dive into the poet's prolific and ongoing transformation of words into another music. His lyrical narratives here are at turns poignant and hilarious, conveying the absurd experience of living within the paradoxes of our current sociopolitical state. Beyond that there is the primal beauty of earth, sky, wind and dreams that the self can dissolve into. Suggests Nightfall takes you there.

Wearing Johnny's Shirt and Other Poems Ken Vance,2018-11-12 The man dubbed Poet with a Gun by Atlanta newspapers now offers this highly anticipated work of poetry along with some homespun prose.

Johnny Panic and the Bible of Dreams Sylvia Plath,1979 Short stories, prose and diary excerpts.

What I Learned from Johnny Bevan Luke Wright,2016-02-24 What I Learned From Johnny Bevan is a politically charged modern epic by celebrated poet Luke Wright. Written in electrifying verse, this is a story of friendship, class ceilings and the battle for the soul of the Left. At university the mercurial Johnny Bevan saves Nick, smashing his comfortable middle class bubble and firing him up about politics, music and books. Twenty years later, as their youthful dreams disintegrate alongside the social justice they hoped for, can Nick, now a jaded music journalist, save Johnny from himself? Winner of a prestigious Fringe First Award, What I Learned from Johnny strikes at the heart of a divided Britain with wit, compassion and laser precision.

Johnny Panic and the Bible of Dreams Sylvia Plath,2013-07-25 I lay there alone in bed, feeling the black shadow creeping up the underside of the world like a flood tide. Nothing held, nothing was left. The silver airplanes and the silver capes all dissolved and vanished, wiped away like the crude drawings of a child in coloured chalk from the colossal blackboard of the dark. The writings in this collection outline Plath's early preoccupation with issues of mental illness, creativity and femininity,

all of which would become recurrent themes in her later work. They offer special insight into her development as a writer, and arguably paved the way for her only full-length piece of prose writing, the loosely veiled fictional autobiography, *The Bell Jar*. This second edition contains the thirteen stories included in the first edition together with five pieces of her journalism, as well as a few fragments from her journal; and a further nine stories selected from the Indiana archive.

Fragments of Imagination Johnny Marcel O'Gradney,2011-10-19 My name is John Marcel O'Gradney. I was born on March 3, 1976 in Chicago, Illinois. I started writing poetry in high school, which led to me becoming a lead singer in a rock n roll band. I've been in various bands throughout the years, having always been the main lyricist. For me, I've always felt that song lyrics were simply poems put to music. I've been a student of life since birth, my school being the earth, imagination my teacher, and life being the lessons learned. The poetry i write is about everything from life, love, religion, philosophy, and drugs. I am now living in St. Petersburg, Florida, where I was raised from the age of eight. I work to pay my bills as a chef, which I have been doing since I was twelve years old. My grand father owned a restaurant and gave me a job as a dishwasher. I worked my way to a cook and have been doing it since.

Johnny Ringo Red Shuttleworth,2012-06-01 Johnny Ringo, an epic biographic poem about the Old West gunfighter, by two-time Spur Award-winning poet Red Shuttleworth, sheds brilliant light on bloody historical events, from Ringo's exclusion from the James-Younger gang to mindless violence in Texas, from accidental fame brought on by dime novels to his spiral into ambition-fueled alcoholism and to employment of his great gift for self-destruction. Shuttleworth's Johnny Ringo paints a vivid, pinpoint-present portrait of a man who was charismatic and larger-than-life, a murderous psychotic to be feared, a spiritually ill man more than a few women wanted to save, a legend who wished to be a god.

Ten Years in an Open Necked Shirt John Cooper Clarke,2014-07-03 'Yes, it was be there or be square as, clad in the slum chic of the hipster, he issued the slang anthems of the zip age in the desperate esperanto of the bop. John Cooper Clarke: the name behind the hairstyle, the words walk in the grooves hacking through the hi-fi paradise of true luxury' Punk. Poet. Pioneer. What the Living Do Maggie Dwyer,2018-09-27 Until the age of twelve, Georgia Lee Kay-Stern believed she was Jewish — the story of her Cree birth family had been kept secret. Now she's living on her own and attending first year university, and with her adoptive parents on sabbatical in Costa Rica, the old questions are back. What does it mean to be Native? How could her life have been different? As Winnipeg is threatened by the flood of the century, Georgia Lee's brutal murder sparks a tense cultural clash. Two families wish to claim her for burial. But Georgia Lee never figured out where she belonged, and now other people have to decide for her.

Little Johnny's Confession Brian Patten,1967

Wild Johnny Dolphin,1992 Wild, as the title suggests, is a celebration of all that is wild and free. The tree root that overturns the sidewalk (even though it destroys a kitchen drain); the crane that fishes what would have been a good catch for someone out of the pond, the alert coyote, the ready owl, the artist who can only be moved by passion and the scientist who writes only when there is something to say--all of these and more are exalted. The first section of WILD features poems that tell stories about animals that are wild, poems that reveal the ingredients necessary to be wild--Nobody gonna attain wild / who didn't make it free, / nobody gonna get free / without a fight...--and even poems that offer information about what might be construed as being wild (rage, screaming) but is not really wild at all. In one poem (entitled April 1991), Dolphin compares himself to a coyote, saying that just as a coyote slinks into a hole when he is wounded, so too he slinks into poetry, which turns out to be the place where he is able to heal. The work here is healing for readers as well--for even most complaisant readers will be reawakened to the chilling potential for their own wildness. The second section of the book, Aphorisms, lists more than seven pages of small gems that guarantee to send any inquisitive mind off on a short (or possibly long) journey. Dolphin looks at life, death, society, emotion, luck, truth, freedom, humility, humiliation and more. These are the seductive thoughts of a very clear mind and it is almost impossible not to be lured by them to seek clarity as well. There are several short stories here as well, in the final section of the book, and they examine wildness through characterization. A seven-year old boy, for instance, must decide whether to risk a jump that could send him to his death so as to experience the emotional rush that he already understands to be a necessary part of a full life. These are stories of characters looking around them, at the physical and spiritual worlds, to see what is of value and what is not, often finding answers in surprising places.
