**Caissons Go Rolling Along** Johnson Hagood,2012-12-05 An engrossing portrait of war-torn Europe written by one of

South Carolina's most distinguished military officers of the last century. Major General Johnson Hagood (1873-1948) was one of South Carolina's most distinguished army officers of the twentieth century. An artilleryist and a scholar of military science, Hagood became a noted expert in logistics and served as the chief of staff of the Services of Supply in World War I Europe. Taken from Hagood's wartime journal, *Caissons Go Rolling Along* describes his artillery brigade's march into Germany in 1918, the wartime devastation, his impressions of the defeated enemy and occupied territories, and his tour of the recent battlefields in the company of the commanders who fought there. Written in a conversational style, the narrative focuses principally on Hagood's time in command of the Sixty-sixth Field Artillery Brigade following the armistice. The Sixty-sixth FAB was attached to the American Third Army, which later became the American occupation force in the Rhineland. Hagood recorded his impressions of the conditions in which he found his men at the end of the war and the events of a tour of the French, British, and American battlefields. More important, he set down a record of the devastation of the French countryside, the contrasting lack of suffering he found in Germany, the character of the Germans, and some predictions for the future. I have left the text as it was when we held these people at the point of the bayonet, he wrote in his preface years later. The opinions we formed at that time are important because they were the basis of our action.... The scourge of the Great War took a heavy toll... and we Americans might as well keep in mind what we were fighting for. Hagood captures defining aspects of the American character at the close of World War I. He described a boisterous, optimistic people, sure of their new place in the world. Rome provided Hagood with an analogy for the new American empire, which he took for granted in his postwar memoir. Completed during Hagood's lifetime but unpublished until now, *Caissons Go Rolling Along* is an engrossing portrait of war-torn Europe, a stark reminder of grim realities of the Great War, and a richly detailed look at the daunting task of occupying and rebuilding a defeated nation.

*Memoirs of the War of Secession* Johnson Hagood, 1989 Mr. Hagood later became comptroller-general and governor of the state of South Carolina.

**The Civil War in Books** David J. Eicher,1997 With the assistance of several scholars, including James M. McPherson and Gary Gallagher, and a long-time specialist in Civil War books, Ralph Newman, David Eicher has selected for inclusion in The Civil War in Books the 1,100 most important books on the war. These are organized into categories as wide-ranging as Battles and Campaigns, Biographies, Memoirs, and Letters, Unit Histories, and General Works. The last of these includes volumes on black Americans and the war, battlefields, fiction, pictorial works, politics, prisons, railroads, and a host of other topics. Annotations are included for all entries in the work, which is presented in an oversized 8 1/2 x 11 inch volume in two-column format. Appendixes list prolific Civil War publishers and other Civil War bibliographies, and the works included in Eicher's mammoth undertaking are indexed by author or editor and by title. Gary Gallagher's foreword traces the development of Civil War bibliographies and declares that Eicher's annotation exceeds that of any previous comprehensive volume. The Civil War in Books, Gallagher believes, is precisely the type of guide that has been needed. The first full-scale, fully-annotated bibliography on the Civil War to appear in more than thirty years, Eicher's The Civil War in Books is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States. The bibliography, the most valuable reference book on the subject since The Civil War Day by Day, will be essential for college and university libraries, dealers in rare and secondhand books, and Civil War buffs.
