This means they bring their own cloth bags, say no thanks to plastic straws and decorate with paper streamers instead of balloons. Along the way, the kids learn what plastic is made of, how much of it surrounds us and how it's polluting our oceans and affecting the food chain. Most importantly, the five friends learn ways to use less — including just saying NO! No plastic? No problem. Readers will be primed for a No-Plastic Challenge of their own!

Relationship Goals Challenge Michael Todd,2020-12-29 ECPA BESTSELLER • Based on the #1 New York Times bestseller Relationship Goals and the author's wildly popular sermon series, this 30-day challenge helps you take your relationship from good to great! Feeling tired of romantic relationships with no purpose—or looking to put more spark in your long-term love? Pastor Michael Todd draws on the themes of Relationship Goals to give you a month of biblically rich “let's go deeper” challenges designed just for couples. We're not talking simple date ideas or tips on what flowers to buy. We're talking daily Scripture, intentional questions, and victorious outcomes as you get real about seeking God's goals for you individually and together. As Michael looks at three key values of romantic relationships—purpose, healing, and oneness—he helps you find answers to questions like these: • How can we communicate with greater intentionality? • How

does our relationship affect who we're becoming as individuals? • How are we going to fight well, with our greater purpose in mind? • How do we find healing for deep-seated issues? • How do our spiritual lives affect our life as a couple? Take the next thirty days to create new habits that will set you down solidly on the road to meeting your relationship goals. At the end of this month-long challenge, you can look back on the goals you've already met and set new ones to look forward to. So get ready to win in relationship . . . together. Do you accept the challenge?

A Fistful of Honey Malena Crawford,2017-02-21 Her world is ending, but only she can stop all of existence from meeting the same fate... This stunning novel begins when a pending divorce and job loss force Alena Ford out of her elite life in Manhattan's Upper East Side, and into a gritty section of Brooklyn. Stripped of everything, she is forced to face the demons of her past and the ghosts in her heart. When Alena befriends her eccentric neighbor Gloria, the woman's stunning amethyst necklace and Black Madonna painting draw her into a world of ancient secrets, dark forces, and powerful magic. It is a world in which black women are divine. Alena finds that it is up to her to save humanity from a universal evil, the Shetani. To succeed, Alena must first conquer her own darkness; if she loses, the fate of the world is at stake. A brilliantly crafted story that seamlessly grapples race, oppression, divinity, and the redemptive power of forgiveness. Riveting and engaging. A Fistful of Honey is an epic, spellbinding tale filled with heart-pounding action. Crawford offers a thrilling sensory experience reminiscent of Octavia Butler's sci-fi and fantasy classics that will transport you between times and worlds; across the plains of Africa, to the rice fields of the deep south. -Debrena Jackson Gandy, New York Times bestselling author of Sacred Pampering Principles: An African-American Woman's Guide to Self-Care

7-Day Confidence Challenge Challenge Self,2015-08-31 Take Your 7-Day Confidence Challenge Improve Your Confidence In 7 Days Why are you reading this? Because: - You have a hard time asserting and expressing yourself. - You have an ingrained shyness and discomfort around people. - You have feelings of inadequacy and question your own worth. - You have constant worries about what might happen in the future. - You have an inability to stand up for yourself when it really matters. Confidence issues can show and manifest themselves in different ways, including, but certainly not limited to these above. A common misconception about confidence disorders is that there's something fundamentally wrong with the people who suffer from them. This statement couldn't be further from the truth—there's only something wrong with the

thinking that these sufferers exhibit. That's what needs to be remembered—there's nothing wrong with you, only your thinking. And that's exactly what the 7-Day Confidence Challenge seeks to fix—faulty thinking. As this thorough confidence-booster's title implies, in just seven days you can be an entirely different person, radiating confidence and beaming with positivity. Using a series of well-thought and researched daily tasks, 7-Day Confidence Challenge invigorates readers to entertain an entirely new style of thinking, feeling, being—and confidence. Easy-to-follow and quick-to-perform, these tasks are far from rushed; although they require just an hour or so of effort per day, the results will be felt—and seen—immediately. A lack of confidence isn't something that you should have to live with—and with 7-Day Confidence Challenge available, you don't have to. If you suffer from any sort of confidence deficiency—and most do—there's no better way to practically and immediately develop a new confident you and a more successful life than taking the 7-Day Confidence Challenge now.

The Shaming of the Strong Sarah C. Williams,2007-05 This extraordinary story begins with the happy news of a new member of the Williams family. Sarah's two young daughters are excited, as is her own mother, Jennifer Rees Larcombe. But the happiness is shortlived, as the scan at the hospital reveals that the baby has a condition which will mean severe skeletal deformity. Birth will be fatal. Sarah and husband Paul decide to go to full term and not abort, which shocks the staff at the hospital. So their personal anguish is exacerbated by the fight to maintain the baby's own dignity as a human being. Naming her is important - and they decide on Cerian, which is Welsh for 'loved one'. The book allows us to experience the emotions of Sarah and her family on the difficult journey towards Cerian's birthday, which will also be her deathday. The title, based on 1 Corinthians 1:27 God chose the weak things of the world to shame the strong, throws out a challenge to a society that's poised to pass laws which threaten the very existence of its weaker members. This book is one of the most powerful testimonies to God's grace we have ever published. Its impact will be personal and political - Sarah has already had an impromptu session with the World Health Organization who were eager to hear her perspective. It's not often they encounter a mother who has both this kind of experience and the ability to articulate so many of the issues it raises.
