

Jon Vincent Gay Porn

Nicolae Sfetcu

Paper Doll Kathy M. Tyrity, 2002-12 *The Life and Death of a Gay Porn Icon . . .* Although he starred in fewer than forty adult films, Jon Vincent was one of the most popular, most recognizable, and most durable stars of the all male adult film industry. Known for his near-competitive level physique and his non-stop, erotic verbal pyrotechnics, his was a persona unlike any other in gay (or straight) porn. On screen and off, he possessed the kind of high-voltage charisma that could only be called star quality. From his first starring vehicle, *Heavenly*, in 1988, he was idolized and emulated as a paradigm of gay male sexual iconography. By 1990, he was earning more than a hundred thousand dollars a year, as well as a reputation for being drunk, difficult to work with, and dependent on a variety of dangerous drugs. He died ten years later, a homeless Heroin addict. He was thirty-seven years old. *A Thousand One Night Stands* is Jon Vincent's true story, the moral inventory of his life, conceived in the months prior to his tragic death. A fast paced, exciting read, it possesses appeal on many levels. From his aborted career as a baseball player to his days of fame as porn star, dancer, and high-priced gigolo/prostitute, *A Thousand and One Night Stands* is the story of a life derailed, a life begun in bright promise and ended, prematurely, in despair. *A Thousand and One Night Stands* also takes the reader on a harrowing journey through the seductive, glamorous world of gay porn and its seamier satellites: male strip clubs and prostitution. Lastly, in the tradition of Jerry Stahl's *Permanent Midnight* and William Burroughs' classic *Junkie*, *A Thousand and One Night Stands* chronicles one man's struggle with Heroin addiction from the pseudo-glamour of shooting up at Hollywood penthouse drug parties to the degradation of scoring with the bums in the slums of L. A. *A Thousand and One Night Stands* is an experience that will continue to affect its readers long after they have finished the book.

A Thousand and One Night Stands H. A. Carson, 2001 A recurring dream involving the drowning of a six-year old draws us to the scene fifty years later in *The Red Mitten*. *The Missing* begins as a humorous look at substitute teaching until a laid-back sub discovers something bizarre about students mysteriously dropping out of high school. Inspired by the genre of Rod Serling, E.A. Robinson, O. Henry and Dahl, this collection of stories with their delightful twists will keep you entertained well into the night. Included is a pair of exciting WWII dramas *The Foxhole* and *The Treasure of St. Antoine* (a story of the French Resistance with a plot to assassinate The Desert Fox, Erwin Rommel). *The Liar's Club* takes a traveling salesman in the dead of winter through a desolate part of eastern Maine to a small village that isn't even on the map. Three stories within a story

will keep you guessing all the way. *The Last Notch* is a western mystery. *The Third Wish*, a fanciful story with an Irish touch, along with two stories that flirt with time travel, and a humorous account of teenage boys, *Summer's End*, are also worth discovering. Peppered skillfully with a variety of dialects, (Irish, Scottish, French, German, and Downeast) these artfully crafted tales will have you begging for more.

Mondohomo Richard Joseph Andreoli, 2004 Forget Barbra Streisand and black-and-white movies ...find out how to be a modern gay man - or just act like one! Leading gay journalists chart the new generation of ideas and icons in this wildly funny and irreverent guide to contemporary queer culture. A combination of essays, best-ofs, how-to advice and even recipes. It's a fast-moving world - you've got to keep up!

International Documentary, 2001

Sex, Society, and the Making of Pornography Jeffrey Escoffier, 2021-02-12 Pornographic films combine fantasy and real sex to create a unique genre of entertainment. This book explores how the making of pornographic films is a social process that draws on the fantasies, sexual scripts and sexual identities of performers, writers, directors, and editors to produce sexually exciting videos and movies.

PAJ, 1998

The Culture of Queers Richard Dyer, 2002 For around a hundred years up to the Stonewall riots, the word for gay men was queers. From screaming queens to sensitive vampires and from pulp novels to pornography, *The Culture of Queers* explores the history of queer arts and artists.

More Dirty Looks Pamela Church Gibson, 2004-01-26 No Marketing Blurbs

Dating and Interpersonal Relationships Nicolae Sfetcu, 2014-05-01 An introduction to interpersonal relationship - methods, advice and tips for friendship, dating and online dating, intimate relationship, love and kiss, flirting, seduction, romance, marriage and wedding. Interpersonal relationships are social associations, connections, or affiliations between two or more people. They vary in differing levels of intimacy and sharing, implying the discovery or establishment of common ground, and may be centered around something(s) shared in common. The study of relationships is of concern to sociology, psychology and anthropology. Dating is a form of courtship consisting of social activities done by two persons with the aim of each assessing the other's suitability as a partner in an intimate relationship or as a spouse.

Out of the Blue Blue Blake, 2009-03-17 Gayporn.com's JC Adams praises: Blue Blake's picaresque memoir is outrageous, deranged and filthily funny. You don't have to be a porn biz insider to savor his dishy anecdotes and behind-the-scenes gossip. *Out of the Blue* is a hilarious autobiographical romp that details the life of porn star turned director/producer Blue Blake and his adventures in the skin trade. Blue has worked with every major star in the industry and won many major awards and honors, including induction into the Gay Porn Legend Hall of Fame.

The Advocate ,1992

The Richard Dyer Reader ,2023-09-07 Richard Dyer is a foundational figure for the critical study of cinema and popular culture. Across a career spanning five decades, he has made path breaking contributions to our understanding of stardom and celebrity, gay and queer politics and cultural history, film music, race and whiteness and the pleasures of popular entertainment. The Richard Dyer Reader brings together for the first time key writings by this vital and influential figure, many of which are not otherwise available. The anthology guides readers through Dyer's prolific and rich output through six thematic selections of essays and extracts, each centred on a key theme in Dyer's work: stardom and the image; entertainment and ideology; gay politics and representation; whiteness; the pleasures of popular entertainment, and textual analysis. A seventh section comprises a selection of interviews conducted across the span of his career, as well as a new interview with editors Glyn Davis and Jaap Kooijman. The book will provide an introduction for those new to Dyer's writings, as well as offering a fresh perspective for readers with a more comprehensive knowledge of his work. The collection includes archival and recent pieces of writing never previously anthologised, newly commissioned essays, a substantial introduction to Dyer's life and work and framing introduction to each section.

Images in the Dark Raymond Murray,1994 Welke bijdrage hebben homo's en lesbiennes tot hiertoe (1995) geleverd aan de filmproductie? Het antwoord op deze vraag kan men vinden in 'Images in the Dark'. Het opzet van het boek is breed. Zo zijn er enerzijds overzichten van producers, regisseurs en acteurs en anderzijds van films. Regisseurs en acteurs en anderzijds van films. Regisseurs, actrices of films moeten niet noodzakelijk lesbisch of homoseksueel zijn om een plaatsje in het overzicht te krijgen. Affiniteit is voldoende. Enkele voorbeelden: een overzicht van het werk van James Ivory beperkt zich niet tot het homoseksuele 'Maurice' of het lesbische 'The Bostonians', maar heeft ook aandacht voor zijn ander werk en Marlene Dietrich wordt uitgebreid besproken omdat ze in 'Marokko' een andere voruw op de mond kust. Daarnaast is er natuurlijk ruim aandacht voor lesbische (homoseksuele) coryfeeën als Chantal Akerman of Pier Paolo Pasolini en klassiekers als 'Law of desire' en 'Salò'.

American Honor Killings David McConnell,2013-03-05 “Not only is this book the best sort of true-crime writing, but it is also a stunning exploration of the concept of manhood in America” (Sebastian Junger, New York Times-bestselling author of War). Through six detailed accounts of murders involving gay men, American Honor Killings examines the facts of cases that are too often politicized, sensationalized, or simply ignored. David McConnell researched killings from small-town Alabama to San Quentin’s death row, and here recounts both notorious and lesser-known crimes. We may tend to think these stories involve either the perpetrator’s internal struggle over his own identity or a victim’s fatally miscalculated proposition. They’re almost never that simple. These riveting narratives reveal how different factors played into each case, among them ideas and beliefs about masculinity. Together, they form a secret American history of rage and desire. In each story, victims,

murderers, friends, and relatives come breathtakingly alive. The result is a true-crime book of unusual power, depth, and psychological insight—“a journalistic tour de force made all the more impressive by jailhouse interviews” (Publishers Weekly). “A masterpiece of reportage . . . At turns heartbreaking and terrifying . . . If Truman Capote were alive today, he would die of envy. David McConnell has taken the mantle of great American nonfiction writer.” —Evan Wright, author of *Generation Kill*

The Routledge Handbook of Male Sex Work, Culture, and Society John Geoffrey Scott, Christian Grov, Victor Minichiello, 2021-03-21 Panoramic and provocative in its scope, this handbook is the definitive guide to contemporary issues associated with male sex work and a must read for those who study masculinities, male sexuality, sexual health, and sexual cultures. This groundbreaking volume will have a powerful impact on our understanding of this challenging, elusive subject. While the internet has brought the previously hidden worlds of male sex work more starkly into public view, academic research has often remained locked into descriptions of male sex workers and their clients as perverse. Drawing from a variety of regions, the chapters provide insights into the historical, popular cultural, social, and economic aspects of sex work, as well as demographic patterns, health outcomes, and policy issues. This approach shifts thought on male sex work from a hidden social problem to a publicly acknowledged social phenomenon. The book challenges myths and reconceptualizes male sex work as a discrete field. Importantly, it provides a vehicle for the voices of male sex workers and new and established scholars. This richly detailed, humane, and innovative collection retrieves male sex work from silence and invisibility on the one hand and its association with scandal and stigma on the other. The findings within have profound implications for how governments approach public health and regulation of the sex industry and for how society can make sense of the complexities of human sexualities. A compelling scholarly read and a major contribution to a commercial sector that is often neglected in policy debates on sex work, this handbook will be of great interest to scholars of criminology, sociology, gender studies, and cultural studies and all those interested in male sex work.

Cycling and Cinema Bruce Bennett, 2019-04-30 A unique exploration of the history of the bicycle in cinema, from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films. *Cycling and Cinema* explores the history of the bicycle in cinema from the late nineteenth century through to the present day. In this new book from Goldsmiths Press, Bruce Bennett examines a wide variety of films from around the world, ranging from Hollywood blockbusters and slapstick comedies to documentaries, realist dramas, and experimental films, to consider the complex, shifting cultural significance of the bicycle. The bicycle is an everyday technology, but in examining the ways in which bicycles are used in films, Bennett reveals the rich social and cultural importance of this apparently unremarkable machine. The cinematic bicycles discussed in this book have various functions. They are the source of absurd comedy in silent films, and the vehicles that allow their owners to work in sports films and social realist cinema. They are a means of independence

and escape for children in melodramas and kids' films, and the tools that offer political agency and freedom to women, as depicted in films from around the world. In recounting the cinematic history of the bicycle, Bennett reminds us that this machine is not just a practical means of transport or a child's toy, but the vehicle for a wide range of meanings concerning individual identity, social class, nationhood and belonging, family, gender, and sexuality and pleasure. As this book shows, two hundred years on from its invention, the bicycle is a revolutionary technology that retains the power to transform the world.

Hacker, Hoaxer, Whistleblower, Spy Gabriella Coleman, 2015-10-06 The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the Huffington Post says “knows all of Anonymous’ deepest, darkest secrets” “A work of anthropology that sometimes echoes a John le Carré novel.” —Wired Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of her inside-outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, Spy is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of “trolling,” the ethics and metaphysics of hacking, and the origins and manifold meanings of “the lulz.”
