The Comedy of Error Jonathan Silvertown,2020-09-29 What is humour? Why do we laugh? And why is the root of a good joke almost always error? Good jokes, bad jokes, clever jokes, dad jokes — the desire to laugh is universal. But why do we

find some gags hilarious, whilst others fall flat? Why does explaining a joke make it less amusing rather than more so? Why is laughter contagious, and why did it evolve in the first place? Using the oldest jokes and the latest science, in *The Comedy of Error*, Professor Jonathan Silvertown investigates why we laugh: from laughter's evolutionary origins, to similarities and differences in humour across cultures, and even why being funny makes us sexier. As this unique book demonstrates, understanding how humour really works can provide endless entertainment.

A Man Walks Into a Bar 3 Jonathan Swan, 2010 The jokes are ordered thematically - wives, husbands, doctors, lawyers, the French, the Germans, jokes about nuns, jokes about monkeys and so on. Man Walks Into A Bar 2 Jonathan Swan, 2011-03-01 *Man Walks Into A Bar 2* is the second volume of the hugely popular and hilariously funny joke book series. A one-stop shop for anyone who likes to hear and tell jokes. The jokes are ordered thematically - wives, husbands, doctors, lawyers, the French, the Germans, jokes about nuns, jokes about monkeys, the lot. There are also regular panels which group jokes by type too - Essex girls, changing a lightbulb etc. Our material will turn you into the toast of your local pub or make you loathed in your own home - remember, it is all in the telling. From the sublimely erudite to stuff Frank Carson would turn down, this book can service you with every joke you'll ever need. Including such gems as the following: Why have elephants got big ears? Because Noddy won't pay the ransom. A magic tractor is driving down a country road and turns into a field. An amnesiac walks into a bar. 'Do I come here often?' I went to a book shop and asked the saleswoman where the Self Help section was. She said if she told me it would defeat the purpose. How do you know when you're a pirate? You just arrrrrrggghh.

It's Only a Joke, Comrade! Jonathan Waterlow, 2018-06-13 'A stunningly original study of Stalinist society... Essential reading for anyone interested in how human beings navigate a path through times of extraordinary upheaval, privation and danger' - Daniel Beer In the shadow of the Gulag, Soviet citizens were still cracking jokes. They had to. Drawing on diaries,

interviews, memoirs and hundreds of previously secret documents, *It's Only a Joke, Comrade!* uncovers how they joked, coped, and struggled to adapt in Stalin's brave new world. It asks what it really means to live under a dictatorship: How do people make sense of their lives? How do they talk about it? And whom can they trust to do so? Moving beyond ideas of 'resistance', 'doublethink', 'speaking Bolshevik', or Stalin's Cult of Personality to explain Soviet life, it reveals how ordinary people found their way and even found themselves in a life lived along the fault-lines between rhetoric and reality. 'An extraordinary achievement' - Ronald Grigor Suny 'Re-vitalizes our understanding of Soviet society' - Lynne Viola 'Fascinating ... lively, engaging, and at times very funny' - Catriona Kelly 'The best book on Stalinism I've read in a long time' - S.A. Smith 'One of those rare books that not only has to be read by scholars in the field, but is also accessible to a wide readership. Indeed it is an essential read for anybody who wants to get beyond standard views of the communist joke and understand what humour really tells us about life under this extraordinary regime' - David Priestland

Jokes for the Gunmen Mazen Maarouf, 2019-01-03 **LONGLISTED FOR THE INTERNATIONAL MAN BOOKER PRIZE 2019** A brilliant collection of fictions in the vein of Roald Dahl, Etgar Keret and Amy Hempel. These are stories of what the world looks like from a child's pure but sometimes vengeful or muddled perspective. These are stories of life in a war zone, life peppered by surreal mistakes, tragic accidents and painful encounters. These are stories of fantasist matadors, lost limbs and perplexed voyeurs. This is a collection about sex, death and the all-important skill of making life into a joke. These are unexpected stories by a very fresh voice. These stories are unforgettable.

Laughing Matters John Durant, John R. Durant, Jonathan Miller, 1988 A serious examination of what constitutes jokes and humour, with particular reference to social and psychological aspects. It deals with such questions as: why do we find certain people and situations funny?; Why do we laugh?; Why do we pay people to make us laugh?; and What is humour for?

Bones and Jokes Ted Jonathan, 2009 Poetry. In his first full-length collection, Ted Jonathan delivers up poems and stories out of a gritty urban reality that are as raw and original as the characters and streets from which they come. Jonathan weaves the language of the street into a rhythmic frenzy that pleases the ear in both his poetry and prose. He uses this lyricism like the stealth of a cat bringing its owner a mouse to seek a greater understanding of things like violent childhood icons, poker games, and hookers and lays that understanding at the feet of the reader as proof of life. **BONES & JOKES** is

savage, joyous, profound and dead on funny, but behind it all is a gentle love and clear sanity that makes it all memorable.

A Man Walks Into a Bar 3 Jonathan Swan, 2010-08-05 Did you hear about the scarecrow that won the Nobel Prize? He was outstanding in his field. What kind of cheese can hide a horse? Mascarpone. What about the red ship and the purple ship that collided at sea? Over one hundred sailors were marooned. Did you hear about the paranoid vegetarian? He always feared the wurst. A blonde Essex girl walked into a bar with an Englishman, and Irishman and a Scotsman, and started to change the lightbulb. The barman asked, 'Is this some kind of joke?' The third in the bestselling series of hilarious joke books - packed full of every kind of joke to make you laugh until your sides split. From elephants to mothers-in-law, priests to chickens, 'knock knock' to 'doctor, doctor' and much more besides, A Man Walks into a Bar 3 contains over 2,500 great new gags.
