*Jonna and the Unpossible Monsters Vol. 2* Chris Samnee,Laura Samnee,Crank!,2022-04-06 Jonna and Rainbow are sisters, but that doesn't mean they're all that similar: Rainbow's the bookish one, Jonna is the whirlwind. Jonna's also incredibly strong and nearly invulnerable—which will come in handy as they search the ruined, monster-infested wasteland that was once their home while looking for their missing father. Their world, once lush and bountiful, has been overrun by giant monsters and prickly, unnatural vines that strangle the life from the natural flora and fauna. The girls thought that they had found a place of calm and security—a notion proved false when a huge beast literally crashed through the walls. With their safe haven destroyed, the girls set out again, this time following a lead to a hidden city of humans that have built a home in the shattered remnants of a mighty redwood forest. Lured by heartwarming tales of community, Rainbow and Jonna find that life in the big city can be a little confusing! Jonna finds celebrity in the monster-fighting arena, while Rainbow explores their new surroundings, searching for a bit of human kindness and not liking what she sees. Can the two keep their spirits up and their skin on as they outpunch impossible monsters and outwit not-so-nice humans that stand in their way?

*Jonna and the Unpossible Monsters #11* Chris Samnee,Laura Samnee,Crank!,2022-08-24 It's been an incredible journey for sisters Jonna and Rainbow as they crossed a now-ruined, parched land filled with surreal monsters in their quest to find their missing father. Now, inside the mystery egg the girls believe to be the source of their world's problems, Rainbow and Jonna are faced with the most bizarre setting they've yet encountered. They also finally learn what has become of their father--and everyone else who went missing. Also: Who--or what--is TYPHEN?? Our heroes have so many questions, and this issue delivers! Do not miss this exciting penultimate chapter!

*Jonna and the Unpossible Monsters Vol. 3* Chris Samnee,Crank!,2023-05-03 In the final arc of our incredible tale, we learn the origins of the strange creatures that have invaded the planet, draining it of resources—as well as that of fellow adventurers Gor and Nomi. All the threads converge inside the mysterious giant egg! With the fate of their family and possibly the whole world at stake, can Jonna and Rainbow rescue their dad, battle countless monsters, and tell each other how they really feel?

*Jonna and the Unpossible Monsters #9* Chris Samnee,Laura Samnee,Crank!,2022-04-20 A new arc begins! After the incredible cliffhanger reveal from last issue, Rainbow and Jonna are reeling—what does it all mean?! The two sisters have

This issue is 100 percent incredible high-octane action--not to be missed!

**Jonna and the Impossible Monsters** Chris Samnee,Laura Samnee,2020-10-13 An epic tale of sisters, survival, and some monster-punching. Going from settlement to settlement, Rainbow asks every survivor she meets: Have you seen my sister? Then, one day, Jonna's spotted out in the wild: filthy, but strong. Strong enough to knock back a towering monster with one punch. All this time, she's been surviving. On her own. Without Rainbow. Without anyone. But there are more dangers in the world than monsters, and when the two sisters reunite, they'll discover the secrets of this new and terrifying earth firsthand.

Joanna Trollope: The Other Family & A Village Affair Joanna Trollope,2012-03-15 This special 2-for-1 collection features two classic Joanna Trollope novels: The Other Family and A Village Affair. The Other Family: Chrissie, in the twenty-three years she'd been together with Richie, had always believed that he loved her. He loved their three daughters and their house in Highgate and their happy, lively existence. But if she really was the love of his life, why had he never given her the one thing that would have made her life perfect? Then suddenly Richie is no longer there, and without him Chrissie's carefully constructed life is in jeopardy.The one big fact she had always tried to keep from her daughters threatens to overwhelm them

all. For Richie had still been married to his first wife, the one with a son that he had abandoned in Newcastle. And now, with Richie gone and the practicalities of wills and money to be sorted out, it is finally time for the two families to face each other ... A Village Affair: The Grey House is the answer to everything in Alice Jordan's perfect life. It seems to be the ultimate achievement of her outwardly happy marriage - a loyal, if dull husband, three children, two cars and now the house. So why does she feel as if something crucial is missing? As Alice and her family settle themselves into village life the something missing becomes something huge and then breaks, scandalizing the village, opening up old wounds. But because of it, Alice begins to feel that there is hope and humour, understanding and compassion in the new life she must build for herself.

But suddenly Richie is no longer there and, without him, Chrissie's carefully constructed life comes tumbling down and the secrets start to come out. Classical Music Futures Neil Thomas Smith, Peter Peters, Karoly Molina, 2024-01-30 This volume brings together contributions from a wide range of international academics and practitioners. It traces innovations within classical music practice, showing how these offer divergent visions for its future. The interdisciplinary contributions to the volume highlight the way contrasting ideas of the future can effect change in the present. A rich balance of theoretical and practical discussion brings authority to this collection, which lays the foundations for timely responses to challenges ranging from the concept of the musical work, and the colonial values within Western musical culture, to unsustainable models of orchestral touring. The authors highlight how labour to meet the demands of particular futures for classical music might impact its creation and consumption, presenting case studies to capture the mediating roles of technology and community engagement. This book will be of interest to scholars and students in the fields of musicology and the sociology of music, as well as a general audience of practitioners, freelance musicians, music administrators and educators.
