Tropical Treasure (Billionaire Boss Romance) Jordan Avery, 2023-09-19 I've entered a glamorous, elite world I barely understand. I'm just a country girl...but my boss is teaching me. A treasure hunting expedition...this isn't the summer internship I expected. But I'm rubbing shoulders with a titan—Grayson Hayes. Aboard his luxury vessel, I'm uncovering secrets. A pirate legend...Grayson's troubled past...where does this end? An intern should remain professional. She shouldn't fall for her boss...but I'm slipping. What if we kept it a secret? What if we disappeared into the island caves, letting loose under the cover of darkness? We're supposed to be searching for pirate treasure, but there's something far more valuable here. Something far more dangerous. *Tropical Treasure* is a full-length love story with forced proximity, steamy encounters, a feel-good mystery, and a tropical island paradise.

Gladiator's Goddess (Ancient Rome Historical Romance) Jordan Avery, 2023-12-07 I have a secret. Only Venus knows the truth. My father told me to stay away from the Colosseum—it's improper for highborn ladies to be there alone. But I didn't listen. Now I'm down in the forbidden tunnels, peeking around a corner into the armory. I watch while the gladiators lounge after battle, stripping off their armor and wiping dirt from their hard, sweaty muscles. I shouldn't be here...but I can't look away. Dangerous...aggressive...brave... What would it be like to enter their world? Just a small taste of this forbidden fruit... *Gladiator's Goddess* is a historical romance quick read packed with spicy secrets, forbidden love, and an alpha male hero.

Art of Naming: Finding the Perfect Name for Your Child Hseham Amrahs,2024-01-07 The inspiration for this handbook came from my personal experience of naming my children. As a parent, I found myself overwhelmed by the abundance of name options available and the pressure to choose the perfect name. Through my research and conversations with experts in the field, I discovered that there is no one right way to choose a name. Instead, it is about finding a name that

has meaning and purpose for the parents and their child. This handbook is divided into several chapters, each exploring a different aspect of the naming process. The first few chapters focus on the importance of choosing a name with meaning and purpose, considering factors such as family heritage, cultural traditions, and the impact of technology and social media on names. Subsequent chapters examine the influence of popular culture, the significance of a child's name in shaping their identity, and the role of consultation with family and friends in making the naming decision.

Across the Sands of Time Nelson Riverdale,2010-07-16 Each time Neil Avery reminisces about a certain Southern preacher, he is haunted with regret for mistreating the minister's daughter—the young woman who tried to teach him about love. This overcomes Avery with thoughts of what should have been. But at the zenith of the 21st century, quantum physicists have created a frightening invention: a time machine responsible for the death of one scientist and disappearance of another. When Avery learns he may be forced into retirement, he must end the military career he loves, or accept a secret mission as part of the nuclear-genetic time machine. But to take on the perilous assignment would mean to join those misleading the FBI away from the most incredible invention devised by man to date. A thrilling novel of technological advances and military might, **ACROSS THE SANDS OF TIME** is the gripping story of one man's shot at redemption.

Who will the BSG share the last dance with?
