*The Ancient Way River Jordan*,2020-10-13 For years, from her home on a hill outside Nashville, River Jordan felt a call to travel to the mystical Isle of Iona, off the coast of Scotland--the island that gave birth to Celtic Christianity. In *The Ancient Way* she invites us to leave the sacred space of our homes and our lives and join her on this pilgrimage. With the help of friends and the kindness of strangers, Jordan winds her way across green mountains to late-night ferries, across islands and down one-way roads led by the light of Iona and a trust in God. Along the way she explores ancient Celtic Christian practices such as cherishing creation, trusting spiritual friendship, offering hospitality, creative imagination, and honoring community--carrying them home with her to infuse her daily life. This is an intimate story of imagination, of personal transformation, of stillness and prayer. It's also a quirky, thoughtful guide for cultivating divine connection and creativity as we embark on our own wild adventures, chasing after the mystery that calls us all.

**The Angel Factory** Terence Blacker,2002 Spurred on by his best friend, twelve-year-old Thomas uncovers two major family secrets: that he was adopted, and that his perfect-seeming family is part of an other-worldly organization.

**Angel on my Shoulder** Julie Poole,2014-09-09 Sarah is having a bad day! At 37½ life is going nowhere fast. She's been dumped by her latest boyfriend, again! She's lost her latest job, again! And her mother's driving her mad, again! To top it all, she can't even have a moan in peace without Clarabell piping up every two minutes trying to cheer her up, again! Clarabell is of course, Sarah's 'Guardian Angel', whose job it is to constantly keep Sarah's spirits up - an annoying distraction to say the least! Clarabell certainly has her work cut out! Having reached rock bottom, Sarah reluctantly accepts Clarabell's help, growing gradually from a chaotic, lost young woman into the person she always wanted to be. With the angels help she is ready at last for her soul-mate Simon to enter her life. Throughout her journey a team of angels have regular 'inter-angel-cy' meetings, mapping out and planning Sarah's life for her, often getting it very wrong with hilarious results! Sarah's story brings hope, magic and inspiration from the beginning right through to its uplifting conclusion; drawing the reader into an emotional roller coaster that will make you laugh, cry and ultimately leave you with a smile on your face and quite possibly with an empty box of tissues!

**The Jordans** ,2000\*

*There She Goes Again* Aviva Dove-Viebahn,2023-12-15 *There She Goes Again* interrogates the representation of ostensibly powerful women in transmedia franchises, examining how presumed feminine traits—love, empathy, altruism, diplomacy—are alternately lauded and repudiated as possibilities for effecting long-lasting social change. By questioning how these franchises reimagine their protagonists over time, the book reflects on the role that gendered exceptionalism plays in

social and political action, as well as what forms of knowledge and power are presumed distinctly feminine. The franchises explored in this book illustrate the ambivalent (post)feminist representation of women protagonists as uniquely gifted in ways both gendered and seemingly ungendered, and yet inherently bound to expressions of their femininity. At heart, *There She Goes Again* asks under what terms and in what contexts women protagonists are imagined, envisioned, embodied, and replicated in media. Especially now, in a period of gradually increasing representation, women protagonists demonstrate the importance of considering how we should define—and whether we need—feminine forms of knowledge and power.

**Angels Earn Their Wings** Andrew John, 2008 *Angels Earn Their Wings* is the story of the last little angel in Heaven to earn her wings. Created with many challenges in her life, little Stubby (as the other angels call her) is finally presented with her own assigned Heroic Deed. When she says yes, God's smile lights up the night sky! Join our tiny angel as she struggles against her many challenges and the obstacles placed before her by Foxy Fox. With the help of new found friends, all of whom have their own imperfections and strengths, our little angel earns her wings of love! This book is written on two levels: The first is a clever, entertaining and beautifully illustrated story for all, especially those who face challenge. The second level is for caregivers, parents, siblings, extended family members, friends, schoolmates, co-workers and all other segments of society who encounter persons of challenge. Each will find purpose and gain understanding that what the world calls disability is really fullness; God has purpose for individuals who face challenge.

Do Angels Like Chocolate? Crystal Walker, 2010-09-02 *Do Angels Like Chocolate?* One day after learning about Guardian angels in Sunday school, Alec, who was a very curious boy, had many questions about his angel.

*Angels Underway* Kate Tym, 2000 *THE FIRST CHALLENGE* It's assignment at Angel Academy, and for aspiring angels. Mo and Colin, their chance to prove themselves. Colin's cool about the whole thing, which really annoys Mo - she's just GOT to do THE best project the Academy has ever seen. But when she dumps poor Colin and goes it alone, things don't QUITE go according to plan. In the end, Colin ends up with the better project and Mo learns a very important lesson - the importance of friendship and working together.

Angels of Children K. S. Berni, 2012-09 This book is about a little angel named Sarafina who watches over the children of the world. She likes to teach the children about the importance of prayer. In this book, Sarafina helps a six-year old girl, Elizabeth, with many challenges her family was going through. The problems began after the death of her little brother. My mommy and daddy argue a lot, and I am afraid they stopped loving each other. I think they stopped caring about me too because they no longer spend time with me. Why did God let this happen? Sarafina taught Elizabeth how to pray. The same way you would talk to a friend. With Sarafina's guidance, Elizabeth helps her family to go back to church. How is Elizabeth ever to handle the turmoil? Will God's angel, Sarafina, be able to help? Will Elizabeth and her family ever recover? Read this heartfelt story to discover when and how Elizabeth's family went astray.

*Angels from the Valley* Dan Sullivan,2017-05-15 Why were these two beautiful baby girls abandoned? What happened to their mysterious mother and their biological father? What roadblocks did Bessie, a young African-American woman, run into when attempting to bring up these two marvelous white children as her own daughters, along with her own biological daughter? For a while, no one seemed to care one way or the other, that is, until time had passed and the girls matured into their preteen years. When one of them displayed surprising athletic prowess, others became concerned. Was it racial motivation or greed that suddenly brought the human roaches out of the woodwork in an attempt to snatch the girls away from Bessie? Mom and her daughters faced steep odds in a rather bizarre court setting, but they managed to beat those odds, and the family continued to grow and thrive. This adorable and creative family eventually became darlings of the entire community. In time, the girls were referred to as the angels from the valley. But in life, sometimes, before you can become an angel, you have to experience hell. Sometimes, even angels have to cry. How does a family (or, for that matter, an entire community) react when hell raises its ugly head? This is an easy read as you navigate through the many unexpected twists and turns, some of them enlightening and still others extremely unpleasant.

*An Angel in an Unexpected Place* Elizabeth Johnson,2021-03-19 Book An exciting and true story about angels being everywhere. At just the right time, an angel came to help a mom and her children. Angels have many jobs, and this book shares what they are like.
