

Josephine And Men

Kate Williams

Whalemen of the Josephine Pat Holenstein, 2003 The early phase of industrialization in America devastated many lives by what the author calls 'The Fiery Furnace Effect.' Not only were the initial participants affected, but much of the effect, through them, was carried over into the subsequent generation, and beyond in some cases. This novel focuses upon the intergenerational impact for two decades in the life of young Adam Vasilyevich, born out of wedlock in 1926 in the 'Loch Jean' coal camp of 'Paine County,' West Virginia. His early personal development, in what Borges would call his 'green Garden,' is detailed, as is the subsequent series of events that strip him of his human connections and even his identity. Then he is uprooted from his native soil, like a hickory sapling, and is banished into, for Adam, the urban wilderness of Detroit. There, he is abandoned by his mother, who was his last bond to his previous existence. For six years thereafter, Adam is increasingly demoralized and estranged from his life and from his own self. At that point, he is surely on a path toward a life of crime and self destruction, but a fortunate stroke of fate provides new opportunities for a meaningful and gratifying life. However, Adam has been beaten into a feckless, alienated condition for so long that it is highly problematic whether or not he can marshal any inner resources to take advantage of the new circumstances in Melville Township.

Josephine and The Seven Brothers Johanne Levesque, 2024-05-24 The third book in the Hadley family trilogy follows Josephine Hadley as she supports her seven brothers who have volunteered for action in World War I. Stationed across Europe, the Hadley men serve in various dangerous roles, giving readers a glimpse into life on the frontlines. Back home in Toronto, devoted sister Josephine corresponds with her siblings regularly, sending loving care packages and attending to every detail of their needs with fierce loyalty. However, as news from the front grows grimmer, Josephine grapples with the harsh realities of war and the uncertainty over her brothers' fates. Spanning the bloody battlefields of Europe to the anxious waiting on the home front, this concluding novel in the series immerses readers in the lives of the courageous Hadley family during one of history's most devastating wars. With rich historical detail and an intimate portrait of sibling bonds, Josephine and The Seven Brothers delivers a poignant story of love, duty, and sacrifice.

The Many Faces of Josephine Baker Peggy Caravantes, 2015-02-01 A complete biographical look at the complex life of a world-famous entertainer With determination and audacity, Josephine Baker turned her comic and musical abilities into becoming a worldwide icon of the Jazz Age. The Many Faces of Josephine Baker: Dancer, Singer, Activist, Spy provides the

first in-depth portrait of this remarkable woman for young adults. Author Peggy Caravantes follows Baker's life from her childhood in the depths of poverty to her comedic rise in vaudeville and fame in Europe. This lively biography covers her outspoken participation in the U.S. Civil Rights Movement, espionage work for the French Resistance during World War II, and adoption of 12 children—her “rainbow tribe.” Also included are informative sidebars on relevant topics such as the 1917 East St. Louis riot, Pullman railway porters, the Charleston, and more. The lush photographs, appendix updating readers on the lives of the rainbow tribe, source notes, and bibliography make this a must-have resource for any student, Baker fan, or history buff.

[The Many Lives & Secret Sorrows of Josephine B](#) Sandra Gulland,1999-08-03 In this first of three books inspired by the life of Josephine Bonaparte, Sandra Gulland has created a novel of immense and magical proportions. We meet Josephine in the exotic and lush Martinico, where an old island woman predicts that one day she will be queen. The journey from the remote village of her birth to the height of European elegance is long, but Josephine's fortune proves to be true. By way of fictionalized diary entries, we traverse her early years as she marries her one true love, bears his children, and is left betrayed, widowed, and penniless. It is Josephine's extraordinary charm, cunning, and will to survive that catapults her to the heart of society, where she meets Napoleon, whose destiny will prove to be irrevocably intertwined with hers.

Josephine Jean-Claude Baker,Chris Chase,2001 This revelatory biography of Folies Bergere dancer Josephine Baker (1906-1975) is a study of struggle, triumph and tragedy.

The Empress Josephine. An Historical Sketch of the Days of Napoleon ... Translated from the German, by ... W. Binet. Illustrated by G. Fay Louise MUEHLBACH (pseud. [i.e. Clara Mundt.]),1868

The Men Who Would Be King Josephine Ross,2011-10-06 The story of the many suitors of Elizabeth I - one of the most eligible brides in 16th century Europe. From her childhood, overshadowed by the marital upheavals of her father Henry VIII, and the tragic first encounter with courtship, to the fantastical flirtations of her old age, Elizabeth refused to commit herself to any man. During the marriage negotiations, which spanned half a century, romance blended with diplomacy as one illustrious suitor after another endeavoured to ally himself to her in the most intimate of treaties. Sought after by some of the most powerful men in Europe, she knew her marriageable status to be one of her greatest assets. She played one suitor against another, exploiting her situation to the full both for England's profit and her pleasure. By turns she encouraged and eluded her pursuers, keeping alive hopes which she would never fulfil. Yet one man did come close to winning her. Ambitious, devious Robert Dudley, Earl of Leicester, suspected by many of having murdered his wife, was the most persistent of the suitors to the Queen, and though he never attained the prize he longed for, he was dearly loved by Elizabeth all her life. This is a fascinating look at the many suitors of Elizabeth I.

Josephine: a Woman with a Past Francis Scott Fitzgerald,2019-11-26 * Book : Josephine: A Woman With A Past*

Biography* Bibliography Driving slowly through New Haven, two of the young girls became alert. Josephine and Lillian darted soft frank glances into strolling groups of three or four undergraduates, into larger groups on corners, which swung about as one man to stare at their receding heads. Believing that they recognized an acquaintance in a solitary loiterer, they waved wildly, whereupon the youth's mouth fell open, and as they turned the next corner he made a dazed dilatory gesture with his hand. They laughed. 'We'll send him a post card when we get back to school tonight, to see if it really was him.' Adele Crow, sitting on one of the little seats, kept on talking to Miss Chambers, the chaperon. Glancing sideways at her, Lillian winked at Josephine without batting an eye, but Josephine had gone into a reverie. This was New Havencity of her adolescent dreams, of glittering proms where she would move on air among men as intangible as the tunes they danced to. City sacred as Mecca, shining as Paris, hidden as Timbuktu. Twice a year the lifeblood of Chicago, her home, flowed into it, and twice a year flowed back, bringing Christmas or bringing summer. Bingo, bingo, bingo, that's the lingo; love of mine, I pine for one of your glances; the darling boy on the left there; underneath the stars I wait.

Empress Josephine L. Mühlbach, 2022-11-13 This novel presents the full story of Josephine's life: from the young years to the acquaintance and marriage to Napoleon, the hardships of war, the days of her triumph, and finally, the divorce with Buonaparte and her death. A reader meets Josephine in the first days of her life, as her parents, who dreamt of a boy, were slightly disappointed by the birth of a girl who couldn't inherit the family name Tascher de la Pagerie and plantation. Yet, they didn't know that their daughter was destined to become one of the most prominent people in Europe and leave a significant trace in history. The book is the perfect choice for everyone who wants to learn more about the great personality of the Empress or dive into one of the most famous and spoken about love stories in history.

The Empress Josephine Luise Mühlbach, 1867

Josephine F. Scott Fitzgerald, 2018-11-14 Josephine: A Woman With A Past (+Biography and Bibliography) (6X9po Glossy Cover Finish): Driving slowly through New Haven, two of the young girls became alert. Josephine and Lillian darted soft frank glances into strolling groups of three or four undergraduates, into larger groups on corners, which swung about as one man to stare at their receding heads. Believing that they recognized an acquaintance in a solitary loiterer, they waved wildly, whereupon the youth's mouth fell open, and as they turned the next corner he made a dazed dilatory gesture with his hand. They laughed. 'We'll send him a post card when we get back to school tonight, to see if it really was him.' Adele Crow, sitting on one of the little seats, kept on talking to Miss Chambers, the chaperon. Glancing sideways at her, Lillian winked at Josephine without batting an eye, but Josephine had gone into a reverie. This was New Havencity of her adolescent dreams, of glittering proms where she would move on air among men as intangible as the tunes they danced to. The Ancestor Syndrome Anne Ancelin Schützenberger, 1998 In this book, Anne Ancelin Schutzenberger draws on over 20 years of experience as a therapist and analyst to explain and illustrate her unique psychogenealogical approach to psychotherapy.

Confidential Correspondence of the Emperor Napoleon and the Empress Josephine Napoleon I (Emperor of the French), John Stevens Cabot Abbott, 1856

Ambition and Desire Kate Williams, 2014-11-04 From CNN's official royal historian, a highly praised young author with a doctorate from Oxford University, comes the extraordinary rags-to-riches story of the woman who conquered Napoleon's heart—and with it, an empire. Their love was legendary, their ambition flagrant and unashamed. Napoleon Bonaparte and his wife, Josephine, came to power during one of the most turbulent periods in the history of France. The story of the Corsican soldier's incredible rise has been well documented. Now, in this spellbinding, luminous account, Kate Williams draws back the curtain on the woman who beguiled him: her humble origins, her exorbitant appetites, and the tragic turn of events that led to her undoing. Born Marie-Josèphe-Rose de Tascher de La Pagerie on the Caribbean island of Martinique, the woman Napoleon would later call Josephine was the ultimate survivor. She endured a loveless marriage to a French aristocrat—executed during the Reign of Terror—then barely escaped the guillotine blade herself. Her near-death experience only fueled Josephine's ambition and heightened her determination to find a man who could finance and sustain her. Though no classic beauty, she quickly developed a reputation as one of the most desirable women on the continent. In 1795, she met Napoleon. The attraction was mutual, immediate, and intense. Theirs was an often-tumultuous union, roiled by their pursuit of other lovers but intensely focused on power and success. Josephine was Napoleon's perfect consort and the object of national fascination. Together they conquered Europe. Their extravagance was unprecedented, even by the standards of Versailles. But she could not produce an heir. Sexual obsession brought them together, but cold biological truth tore them apart. Gripping in its immediacy, captivating in its detail, *Ambition and Desire* is a true tale of desire, heartbreak, and revolutionary turmoil, engagingly written by one of England's most praised young historians. Kate Williams's searing portrait of this alluring and complex woman will finally elevate Josephine Bonaparte to the historical prominence she deserves. Praise for *Ambition and Desire* "Not just a scholarly work, but a page-turner . . . Williams is no stranger to creating works on strong and influential women, and, as in those works, here she does an admirable job of demystifying Josephine. . . . This engrossing and accessible account is for all readers who enjoy historical biography."—Library Journal "[A] riveting account . . . Williams perfectly illustrates all that was bizarre and maddening about French life during the reign of Josephine and Napoleon Bonaparte."—Publishers Weekly "Intelligent and entertaining."—Kirkus Reviews "An in-depth portrait of the substantive woman behind the throne."—Booklist "Reading [*Ambition and Desire*] is like watching *Silk Stockings*, the 1957 Hollywood

masterpiece with Fred Astaire and Cyd Charisse. The book flows and jumps, taking the reader by the hand through tormented times in French history without ever letting you go or losing itself in the intricacies of French politics.”—The Times “A sparkling account of this most fallible and endearing of women.”—Daily Mail “A whirlwind tour of French history.”—The Telegraph

The Century Illustrated Monthly Magazine ,1886

The Rise of Caring Power Annemieke van Drenth,Francisca de Haan,1999 This original study discusses the role of women in developing and dispersing caring power and, vice-versa, the role of caring power in constituting 'women' as modern social subjects, processes which began around 1800. Based on the historian-/philosopher Foucault's concept of pastoral power, caring power also takes into account the vital role played by gender. Both humanitarian and religious motives fostered the ideal of serving the well-being of individual 'others' and thereby the interest of society as a whole. With the rise of caring power, this book argues, women began to feel responsible for 'those of their own sex' and to organize themselves in all-female organizations. In the process they carved out new gender identities for themselves and the women in their care. The authors illustrate this profound historical change with the work of the reformers Elizabeth Fry (1780-1845) and Josephine Butler (1828-1906) and trace their impact in Britain and the Netherlands.
