John M. Sherrer

Nowhere Else On Earth Josephine Humphreys,2011-08-31 Brought up in a mixed-race community - part Scots, part Native American - in the forests of North Carolina in the mid-nineteenth century, Rhoda is the first of her family to be able to read and her parents have plans for her. But the coming of the Civil War brings labour conscription for her brothers, who become outlaws, unwilling to fight for the Confederacy; and when Rhoda falls in love with the outlaw leader Henry, her mother fears the relationship can only lead to disaster-Beautifully written and stunningly observed, *Nowhere Else on Earth* takes the reader into the backwaters of the American South and the chaos and anarchy of civil war, in the heart-breaking story of one of the most appealing heroines of recent fiction.

Race Mixing Suzanne W. Jones, 2006-02-15 In the southern United States, there remains a deep need among both black and white writers to examine the topic of race relations, whether they grew up during segregation or belong to the younger generation that graduated from integrated schools. In *Race Mixing*, Suzanne Jones offers insightful and provocative readings of contemporary novels, the work of a wide range of writers—black and white, established and emerging. Their stories explore the possibilities of cross-racial friendships, examine the repressed history of interracial love, reimagine the Civil Rights era through children's eyes, herald the reemergence of the racially mixed character, investigate acts of racial violence, and interrogate both rural and urban racial dynamics. Employing a dynamic model of the relationship between text and context, Jones shows how more than thirty relevant writers—including Madison Smartt Bell, Larry Brown, Bebe Moore Campbell, Thulani Davis, Ellen Douglas, Ernest Gaines, Josephine Humphreys, Randall Kenan, Reynolds Price, Alice Walker, and Tom Wolfe—illuminate the complexities of the color line and the problems in defining racial identity today. While an earlier generation of black and white southern writers challenged the mythic unity of southern communities in order to lay bare racial divisions, Jones finds in the novels of contemporary writers a challenge to the mythic sameness within racial communities—and a broader definition of community and identity. Closely reading these stories about race in America, *Race Mixing* ultimately points to new ways of thinking about race relations. We need these fictions, Jones writes, to help us imagine our way out of the social structures and mind-sets that mythologize the past, fragment individuals, prejudice people, and divide communities.

The Dry Grass of August Anna Jean Mayhew, 2011-04-01 In the segregated South, a young girl's life is changed forever: "A beautifully written literary novel [and] a real page-turner." —Lee Smith, New York Times bestselling author of *Blue Marlin* On a scorching day in August 1954, thirteen-year-old Jubie Watts leaves Charlotte, North Carolina, with her family for a Florida vacation. Crammed into the Packard along with Jubie are her three siblings, her mother, and the family's black maid, Mary Luther. For as long as Jubie can remember, Mary has been there—cooking, cleaning, compensating for her father's rages and her mother's benign neglect, and loving Jubie unconditionally. Bright and curious, Jubie takes note of the anti-

integration signs they pass, and the racial tension that builds as they journey further south. But she could never have predicted the shocking turn their trip will take. Now, in the wake of tragedy, Jubie must confront her parents' failings and limitations, decide where her own convictions lie, and make the tumultuous leap to independence . . . Infused with the intensity of a changing time, here is a story of hope, heartbreak, and the love and courage that can transform us—from child to adult, from wounded to indomitable. "Taut, thoughtful and complex." —Publishers Weekly "A must-read for fans of *The Help*." —*Woman's World* "An ending so shocking and real it had me in tears." —Eleanor Brown, New York Times bestselling author of *The Weird Sisters*

Ordering the Facade Katherine Henninger, 2007 Proposing a new way to map intersections of photography and American literature, Katherine Henninger demonstrates the importance of pinpointing specific cultural and subcultural history. *Ordering the Facade* traces the visual and literary cultures of sou
