**Josh** Richard Lynn Stack,1992 The true personal history of Josh the Wonder Dog and how he came to live with his best friend Richard.

*Josh* Ian Smith,2010-12-04 A series of radio scripts that provide an 'alternative' re-telling of the Jesus story with a contemporary storyline that avoids everything familiar. The story of Josh Davidson and his unlikely companions, threatened by a hostile state and corrupt church, has all the essentials but might be unrecognisable as a version of the Gospel narratives. But it's still a ripping yarn in its own right. Copious notes explain the historical and theological background to the plays and how they were written.

Josh Richard Stack,1993-01-01 The story of an amazing dog and how he came into the author's life.

Go, Wonder Pets! Josh Selig,2008-07-29 The Wonder Pets find ways to help baby animals and save the day.

*Wonder Travels* Josh Barkan,2023-09-12 A New Memoir from prize-winning author Josh Barkan. Can we ever really know another person? When, after fifteen years of marriage, his wife has an affair with a man she meets on the beach in Morocco, writer Josh Barkan grapples with this question. In this fearless, breathtakingly candid memoir, he maps a painful odyssey from New York to El Paso to the Apache Kid Wilderness to Mexico City, where he falls in love with a painter who begins to heal him. But two years after his wife's affair, questions still haunt him. Why did she betray him, and with whom? With no more than a cell phone number, Barkan travels to Morocco to find his wife's lover and confront his own past. *Wonder Travels* marks the arrival of an important new voice in memoir. In this compulsively readable memoir, Josh Barkan does something remarkable: he combines the edifying power of the travelogue with the emotional truth-seeking promise of the memoir, taking us through the streets of New York to the wilds of Mexico, through Madrid and Marrakesh and the mountains of Morocco, through the piazzas of Rome then back to Mexico, all from the point of view of a man trying to stitch back together his shattered heart. *Wonder Travels* is a profound meditation on the inherent fragility of marriage, on what it means to love well and to be loved in return, on the elusiveness of forgiveness, but ultimately on spiritual resilience and wandering's potential ability to truly heal. This is a brave, thought-provoking, and moving memoir, and I recommend it highly.--Andre Dubus III, author of *Townie: A Memoir* In *Wonder Travels*, Josh Barkan writes about the dissolution of his marriage with an honesty that is illuminating and sometimes uncomfortable. This is an unflinching and highly readable memoir about one

man's slow recovery from heartbreak.--Tom Perrotta, author of *Little Children* Josh Barkan has written a searingly honest investigation of the end of his own marriage--a relentless quest to understand love, betrayal and the power of humiliation over the human soul. It is a painful journey, but the reader cannot turn away from Barkan's masterfully written mystery story.--Kai Bird winner of the Pulitzer Prize for Biography Barkan takes us on a brave tour through marriage and divorce and the Western Hemisphere. It's a sort of *Anna Karenina* written from Karenin's point of view, with amazing frankness. And at the same time, while looking for the trails of infidelity, we travel to Morocco, Spain, Paris, Rome, soul-searching. After all the upheavals, Barkan reaches a state of ataraxia, and manages to look into the past to see not only the pain and suffering but the beauty and adventure. This memoir/roman a clef, is a veritable page turner, with absolute narrative freedom. Barkan is a master tour guide of the human soul.--Josip Novakovich, finalist for The Man Booker International Prize and winner of the American Book Award Literary Nonfiction. Memoir.

Little did they know it was a game that would change their lives, of their friends... and enemies... forever. Oh! This game is no ordinary game, The Game Master explained, It reads your thoughts, seeks out your weaknesses to provide you with challenges. It can read our minds? puzzled the boys. As they progressed through the game's levels they discovered more about those around them. Then, mysteriously, the Game of Life began to spread its influence beyond Josh and Alex's lives and to their friends. From switching roles with each other, campfire frolics and ghostly stories from their teachers, the Game Master's zany antics as he hosted a T.V. game show, Hiro's Happy Heroes, released a string of rib tickling gags, teases and tantalising tattles.
