**Twilight of the Past** Michael Parziale,2006-01-15 Twilight of the Past: A Rift in Time revolves around Newl Rift as he attempts to unravel the truth about a mysterious war ripping his world apart. Confusion spreads as missile attacks are launched on both warring countries from an unknown source, plunging Newl into a journey of exploration that will change his world forever. In order to save his homeland, Gutra De, from certain destruction, Newl must force himself to trust new friends and unlikely allies. During an investigation in the northern country of Melis, Newl is ambushed and almost killed if not for sudden help from complete strangers. But all is not well for Newl. He now suffers from nightmares about a new love in his life and a possible betrayal from a friend. Newl's inner and outer struggle takes him to places, and to meet people, he never thought possible.

*Joshua's Country* Gerard de Marigny,2017-11-19 Born-and-raised a cowboy, Vietnam vet Joshua Jacobs looks out across the West Texas plain. All the land stretching to the uncluttered western horizon is his. From just a patch of land he built an empire, one he runs by his own rules. Yet, Joshua learned a hard lesson ... that his family couldn't be run the same way. Joshua deeply regretted not being on speaking terms with his only son when James died serving his country. James's wife Katy never forgave Joshua for trying to run their lives. Heartache upon heartache, Joshua's beloved wife Sarah passed not long after. Now, the only legacy Joshua has left is his grandson, but like his dad and granddad before him, young Josh also chose to serve his country. Joshua spends his days waiting for letters from him. In the latest letter, young Josh said he was thinking of finally leaving the military to take his place on the ranch at his grandfather's side. Joshua was overjoyed, but his joy was cut short when he saw a picture of his grandson on the news. The report said young Josh was taken hostage by the head of the most violent ISIS unit, known as the "Storm Demons." Their leader, Shakir was infamous for beheading his hostages and broadcasting the horrors online to the world. Threatening Joshua Jacobs' grandson was a mistake. Now, an Islamic Extremist's hate for America faces an old cowboy's love for his grandson. **In the Land of No Kingdom There** Jean Vaughn,2014 In the Land of No Kingdom There is based on the great eschatological poem in the book of Isaiah, Chapters 34 and 35, which portrays the end-times war between good and evil. The Kingdom of Cyun has lost the Vessel of Their Lord's Presence because of their sins, and only ones without sin can cross the ominous Land of No Kingdom There to retrieve it. Only two can be found worthy-Joshua, age twelve, and Sophia, age thirteen. Joshua is named after Joshua the high priest in the book of Zachariah, who bears the same name as Jesus-Yeshua in Hebrew-and is called the Branch. Sophia is named for Lady Wisdom in training. Together these two young people accept the daunting journey of crossing this dangerous land to reach the far mountain of God and to bring back the Vessel of Their Lord's Presence before Cyun is invaded by Darkon the Dragon and his hordes. On their trek Sophia and Joshua encounter the defeated inhabitants who have no hope and a perilous abode, with dangerous animals and plants, scarce food and water, and the Serpent himself. But this brave duo is also helped by unexpected encounters with visitors to this realm and is able at last to complete their mission! Dragons do stir the imagination. This story brings to mind the biblical references to dragons and other images as the reader enjoys an exciting allegorical tale that parallels prophecy in Scripture. It is an adventure that hooks the reader on what comes next. I recommend it as an exciting read about perilous times that end with victory. - Rev. Bob Frank-Plumlee, MDiv, retired minister, Christian Church (Disciples of Christ)

*Commentary on the Book of Joshua* Carl Friedrich Keil,1857

*Joshua* David Jackman,2014-02-28 Following closely on the heels of the Exodus story, the book of Joshua recounts the mighty acts of God as he fulfills his promises to Abraham, Isaac, and Jacob. It is, quite profoundly, a testimony to God's faithfulness. Written by a pastor to aid pastors in their preaching, and for their churches in their reading, this accessible commentary guides readers through the history of Joshua's rise to power in Israel and God's leading of his people into their promised rest in the land of Canaan. With warmth and wisdom, David Jackman ultimately points readers to the true hero of

Israel's story: God himself. Part of the Preaching the Word series.

**Joshua** Georg Ebers,2020-11-20 Joshua: A Story of Biblical Times depicts the life story of Joshua, relating the biblical account of Moses and the subsequent Exodus, and entry into the Promised Land for the Israelites. Bai, the second prophet of Amon, who acted as the representative of the aged and feeble chief-prophet and high-priest Rui, went into the holy of holies, the throng of inferior servants of the divinity pursued their various duties, and the frenzied mob rushed through the streets of the city towards the distant Hebrew quarter. As the flood, pouring into the valley, sweeps everything before it, the people, rushing to seek vengeance, forced every one they met to join them. No Egyptian from whom death had snatched a loved one failed to follow the swelling torrent, which increased till hundreds became thousands. Men, women, and children, freedmen and slaves, winged by the ardent longing to bring death and destruction on the hated Hebrews, darted to the remote quarter where they dwelt. How the workman had grasped a hatchet, the housewife an axe, they themselves scarcely knew. They were dashing forward to deal death and ruin and had had no occasion to search for weapons—they had been close at hand.

*I Kissed Dating Goodbye* Joshua Harris,2012-01-11 Joshua Harris's first book, written when he was only 21, turned the Christian singles scene upside down...and people are still talking. More than 800,000 copies later, *I Kissed Dating Goodbye*, with its inspiring call to sincere love, real purity, and purposeful singleness, remains the benchmark for books on Christian dating. Now, for the first time since its release, the national #1 bestseller has been expanded with new content and updated for new readers. Honest and practical, it challenges cultural assumptions about relationships and provides solid, biblical alternatives to society's norm. Clear, stylish typeset, with user-friendly links to referenced Scripture.

Joshua's Key H Brading,2012-11-07 Imagine being spirited away in the middle of the night and waking up on a ship in the middle of the ocean, that didnt bother Joshua, he was a Seaton, he had grown up in the ocean, after all he had gills behind his ears and could breath underwater. What bothered Joshua was the giant rock man called Cragos, How could rocks talk? Never mind stand up? He didn't really understand the warrior women of Hen Coed, Why did they dislike him so much? Why were they always cranky? These women wanted to go to Morfa where the Seaton Elders lived Even the Seatons themselves didn't want to go down there, the Elders were up tight, How did these women expect to get to Morfa? They couldnt breath underwater, and now there was a Key and a Garden that shone light all year round, all day, every day, not to mention a phrophecy. A Darkness was coming, threatening to destroy the earth and everyone on it. So why had Joshua agreed to help find this Key and vanquish the Darkness? Maybe it was the Sheetrea he had just drunk, or that the Hen Coed warrior women were bloody scary! Either way, he was signed up to save the world, Well he had Minga his loyal aquadine, not to mention his father Raymond, What could possibly go wrong?

His Name Was Joshua Alvin Leaphart,2014-02 Between 10 BCE and 10 CE there began much discord in the Roman

Empire. This was especially true in Judea, three decades after Herod had invited the Romans to come into the small country to aid him in gaining the throne. During this period that the Essenes, a monastic order located around Qumran, near the Dead Sea began to spark the coals of activism. Throughout the reign of Herod, and after, the Essenes were a shadow force of resistance to the Roman occupation of Judea. It was also a time when a young man called Joshua became caught up in his country's patriotic struggle for freedom. There is little or nothing known of Joshua, whose name in Greek is Jesus, between his 13th and his 30th year when he began his short-lived ministry of three years after which he supposedly died the death of a criminal. At the age of 13 a Jewish male becomes an adult. This was even more significant in the time in which Joshua lived. Life was hard and the average life span was around 35 years. Joshua was past middle age at 33 and approaching old age. Where was he doing those 17 years? An examination of his teachings strongly suggests that he spent time in the East. There are evidences of Persian, Indian and Chinese influence. One needs only to examine the Babylonian captivity of the Jews in the Old Testament to understand how he might have become influenced by the teachings of Zoroaster. Cyrus, the Persian, conquered the Babylonians. A Zoroastern, Cyrus allowed the Jews to return to Israel, and even gave them money with which to rebuild the temple. Zoroastern teachings were incorporated into Judaism. A modified version called Zionism came into being. But, what about the Hindu and Buddhist thought that crept into his ministry? The best explanation is that he was there. He saw and talked with the people of China, India and Persia. What was he doing in these places? Why was he there? What kind of person was he during those formative years? This story is a possible and plausible explanation.
