The Ancestry of David Bracewell Carey Bracewell,2011-06-08 In *The Ancestry of David Bracewell*, Carey Bracewell describes the fourteen-generation lineage traced from Edmund Bracewell, who was born in Grantham, Lincolnshire, England, c. 1510, to Careys son, David Bracewell, who was born in Texas in 1964. He outlines the career of the first American Bracewell, the Reverend Robert Bracewell (1611-1668), a Londoner, Oxford graduate, and Cavalierone who was invited to Virginia to take charge of St. Lukes Church, now a national historic landmark. Following the lead of the Reverend Bracewell, Carey Bracewell explains how each successive generation has faithfully emulated his example of pioneering religious leadership. More than just a recitation of genealogical lineage, this family history tells the fascinating story of how the Bracewell men and women struggled and brought Christianity to the wilds of Tennessee, southern Illinois, Arkansas, and Texas. Among their many lasting accomplishments, one Bracewell ancestor, Richard Brazil, founded the oldest Baptist church in Arkansas. Bracewell published a genealogical journal on the Bracewell family and started the Braswell DNA Project. He was the first to discover the DNA profile that traces the family back to one man who lived in Bracewell, Yorkshire, in the late Middle Ages.

Kentucky Soldiers of the War of 1812 Kentucky. Adjutant-General's Office,1969 Here is the primary reference source for the names and service records of upwards of 20,000 Kentucky soldiers and officers, both regular and militia, who served in the War of 1812. The muster rolls are laid out in tabular format by regiment and company, and thereunder the names are arranged by rank, with records of dates of appointment or enlistment and remarks such as when discharged, deceased, etc. As the official roster, this work was ordered to be compiled and printed by an Act of the Kentucky General Assembly, the number not to exceed 300 copies. The original records are now in the custody of the Kentucky Military Department, Frankfort. To the work as originally published we have added an Index, completely lacking in the original. Our reprint is further enhanced by the inclusion of an Introduction by G. Glenn Clift which sets forth the background, location, and other sources of the records of the War of 1812 for the State of Kentucky.
