How Not to Kill a Muslim Joshua Graves, 2015-04-13 The adherents of Islam and Christianity comprise half of the world's population, or 3.5 billion people. Tension between them exists throughout the world and is increasing here in North America. In *How Not to Kill a Muslim*, Dr. Joshua Graves provides a practical subversive theological framework for a strategic posture of peaceful engagement between Christians and Muslims. Based upon both academic and personal experience (Josh grew up in Metro Detroit), this book will provide progressive Christians with a clear understanding of Jesus' radical message of inclusivity and love. There is no one who is not a neighbor. There is no them. There's only us. Our future depends upon this becoming true in our cities, synagogues, churches, and mosques. In pluralistic societies such as those of Canada and the United States, the true test of Christianity is what it offers those who are not Christian. And it starts with Islam.

Christians Who Defended and Died for Prophet Muhammad and His Family Mateen Charbonneau, 2012-06-18 In researching Islamic history I have found in many cases that some of the Christian's who lived during the time of the Holy Prophet (pbuh), and also during the times of the 12 imam's from his Holy household (pbuh), stood up for them when they were being oppressed. It makes you wonder, why did these people stand up to defend the Prophet and his family when they belonged to a different religion? The Prophet and his family's character were so impressive to people that even the idol worshippers, who hated him, could not come up with anything bad to say about his morals. The Prophet's title, even before the Prophet hood, was Al-Ameen (the trustworthy) and As-Saadiq (the truthful). These Holy personalities shined their light on everyone they came in contact with. It was amazing for people to witness such sublime morality in a human being. Also during their times they treated everyone equitably and just. The Christian's felt safe under the Prophet and Imam Ali's rule and they were taken care of by them. The Ahl ul Bayt (The Prophet and his family) felt it their duty to help their fellow human being if they were able to do so. When the Christians witnessed the Prophet's family being oppressed some of the monks acknowledged the right of their Imamate (divine leadership) and they stood up for justice and died defending them. In this humble attempt I have compiled some historical accounts of Muhammad (pbuh) and his Family's treatment towards Christian's during their respected times. Also I have included historical accounts of Christian's who protected the Holy Prophet and some who gladly laid down their lives for his Holy family. I hope this book will show the reader of how the true

relationship between Islam and Christianity was and how it should be today. This is the Islam that was practiced by Muhammad and his Family, not the Islam that was hijacked by the corrupt rulers after our Prophet's martyrdom. Prophet Muhammad treated everyone with justice and equality, but the rulers who took away the divine leadership from his family performed a lot of terrible deeds in the name of Islam. We need to recognize the bad things these corrupt rulers did and disassociate them and their actions from Islam and show people the true form of Islam as taught to us by our Prophet Muhammad and his Household. It is up to us as God fearing people to bridge the gaps that have been built between the two religions of Christianity and Islam and to treat each other kindly with the aim to please the one and only God that created us all. Imam Ali is reported as saying Know that people are of two types: they are either your brothers in religion or your equals in creation. Mateen J. Charbonneau

How the Bible Led Me to Islam Yusha Evans,2020-02-17 In the summer of 1996, Yusha Evans went on a passage through the Bible and its four Gospel. He scrutinized more than five different religions in search of God and His message. In 1998, he reverted to Islam. He yearned for the truth in life which is to “Worship God alone as one, obey Him and His Messenger to go to Heaven,” of which he found through Islam.

Christian Apologetics to Islam Joshua Lingel,2016-10-14 The course book is designed to supplement i2 ministries video course #2 - Christian Apologetics to Islam. If you would like to bring i2 ministries training to your group or church contact us atinfo@i2ministries.org.This course will assist students in becoming equipped with responses to critical questions (philosophical and theological issues) raised by Muslims that attempt to undermine the foundations of the Christian faith and prove it to be self-contradictory, flawed, or false (This is a defense). Secondly, this class will provide the students with information on Islam and an introduction to polemics that undermine ones confidence in trusting the Islamic historical origins, philosophy or doctrines as true (This is the offense).

How to Present the Gospel to a Muslim Adjei Ishmael Okang,2019-06-10 Many Christians are not prepared to preach to others about Christ. The seeming unpreparedness has an underlying tone of fear to reach out to unbelievers. But we have been commanded to make all men his disciples, and this we must do. The testimony of the Quran about the Bible confirms that in Muhammad’s time, Christians and Jews coexisted in Arabia.

The History of Jerusalem Joshua Praver,Haggai Ben-Shammai,1996-11 Contains 13 essays which encompass just over four-and-a-half centuries of the thousands of years of Jerusalem's past--from the Muslim conquest in 638 until the eve of the Crusader onslaught in 1099. Topics include the physical infrastructure, the authorities and the local population, art and architecture in the early Islamic period, the temple and the city in liturgical Hebrew, Christian attitudes towards Jerusalem in the early middle ages, the Muslim view of Jerusalem and the Yeshiva of Eretz Israel. Chrislam Jeff Morton, Joshua Lingel, Bill Nikides, 2012-07 This important study engages the question of how much one can & should remain connected to one's Muslim heritage as that Muslim comes to embrace Christ. What should we teach others to do in a Muslim context & how should we translate the Scripture for them so the message of the New Testament is clear? On analogy with the Messianic movement, the claim is that the ability exists to extensively keep both relationships. This impacts translation & practice. It is a significant claim that needs careful assessment. The emotional line between cultural sensitivity and syncretism is thin, but the theological line between them is great. One (cultural sensitivity) is important to maintain, the other (syncretism) is crucial to avoid. This study of insider movements will help you assess what is going on, and help you begin to see the crucial difference. It is well worth the time because it is a timely, insightful book on an important topic. - Darrell L. Bock, Research Professor of New Testament Studies, Dallas Theological Seminary The critical question concerning the so-called insider approach to missions is not the pragmatic question of what works but the theological question of what is essential to the New Testament Gospel. William Lane Craig, Research Professor of Philosophy, Talbot School of Theology The insider movement does not produce disciples of Jesus Christ but spiritual schizophrenics. The insider movement is not inside Islam and it is not inside the Gospel. It is, in fact, more an Islamic movement than Christian. It is another form of Islam. It is a perversion and disservice to Christ. Those who have the interest of Muslims at heart should read this book again and again. Moses Gbenu, President, Ministry of Eternal Affairs, Nigeria

Islam's Issues, Agendas, and the Great Commission Participant Guide Joshua Lingel, 2017-06-26 This is the participants guide for Islam's Issues agendas and the great commission MMWU Video Course #1 The aim of this 6 hour course is to equip the Christian to effectively engage in evangelism with Muslims through a deeper understanding of the Islamic Worldview. Muslims often raise polemical questions about the Bible, the nature of Jesus, and the origins and development of Christianity. This course discusses a response to those critical questions while assessing the origins and early development of Islam. The research has been peer-reviewed, and covers modern critical scholarship on the Biography of Muhammad, the six genres of Islamic historical tradition, as well as source and textual criticism of the Qur'an. Subjects in this course also include Why Care about Muslims, How Muslims come to Christ, Jesus in Islam and Christianity, and A Guide to Finishing the Great Commission. This is our introductory class to the world of Islam and Christian ministry to Muslims. You will be introduced to the plans Islam has for the world, the Radical Muslims and the fundamentals of Islam. This class will be intended to whet your appetite for further studies in theology, Islamics, apologetics, and discipleship. OBJECTIVES At the completion of the class, the student will 1. To inculcate a desire to share Christ with Muslims. 2. To begin to understand the nature of Islam and it's plans for the world. 3. To appreciate the necessity of apologetics and polemics for ministry to Muslims. 4. Law and the Rule of God Joshua Ralston,2020-11-05 Shari'a is one of the most hotly contested and misunderstood concepts and practices in the world today. Debates about Islamic law and its relationship to secularism and Christianity have dominated political and theological discourse for centuries. Unfortunately, Western Christian theologians have failed to engage sufficiently with the challenges and questions raised by Islamic political theology, preferring instead to essentialize or dismiss it. In *Law and the Rule of God*, Joshua Ralston presents an innovative approach to Christian-Muslim dialogue. Eschewing both polemics and apologetics, he proposes a comparative framework for Christian engagement with Islamic debates on shari'a. Ralston draws on a diverse range of thinkers from both traditions including Karl Barth, Ibn Taymiyya, Thomas Aquinas, and Mohammad al-Jabri. He offers an account of public law as a provisional and indirect witness to the divine rule of justice. He also demonstrates how this theology of public law deeply resonates with the Christian tradition and is also open to learning from and dialoguing with Islamic and secular conceptions of law, sovereignty, and justice.

The Religious Concordance Joshua Hollmann,2017-05-01 This book offers a convincing examination of Nicholas of Cusa's Christ-centered approach to Islam and religious diversity and peace.

Echoes Jamilah Kolocotronis, 2006-06-01 Joshua Adams has always been a wild child. He graduated from reckless childhood accidents to girls and alcohol. By the time he is twenty-three he has three children and a failing marriage. He leaves his wife, after yet another argument, and moves in with some Muslim guys he knows. With the patient encouragement of his friends, Joshua begins to study Islam. Six months later he becomes a Muslim and looks forward to starting a new life. But his fresh start is overshadowed by echoes from his past. First Joshua must conquer the old habits which haunt him after the initial excitement of his conversion has worn off. He must continue his new life as a practicing Muslim while facing difficulties from his past life: a bitter ex-wife, three children whom he abandoned, and strained relationships with his mother and two older brothers. Joshua makes the greatest jihad—the jihad of the self—as he struggles to overcome his past and become a true Muslim. *Echoes*, the first book in the *Echoes* Series, is a story of determination and love.

Moses in the Qur'an and Islamic Exegesis Brannon M. Wheeler, 2013-01-11 Relating the Muslim understanding of Moses in the Qur'an to the Epic of Gilgamesh, Alexander Romances, Aramaic Targums, Rabbinic Bible exegesis, and folklore from the ancient and medieval Mediterranean, this book shows how Muslim scholars authorize and identify themselves through allusions to the Bible and Jewish tradition. Exegesis of Qur'an 18:60-82 shows how Muslim exegetes engage Biblical theology through interpretation of the ancient Israelites, their prophets, and their Torah. This Muslim use of a scripture shared with Jews and Christians suggests fresh perspectives for the history of religions, Biblical studies, cultural studies, and Jewish-Arabic studies.

The Origins of Judaism, Christianity and Islam John Pickard, 2021-12-22 There has never been a more important time for a study of the social, economic and political origins of Judaism, Christianity and Islam, three important world religions which share a common root. This book takes as its starting point the idea that gods, angels, miracles and other supernatural phenomena do not exist in the real world and therefore cannot explain the origins of these faiths. It looks instead at the material conditions at appropriate periods in antiquity and the social and economic forces at work, and it examines the historicity of key figures like Moses, Jesus and Mohammed. This is a unique book which draws on the research, knowledge and expertise of hundreds of historians, archaeologists and scholars, to create a synthesis that is completely coherent and at

the same time is based on real-world social conditions. It is a book by a non-believer for other non-believers, and it will be a revelatory read, even to those already of an atheist, agnostic or secularist persuasion.

The Book on Joshua Eamon Kolarity,2012-03 Oh well, she's not my girl back home any-way. Her name is Halamie Tikara. She's Iraqi, and not so far away. So complicated, our beautiful love. Human Intelligence Specialist Joshua Martin lies stranded and severely wounded after a night raid on an al-Qaeda hideout in Samarra. He spends a long night alone remembering-not only intense combat but also growing up conflicted in Oklahoma. As he prays for a rescue at dawn, Joshua, the son of an evangelical minister, recalls his foray into first love at a church summer camp. A scandal while attending a Bible college drives Joshua to join the War on Terror. But he is really seeking true love abroad, not martial glory or divine forgiveness. It is a difficult search. Then he finds the spirited Halamie. The young couple must hide their budding romance from hard men. *The Book on Joshua* is a captivating exploration of a foreign war and forbidden love. A Christian boy and Muslim girl test their faith in each other against the backdrop of sectarian violence in 2005/2006 Iraq.

Radical Islam Hopes to Take Over Our Country: Three Religions Compared Joseph H. Miller,2014-12-08 OUR LIFE IS UNDER SIEGE BY THE SWORD OF ISLAM... Our way of life is under siege. Religious terrorism from many small groups in the world is the greatest threat since the founding fathers established our great nation. The stimulus is religion. Many People of the world are illiterate in religion. There is no world religious leader. No Religion Is an Island Harold Kasimow,Byron L. Sherwin,2009-01-27 Rabbi Abraham Joshua Heschel remains one of the most important figures in American Jewish-Christian relations nearly twenty years after his death. He had a penetrating mind that was never arrogant and a moral passion that never moralized. Together, the thirteen essays of this book testify to his enduring legacy. Beginning with Rabbi Heschel's own *No Religion Is An Island*, these writings--by men and women who knew him, studied under him, and struggled with him, people from South Asian, Muslim, Jewish, and Christian traditions--reveal the humble yet soaring spirit of a person who know God transcended the barriers of nation, culture, religion, and historical enmity. As these essays demonstrate, Heschel was spiritual guide to people of many faiths. He won the admiration of men and women in many lands and traditions. Firmly rooted in his own Jewishness, he evoked the genius of other traditions, inspiring believers of all kinds to labor toward a more humane world. Contributors: the editors, Heschel's daughter Susannah, Jacob Y. Teshima, Daniel Berrigan, John C. Merkle, Eugene J. Fisher, John C. Bennett, Fredrick C. Holmgren, Riffat Hassan, Arvind Sharma, Antony Fernando, and Kenneth B. Smith.

An Islamic Philosophy of Virtuous Religions Joshua Parens,2012-02-01 Joshua Parens provides an introduction to the thought of Alfarabi, a tenth-century Muslim political philosopher whose writings are particularly relevant today. Parens focuses on Alfarabi's Attainment of Happiness, in which he envisions the kind of government and religion needed to fulfill

Islam's ambition of universal acceptance. Parens argues that Alfarabi seeks to temper the hopes of Muslims and other believers that one homogeneous religion might befit the entire world and counsels acceptance of the possibility of a multiplicity of virtuous religions. Much of Alfarabi's approach is built upon Plato's Republic, which Parens also examines in order to provide the necessary background for a proper understanding of Alfarabi's thought.

Holier Than Thou Joshua Teitelbaum, 2000 In this study, the author analyzes the social, political, and economic roots of the Saudi opposition, giving sorely needed context to the phenomenon of bin Laden.
