

Joshua Krishna

James H. Bae

Krishna and the Mystery of the Stolen Calves Joshua M. Greene, 2024-02-06 When powerful god Brahma tries to outsmart the village children of Vrindavan, he learns a lesson he won't soon forget: there is magic in friendship. From the ancient texts of India called the Puranas comes this universal tale of childhood bonds. The Puranas contain hundreds of stories, many dedicated to Krishna, honored by Hindus worldwide as divinity in personal form. Whether one views Krishna as a transcendent figure or a magical cowherd boy, his stories captivate young readers. His love of nature and his dedication to family and friends have made him a hero for all ages.

Krishna and the Mystery of the Stolen Calves Joshua Greene, 2013 When powerful god Brahma tries to outsmart the village children of Vrindavan, he learns a lesson he won't soon forget: there is magic in friendship. From the ancient texts of India called the Puranas comes this universal tale of childhood bonds. The Puranas contain hundreds of stories, many dedicated to Krishna, honored by Hindus worldwide. Whether one views Krishna as a transcendent figure or a magical cowherd boy, his stories captivate young readers. His love of nature and his dedication to family and friends have made him a hero for all ages.

Swami in a Strange Land Joshua M. Greene, 2018 Foreword by Klaus K. Klostermaier, PhD The Biography of A.C. Bhaktivedanta Swami Prabhupada A remarkable journey into the deepest dimensions of the human experience, *Swami in a Strange Land* shows how one man with a dream can change the world. In 1965, a seventy-year-old man—soon to be known as Prabhupada—set sail from India to America with a few books in his bag, pennies in his pockets, and a message of love in his heart. He landed in New York at the peak of the revolutionary counterculture movement of the '60s, and went on to spark a global spiritual renaissance that led to the creation of the International Society for Krishna Consciousness, which has changed millions of lives. Through the depiction of Prabhupada as both an enlightened luminary and a personable, funny, and conscientious individual, *Swami in a Strange Land* shows why cultural icons such as George Harrison and Allen Ginsberg incorporated Prabhupada's teachings into their lives, and why millions more around the globe embarked upon the path of bhakti yoga in his footsteps. Carefully researched, skillfully crafted, and extraordinarily intimate, this narrative follows Prabhupada as he rises from an anonymous monk to a world-renowned spiritual leader. Set in locations as far ranging as remote Himalayan caves and the gilded corridors of Paris's City Hall, this book traces the rise of Eastern spirituality in the

West—and in particular, the rise of yoga culture and vegetarianism and the concepts of karma and reincarnation. JOSHUA M. GREENE has produced films for PBS and Disney, has served as vice president for New York’s largest PR firm, and was appointed director of strategic planning for the United Nations Peace Summit of Religious and Spiritual Leaders. He was also an adjunct professor at Hofstra University in New York. “Joshua Greene reveals the true, thrilling adventure story of Bhaktivedanta Prabhupada...” —SHARON GANNON, author and co-founder of Jivamukti Yoga “Overflowing from his heart was a treasure of spiritual love that he yearned to share with the world. And miraculously, he did—within a few years Prabhupada had inspired a movement that spread across the planet. ” —RADHANATH SWAMI , author, *The Journey Home*

Suns of God Acharya S,2004 Unlike many modern historians, Perry was a diffusionist who believed that modern civilization began in Egypt and was spread via ships to Indonesia, the Pacific Islands, and even to North America. Perry traces the origin of megalithic culture starting in Egypt, and then across the Pacific. Searching for gold, obsidian, and pearls, they travelled across the Pacific to the American Southwest and Mexico.

Krishna, Master of All Mystics Joshua Greene, Dominique Amendola,1981-01-01 Krishna uses his mystic powers to replace the calves and cowherders stolen by Lord Brahma.

Gita Wisdom Joshua M. Greene,2023-06-20 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Krishna and Krishnaism Bulloram Mullick,1898

Krishna James H. Bae,2013-12-07 In Colour These tiny treasures of metaphysical and mythological knowledge serve as enlightening rubrics for understanding Indian tradition and theology. Exquisitely illustrated, this series serves as a contemporary matrix for illuminating our human experience and offers insightful access into Eastern spirituality. Krishna’s life, his beauty, and his virtue are the basis of a great mystical tradition that stretches back to antiquity. Though supremely powerful, he is carefree, full of love and charm. At the same time, he shares some of our most basic human qualities and lives in ways familiar to us. The tales of his divine life inspire insight into the apparent contradiction between human and spiritual love. These enchanting stories follow the youthful Krishna through his many pastimes. From dancing on the head of the serpent-demon Kaliya to sheltering the cowherd villagers from Indra’s wrathful rain, Krishna: Lord of Love speaks about life, love and devotion in a most intriguing way. James H. Bae is a practitioner of both Hindu and Buddhist yoga systems. For years Bae has lived in India investing himself in his spiritual study and training as a monk. His primary areas of study include Oriental medicine, Hindu and Buddhist art, and Eastern philosophy and culture.

Krishna, Master of All Mystics ,1981-03-01

Reborn Santhi Krishna, Born in a renowned family in Thodupuzha, Kerala, India, Santhi was working as a nurse in Mali, Maldives, while she fell into the influence of Christian radicalism. Having atoned her mistakes, Santhi is now a Sanathana

Dharma Pracharika (Hindu Missionary). Santhi Krishna describes the strategies of religious conversion and the ways to overcome them, in the light of her own experience. This book shall serve as an apt resistance against religious conversions accomplished through misleading and alluring.

Hare Krishna Transformed E. Burke Rochford, 2007-05 Most widely known for its adherents chanting “Hare Krishna” and distributing religious literature on the streets of American cities, the Hare Krishna movement was founded in New York City in 1965 by A. C. Bhaktivedanta Swami Prabhupada. Formally known as the International Society for Krishna Consciousness, or ISKCON, it is based on the Hindu Vedic scriptures and is a Western outgrowth of a popular yoga tradition which began in the 16th century. In its first generation ISKCON actively deterred marriage and the nuclear family, denigrated women, and viewed the raising of children as a distraction from devotees' spiritual responsibilities. Yet since the death of its founder in 1977, there has been a growing women’s rights movement and also a highly publicized child abuse scandal. Most strikingly, this movement has transformed into one that now embraces the nuclear family and is more accepting of both women and children, steps taken out of necessity to sustain itself as a religious movement into the next generation. At the same time, it is now struggling to contend with the consequences of its recent outreach into the India-born American Hindu community. Based on three decades of in-depth research and participant observation, *Hare Krishna Transformed* explores dramatic changes in this new religious movement over the course of two generations from its founding.

Hare Krishna in the Modern World Graham Dwyer, Richard J. Cole, 2013 To most people, the words 'Hare Krishna' conjure images of robed monks with shaven heads singing and dancing, or selling copies of the Bhagavad Gita in the streets. These were indeed iconic of ISKCON (International Society for Krishna Consciousness) in its early years. Over the nearly half-century of its existence, however, the organization has changed considerably in order to remain relevant as the world around it has changed. In this volume, nine scholars, all of whom have had years of first-hand experiences with ISKCON, evaluate its successes and failures in adapting to new social and demographic circumstances while struggling to remain true to its original intentions, and offer insights into new directions that it may take in the future.--P. [4] of cover.

India's Problem, Krishna or Christ John P. Jones, 2022-06-13 John P. Jones' *India's Problem, Krishna or Christ* is an interesting look at the multiculturalism of India during the late 18th and early 19th centuries. At a time when English colonialism aimed to impart Christianity on the people of India, Hinduism faced the threat of disappearing. When many Indians might have felt torn between which faith to follow, Jones describes such a conflict that is important to read for a better understanding of this tense time in history.

Revisioning the Sacred J. A. McLean, 1997

Shri Krishna Annie Wood Besant, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its

age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Hare Krishna Explosion (English) Hayagriva Dasa,2020-01-01 The first draft of The Hare Krishna Explosion was written in July 1969 just after Srila Prabhupada's first visit to New Vrindavan. At that time Hayagriva realized that the details of the beginnings of the Krishna Consciousness Movement had best be recorded when the events were still fresh. Working from notebooks, diaries and memories he compiled the first edition in a month. Then the manuscript remained packed away until Srila Prabhupada left the mortal world in 1977.

Kaliya, Serpent King Joshua M. Greene,2023-06-20 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Krishna Inspires Sandeep Ravidutt Sharma,2020-08-12 || Jai Shri Krishna || This book is dedicated to Lord Krishna. The thoughts and quotes as published in this book are inspired by the teachings of Bhagavad Gita. I hereby dedicate all my thoughts and actions in the lotus feet of the Lord and read the following Verse 6-7 of Bhagavad Gita Chapter 12 for the benefit of one and all. For one who worships Me, giving up all his activities unto Me and being devoted to Me without deviation, engaged in devotional service and always meditating upon Me, who has fixed his mind upon Me, O son of Prtha, for him I am the swift deliverer from the ocean of birth and death. I consider myself as a student of Bhagavad Gita for life. One may not understand or remember the meaning of each verse from Bhagavad Gita. Just remember to chant 'Hare Krishna' and give your best to fix your mind on the Lord's image. Everything else will fall in its place automatically. If you like the quotes and thoughts inspired by Bhagavad Gita, do share this book with your family and friends. Thank You and Happy Reading. || Hare Krishna Hare Rama ||

Betrayal of the Spirit Nori J. Muster,2013-03-15 Combining behind-the-scenes coverage of an often besieged religious group with a personal account of one woman's struggle to find meaning in it, *Betrayal of the Spirit* takes readers to the center of life in the Hare Krishna movement. Nori J. Muster joined the International Society of Krishna Consciousness (ISKCON)--the Hare Krishnas--in 1978, shortly after the death of the movement's spiritual master, and worked for ten years as a public relations secretary and editor of the organization's newspaper, the ISKCON World Review. In this candid and critical account, Muster follows the inner workings of the movement and the Hare Krishnas' progressive decline. Combining personal reminiscences, published articles, and internal documents, *Betrayal of the Spirit* details the scandals that beset the Krishnas--drug dealing, weapons stockpiling, deceptive fundraising, child abuse, and murder within ISKCON--as well as the dynamics of schisms that forced some 95 percent of the group's original members to leave. In the midst of this institutional disarray, Muster continued her personal search for truth and religious meaning as an ISKCON member until, disillusioned at

last with the movement's internal divisions, she quit her job and left the organization. In a new preface to the paperback edition, Muster discusses the personal circumstances that led her to ISKCON and kept her there as the movement's image worsened. She also talks about the darkest secret-child abuse in the ISKCON parochial schools--that was covered up by the public relations office where she worked.

From Punk to Monk Ray Cappo, 2024-04-09 The heartfelt memoir of Ray Raghunath Cappo, a legendary hardcore punk musician-turned-monk—and pioneer of the straight edge movement—told with warmth, candor, and humor. Ray Cappo was a hardcore punk singer and pioneer of the straight-edge movement living on the Lower East Side of New York City in the '80s, where his band Youth of Today played to packed clubs and touched thousands of people across the globe. But despite the accolades from fans, the popularity of his records, and the positivity he'd brought to the punk music scene, none of this success gave Ray joy. He felt stagnant, and he yearned for something more. This, along with his father's untimely death, led him to abruptly quit the band and buy a one-way ticket to India in pursuit of the answers to life's great mysteries. Living as a monk in the sacred city of Vrindavan and traveling across the country on a series of train trips, Ray embraced the rich, spiritual culture he discovered there. As his unusual adventure unfolded, he encountered extraordinary characters, witnessed deep acts of devotion, and experienced profound moments of divine connection, leading to a radical transformation that was ego-crushing and blissful all at once. Inspired to write music again, Ray returned to the US, where he and other monks founded Shelter, a band dedicated to spreading a message of faith, hope, and love. Told with warmth, candor, and humor, this heartfelt memoir chronicles Ray's emotional and spiritual journey from punk to monk and beyond.

The Enigmatic Realm of **Joshua Krishna**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Joshua Krishna** a literary masterpiece penned by a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of people who partake in its reading experience.
