A beautiful edition of the much-loved adventure story by Eva Ibbotson with a foreword by Lauren St John. Maia, an orphan, can't wait to reach her distant relatives a thousand miles up the Amazon. She imagines a loving family with whom she will share great adventures. Instead she finds two spiteful cousins who see the jungle as the enemy and refuse to go outdoors. But the wonders of the rainforest more than make up for the hideous twins and their parents. And when Maia meets a mysterious boy who lives alone on the wild river shores, she begins a spectacular journey to the heart of an extraordinary and beautiful new world. A joyous Amazon adventure set in the lush nature of Brazil, Eva Ibbotson's *Journey to the River Sea* is a modern classic loved by adults and children alike. This edition features a foreword by Lauren St John. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket sized classics with gold foiled edges and ribbon markers. **Journey to the River Sea** Eva Ibbotson, 2002 Sent with her governess to live with the dreadful Carter family in exotic Brazil in 1910, Maia endures many hardships before fulfilling her dream of exploring the Amazon River.

The Water in Between Kevin Patterson, 2000 A high-seas adventure story that combines the wry wit and deep reflection of *A Walk in the Woods* with the action and suspense of *A Perfect Storm*. A stint in the army and a broken heart lead Kevin Patterson to the dock of a sailboat brokerage on Vancouver Island, where he stands contemplating the romance of the sea and his heartfelt desire to get away. By the end of the day, he finds himself the neophyte owner of a sailboat called the *Sea Mouse*. He also has a plan: to sail to Tahiti and back, and burn away his failings in hard miles at sea. First he recruits a traveling companion, another brokenhearted guy who at least knows how to sail. They set out like the *Two Stooges*-*Seasick and Slapstick*. Days without wind are days to kick back on the deck with a beer and a man-versus-nature adventure book that valorizes their journey into an essential quest for manhood. But eventually the voyage begins to take on a sharper edge. On a relentless beat across the South Pacific, they run across one solitary male sailor after another on the lam, not heroes but refugees. Both the literature and the reality of masculine adventure start to pall, and Patterson begins to long for home. But to get there, he faces the toughest of trials, single-handedly sailing the *Sea Mouse* across the North Pacific and through a four-day gale, conscious that no one on earth knows where he is or that he might die. The illusion that men are best tested by

loneliness and adversity cracks in the force of the wind and the terrifying beat of the water, and *The Water In Between* becomes a hymn, not to running away but to heading home.

*Water in Between* Kevin Patterson,2001-01-01 Offers an account of the author's adventures at sea, sailing across the Pacific to Tahiti in a sailboat called the Sea Mouse, with another broken-hearted companion, to escape a failed relationship.

**A Journey to the Mother of the Sea** Maliaraq Vebk,2019-10 The sea animals have disappeared, and people are starving. An old couple, once great shamans, are asked to journey to the Mother of the Sea to find out what happened to the animals. But the journey is dangerous and the old woman does not know if she will be able to please the Mother of the Sea and convince her to free the animals the people of her community so desperately need. The Mother of the Sea is an important character in Inuit traditional stories shared across the circumpolar region. Known by many names across various regions of the Arctic, the Mother of the Sea is a powerful woman who can withhold the animals humans need to survive if she is displeased by human behaviour. Only a shaman is able to appease the Mother of the Sea and convince her to release the animals that the hunters so desperately need. This tale shares the specific traditional story of the Mother of the Sea told and retold in Greenland for generations.

Combining elements of romance, danger and mystery, it provides the perfect inspiration for this unique collection. The finest writers from our water-bound nation, including Alexander McCall Smith, Ruth Rendell, Joanne Harris, Joseph O'Connor and Libby Purvis, give us their accounts of adventures and chance encounters, short stories and non-fiction pieces representing the many facets of the sea's power that will haunt and inspire. The collection also includes gripping accounts of real-life adventures on the ocean

from such experienced sailors as Sir Robin Knox-Johnston, First Sea Lord Admiral Sir Alan West and Tracy Edwards. A literary tribute to the last earthly frontier - the ocean.

Narrative of a Journey to the Shores of the Polar Sea, in the Years 1819-20-21-22 John Franklin, 1824

**Narrative of a Journey to the Shores of the Polar Sea, in the Years 1819, 20, 21, and 22 (Classic Reprint)** John Franklin, 2017-07-16 Excerpt from Narrative of a Journey to the Shores of the Polar Sea, in the Years 1819, 20, 21, and 22 It; will be seen, in the course of the Narrative as well as in the Appendix, how much reason I had to. Be satisfied with, and how great my obligations are to, all the Gentlemen who were associated with me 'in the Expedition, whose kindness, good conduct, and cordial, co-operation, have made an impression which can never be effaced from my mind. The unfortunate death of Mr. Hood is the only drawback which I feel from the otherwise unalloyed pleasure I derived from reflecting on that cordial unanimity which at all times prevailed among us in the days of sunshine, and in those of sickness and sorrow. **Narrative of a Journey to the Shores of the Polar Sea- In the Years 1819-20-21-22 - The Complete Edition** John Franklin, 2021-05-06 Sir John Franklin (1786-1847) was a British Royal Navy officer and Arctic explorer who served in wars

against the United States and Napoleonic France. He led three expeditions into the Canadian Arctic in 1819, 1825, and 1845. In his last expedition to force the Northwest Passage, his ship became stuck in the ice leading to many unsuccessful rescue missions. "Narrative of a Journey to the Shores of the Polar Sea" is Franklin's account of the Coppermine expedition to chart the north coast of Canada eastwards from the mouth of the Coppermine River. From 1819 to 1822, 11 of the 20 men in his party died of starvation or exhaustion, with evidence to suggest that there was at least one murder and instances of cannibalism. An incredible account of survival against all odds in the unforgiving Arctic, "Narrative of a Journey to the Shores of the Polar Sea" is highly recommended for those with an interest in the famous Franklin expedition and Arctic exploration in general. Read & Co. History is republishing this classic memoir now in a brand new edition complete with an introductory biography by John Knox Laughton.
