## Rev. Hannah Desmond

**The Marriage Journey** Delbert Glover, Linda L. Grenz, 2003-11-01 The two authors of this book, Linda Grenz and Del Glover, say at the outset that they are ordinary Christians writing for ordinary Christians and ordinary congregations. So why has this book become a classic for couples about to marry, couples already married, and the congregations that support them? Because they approach the ordinary issues couples face in marriage from the life-experience perspectives of an Episcopal priest (Linda) and a former corporate executive (Del) who worked with people as they faced various family-related issues. They invite readers to use the book in ways that speak most directly to them and offer questions for the couple to discuss and others that engage a congregation. The book is interspersed with relevant quotes from scripture with probing questions for the individual to consider. What they are here for is your marriage. Jim and Doug have seen it all. They have worked with many couples and have studied extensively to uncover the essential elements for making marriages thrive. This book is their early wedding gift to you: a comprehensive, easy-to-navigate road map for beginning your union. Filled with premium fuel for the journey—including meaningful exercises, hard truths, and conversations starters—this book will nourish and guide your relationship for the long haul.

The Wedding Journey Rev. Hannah Desmond, 2011-12-20 The Wedding Journey is a unique guidebook that couples contemplating marriage will value. Rev. Hannah Desmond incorporates both ancient teachings and leading-edge thought in the crafting of wedding ceremonies for twenty-first century couples. She offers sage advice and assistance for creating your wedding ceremony, personal vows, and a fulfilling marriage. Hannah has created authentic, contemporary wedding scripts, which can serve as complete wedding services or as templates in the creation of your own ceremony. The ancient Celtic wedding practice of Handfasting is included, with a full explanation of tying the knot. You receive guidance as you begin the process of creating your ceremony, accessing your deepest emotions, and verbalizing your true feelings through your wedding vows. Beneficial practices and exercises are included to help alleviate the stress that may arise as you plan your

wedding and prepare for your transition into married life. Hannah introduces effective techniques for harnessing the power of your thoughts, words, and emotions to alleviate distressful misunderstandings and allow for greater communication and a deeper bond in your marriage. With humor and compassion, Hannah helps you avoid some of the wedding pitfalls she has witnessed in her twenty years as a wedding celebrant. There are anecdotes to make you laugh and advice on a myriad of unique wedding elements from using your astrological flower in your bouquet to incorporating a unity ritual in your ceremony. The information and assistance offered throughout *The Wedding Journey* provides couples with fresh ideas and the emotional support and understanding necessary to create a deeply meaningful wedding ceremony, powerful and enduring vows, an awakened heart, and the flow of great love, prosperity, serenity, and joy into their marriage.

**Are We There Yet?: Marriage? a Perfect Journey for Imperfect Couples** Paul Chappell, 2017-10-02 Most people get married with the assumption that marriage itself is a destination. But along the way, you discover that, as wonderful as marriage may be, it is more of a journey than it is a destination. Rather than being an island of unending bliss, it's more like a long road trip—the kind of road trip where you are excited for the destination, love the memories along the way...and sometimes get annoyed with aspects of the journey. In this practical book—a travel guide, of sorts—Paul and Chappell, Terrie candidly share biblical principles and personal, transparent illustrations that will equip you to go further as a couple. Whether you are a newlywed or have been married for decades, you will find in these pages truths to help you clarify your destination, communicate your needs, grow as a couple, and even shed some luggage along the way. No couple has arrived. But every Christian couple can enjoy marriage as the incredible journey God intended it to be.

365 Days Until Alexander Catalano,Alexander And Ahesha Catalano,2011-09-01 Every married couple has their own meaningful tales and occasionally horror stories of wedding preparation. Few couples, however, have that time as intricately and intimately documented as Alexander and Ahesha Catalano. 365 Days Until : The Journey to Our Wedding details the year-long journey to the Alexander and Ahesha Catalano's wedding day. Every night, for 365 days prior to their wedding, they recorded everything they did in preparation for the wedding. They chronicled all of the foolishness, the things they learned about each other, and the things they learned about marriage, each in their own journal. They considered everything from mundane details to what it would take for them to reach their golden anniversary. Most importantly, they wrote about all the fun they had coordinating their wedding and how much they truly adore one another. But there's a twist neither of them read each other's journal until after they were married. Independent of each other, they captured all of their emotions at each step in the process of organizing their most important day. What began as a way for them to keep everything organized for their

wedding accidentally turned into something much, much more important. 365 Days Until : The Journey to Our Wedding offered an opportunity for Alex and Esha to share all of their most intimate thoughts and fears about getting married with each other, and it will encourage others in preparation for their own wedding day.

*Their Wedding Journey* William Dean Howells,2017-07-26 They first met in Boston, but the match was made in Europe, where they afterwards saw each other; whither, indeed, he followed her; and there the match was also broken off. Why it was broken off, and why it was renewed after a lapse of years, is part of quite a long love-story, which I do not think myself qualified to rehearse, distrusting my fitness for a sustained or involved narration; though I am persuaded that a skillful romancer could turn the courtship of Basil and Isabel March to excellent account. Fortunately for me, however, in attempting to tell the reader of the wedding-journey of a newly married couple, no longer very young, to be sure, but still fresh in the light of their love, I shall have nothing to do but to talk of some ordinary traits of American life as these appeared to them, to speak a little of well-known and easily accessible places, to present now a bit of landscape and now a sketch of character. They had agreed to make their wedding-journey in the simplest and quietest way, and as it did not take place at once after their marriage, but some weeks later, it had all the desired charm of privacy from the outset.

**Missing Links in Marriages & Families Journey** Dr. Anniekie Ravhudzulo,2019-05-10 There is something different about this book. Many couples are confused about how to find the will of God for their lives, marriages and families. Do you desire for more intimacy and passionate linking? Do you miss the feeling of togetherness that you and your spouse felt when you first met? As a couple, is it a problem for you to communicate openly? Are you scared that being honest will hurt each other's feelings? Maybe you are feeling discouraged by stubborn arguments over apparently irrelevant issues. Alternatively, perhaps you have begun to feel like you have "fallen out of love". Do you want to have more sex or less sex than your spouse does? If you have had an affair, or if you have been hurt by your spouse's infidelity, you might be feeling uncertain if, and how, you can settle your feelings, and be able to relink and connect. Remember, you are the person to initiate that, take heart. Unless you learn to identify broken and missing links that disengage you from your marriage and family, you will continue to live in a relationship of finishing life together because of the children you have. In order for strong intimacy and deep connection to take place, forget about the lies of the devil, false messages and cracks around your heart. This is the foundation of rediscovering the joy of a broken heart in your life, marriage and family. A Pure and Forgiving Heart will Restore the Joy of your Broken and Missing Links to cover your physical, intellectual, spiritual and emotional aspect of your life.

**Marriage** Margi Harartsen,John Haartsen,2005 All couples expect their marriage to be good and bring them happiness. This book alerts couples to the important issues in a relationship and understand how a long and loving relationship can be achieved

**Marriage! the Journey** Anne Trippe, Charles F. Stanley, 2004 In *Marriage! The Journey*, Anne has gone public with the wisdom and insight she has shared privately with couples since 1986. This book is a first. It is not just another book on marriage. Anne has given us a guide for creating relationships that reflects God's original intention for husbands and wives. *Marriage! The Journey* confronts commonly held myths about marriage with truth. The book shows how God desires to use even the mate's imperfections to bring each partner into dependency on Christ's Life and into intimacy with each other. Andy Stanley Senior Pastor Northpoint Community Church Alpharetta, GA Anne Trippe has captured for us the depths of marital intimacy and what Father designed for marriage. What she has written here is not theory. It is well tested through many applications in the lives of those she has counseled over the years. Anne candidly exposes the lies that have kept couples bound in unhappy marriages, but, along with that, unveils the truth that sets them free. This book will be lifesaving for many couples who think there is no hope for their marriage. Tom Grady Founder, SAR Adventures Founder, Grace Ministries International Atlanta, GA It is with great enthusiasm that I recommend Anne Trippe's book, *Marriage! The Journey*. Anne offers no behavior modification advice couched in religious language. Her prescription is simple, practical and biblical. With winsome clarity, she points us back to the indwelling life of Christ and shows us how to experience Him as the very life of our marriage. This book is a must read for those wanting to know the kind of marriage God intends for us all. Dr. Steve McVey President, Grace Walk Ministries Atlanta, GA Dr. Anne Trippe and her husband, Vinson, have been married since 1962. They have four children and thirteen grandchildren. Anne is a Licensed Counselor and Licensed Marriage and Family Therapist on staff at First Baptist Church of Atlanta. Anne is involved in the training and supervising of the lay counseling program at First Baptist. She developed the successful sixteen-week marriage building course, *Journey to Freedom in Marriage*, and wrote the book, *The Purpose of Trials and Adversity*.

*Christian Marriage* David Michael Thomas, 1992 This book represents a theology of marriage. It is not intended as a manual for solving marital problems, or as a self-help guide on how to improve one's marriage. Rather, its basic goal is to bring forward into our time, with all its uniqueness and peculiarities, major insights of the Christian faith as they relate to married life . . . . Through the love of wife and husband, woman and man, through loving words pronounced in public in formal ceremony and unfolded in the time that ensues, through the couple's collaboration with God's creative power in bringing new life into the world, through the spirituality lived in transforming creation, the sacrament of marriage brings the Spirit of God into the world. Each couple has the power to block this process, but what is more important to affirm is their capacity to advance it. And it happens. -From Chapter 1
